This is the noble **Optimus Prime**, leader of the Autobots! He's super-smart and can split into three pieces!

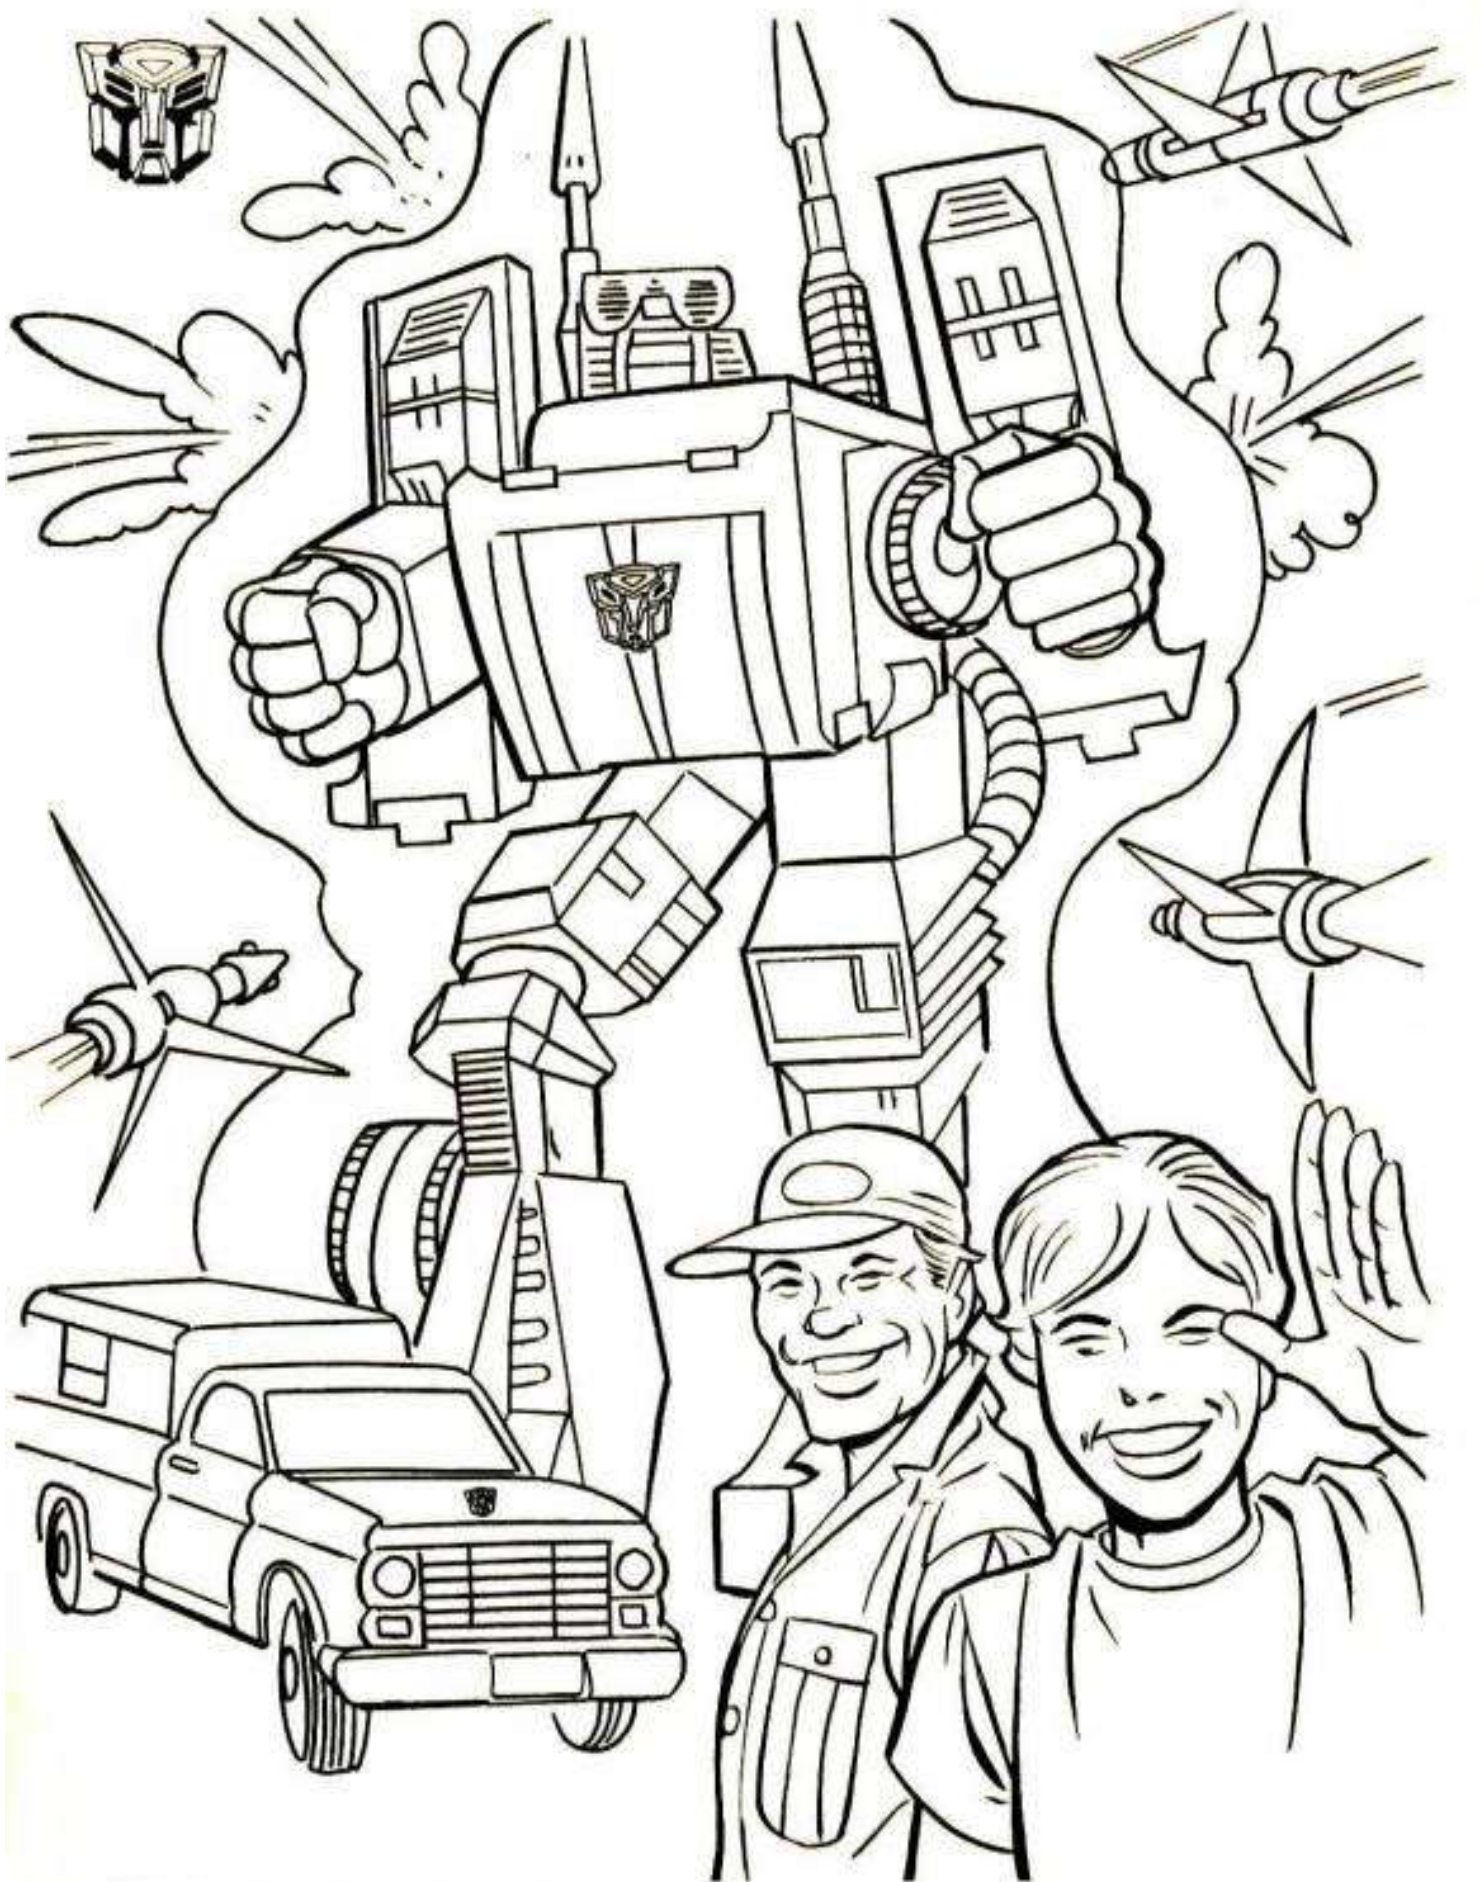

**Sideswipe** can shoot missiles and disguises himself as a fast sports car. **Bumblebee** can spy on things far away with his telescopic sight and disguises himself as a small car to get out of tight spots.

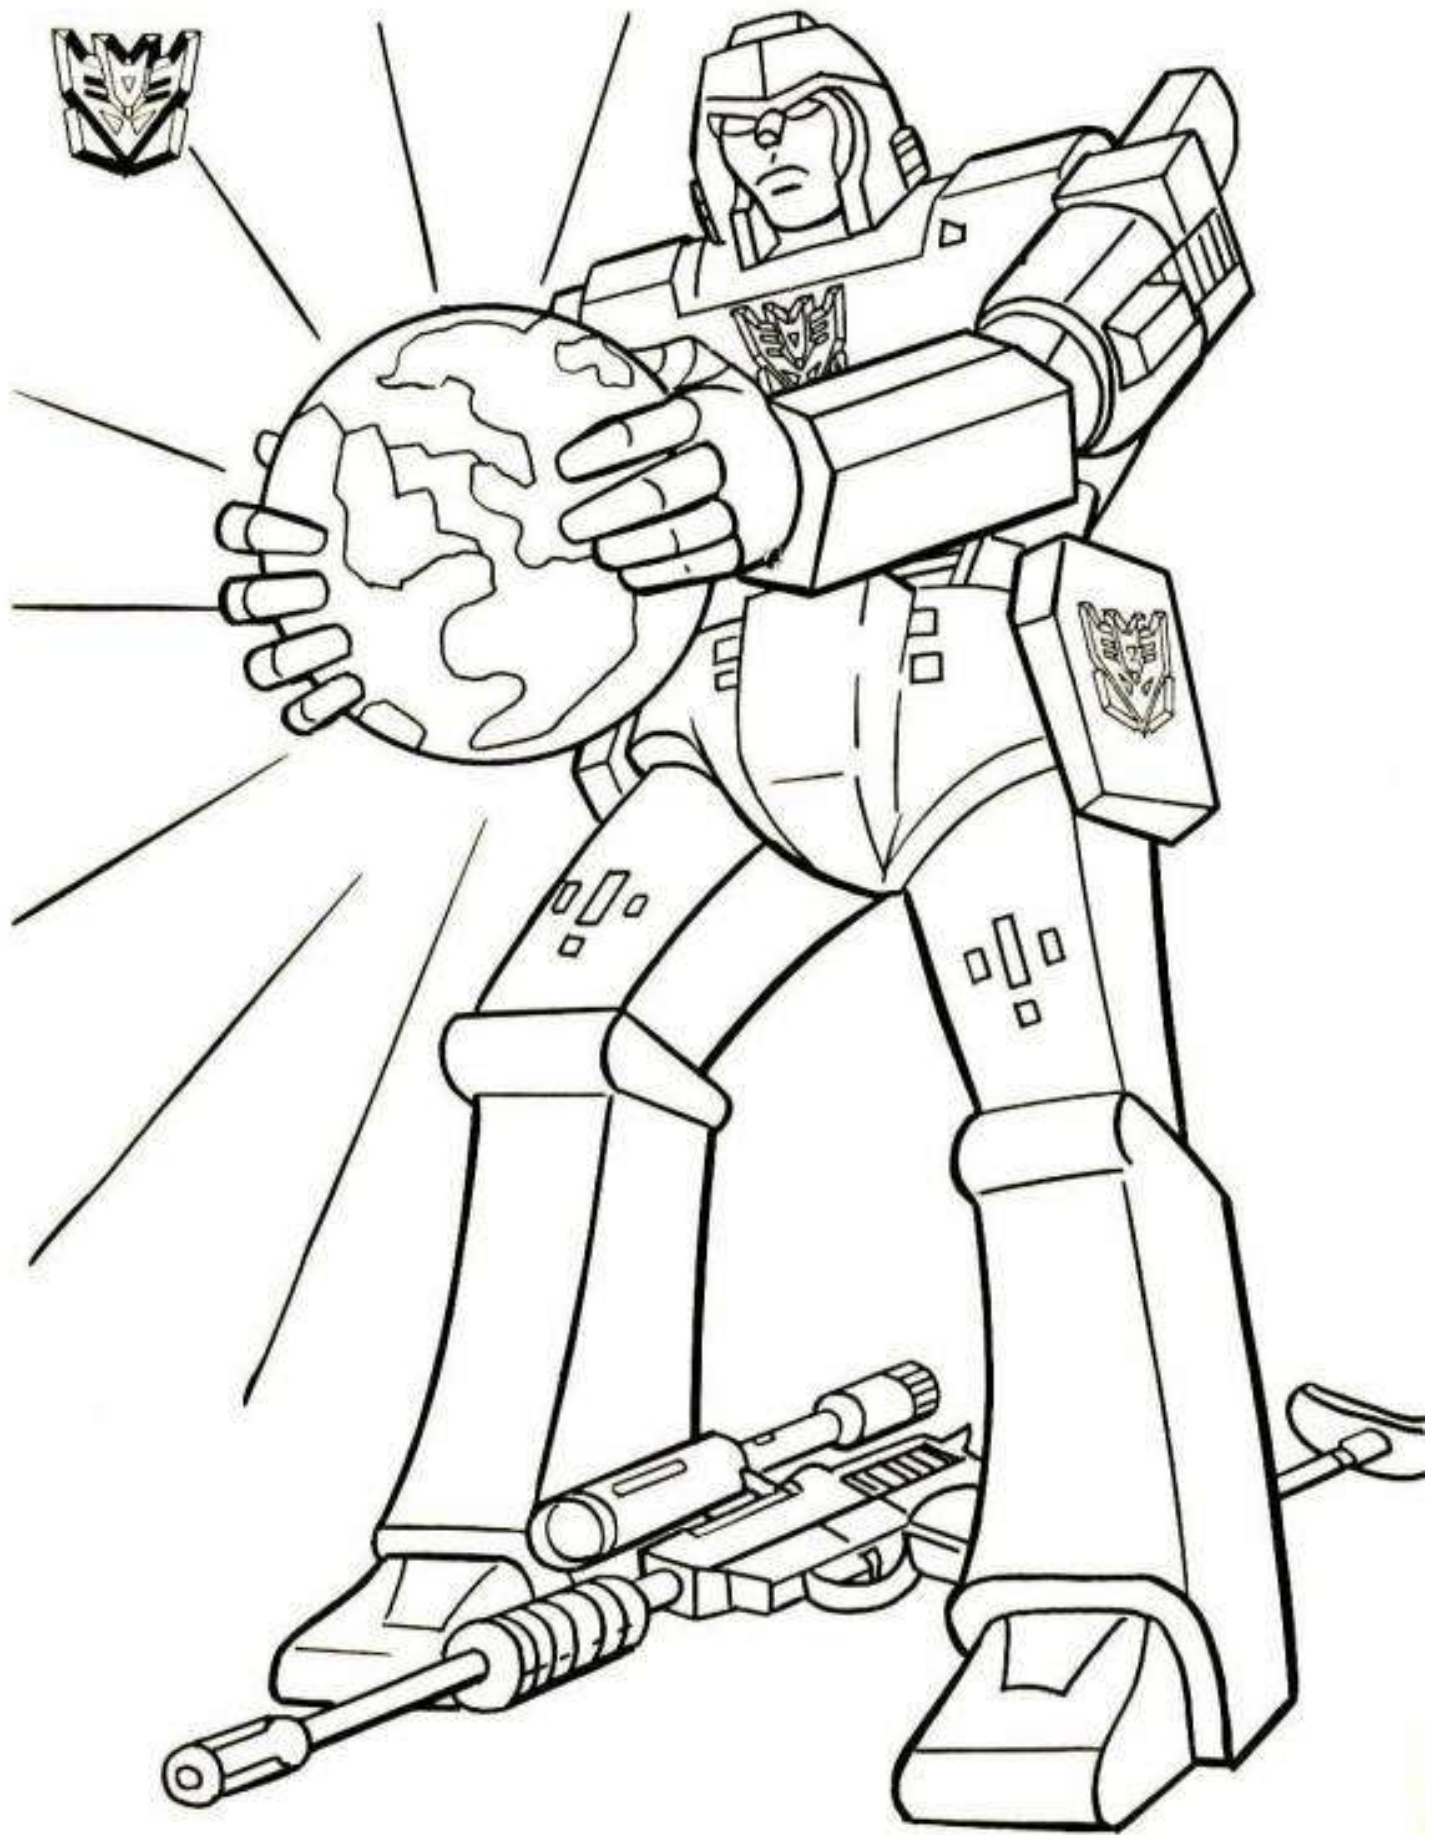

**Bluestreak** fires rockets! And he can run super-fast as a sports car.  
**Gears** is super-strong! That's why he disguises himself as a big truck!

With Autobots like **Trailbreaker**, who can make an unbreakable force-field or disguise himself as a super camper, **Sparkplug** and his son **Spike** don't have to fear any Decepticon.

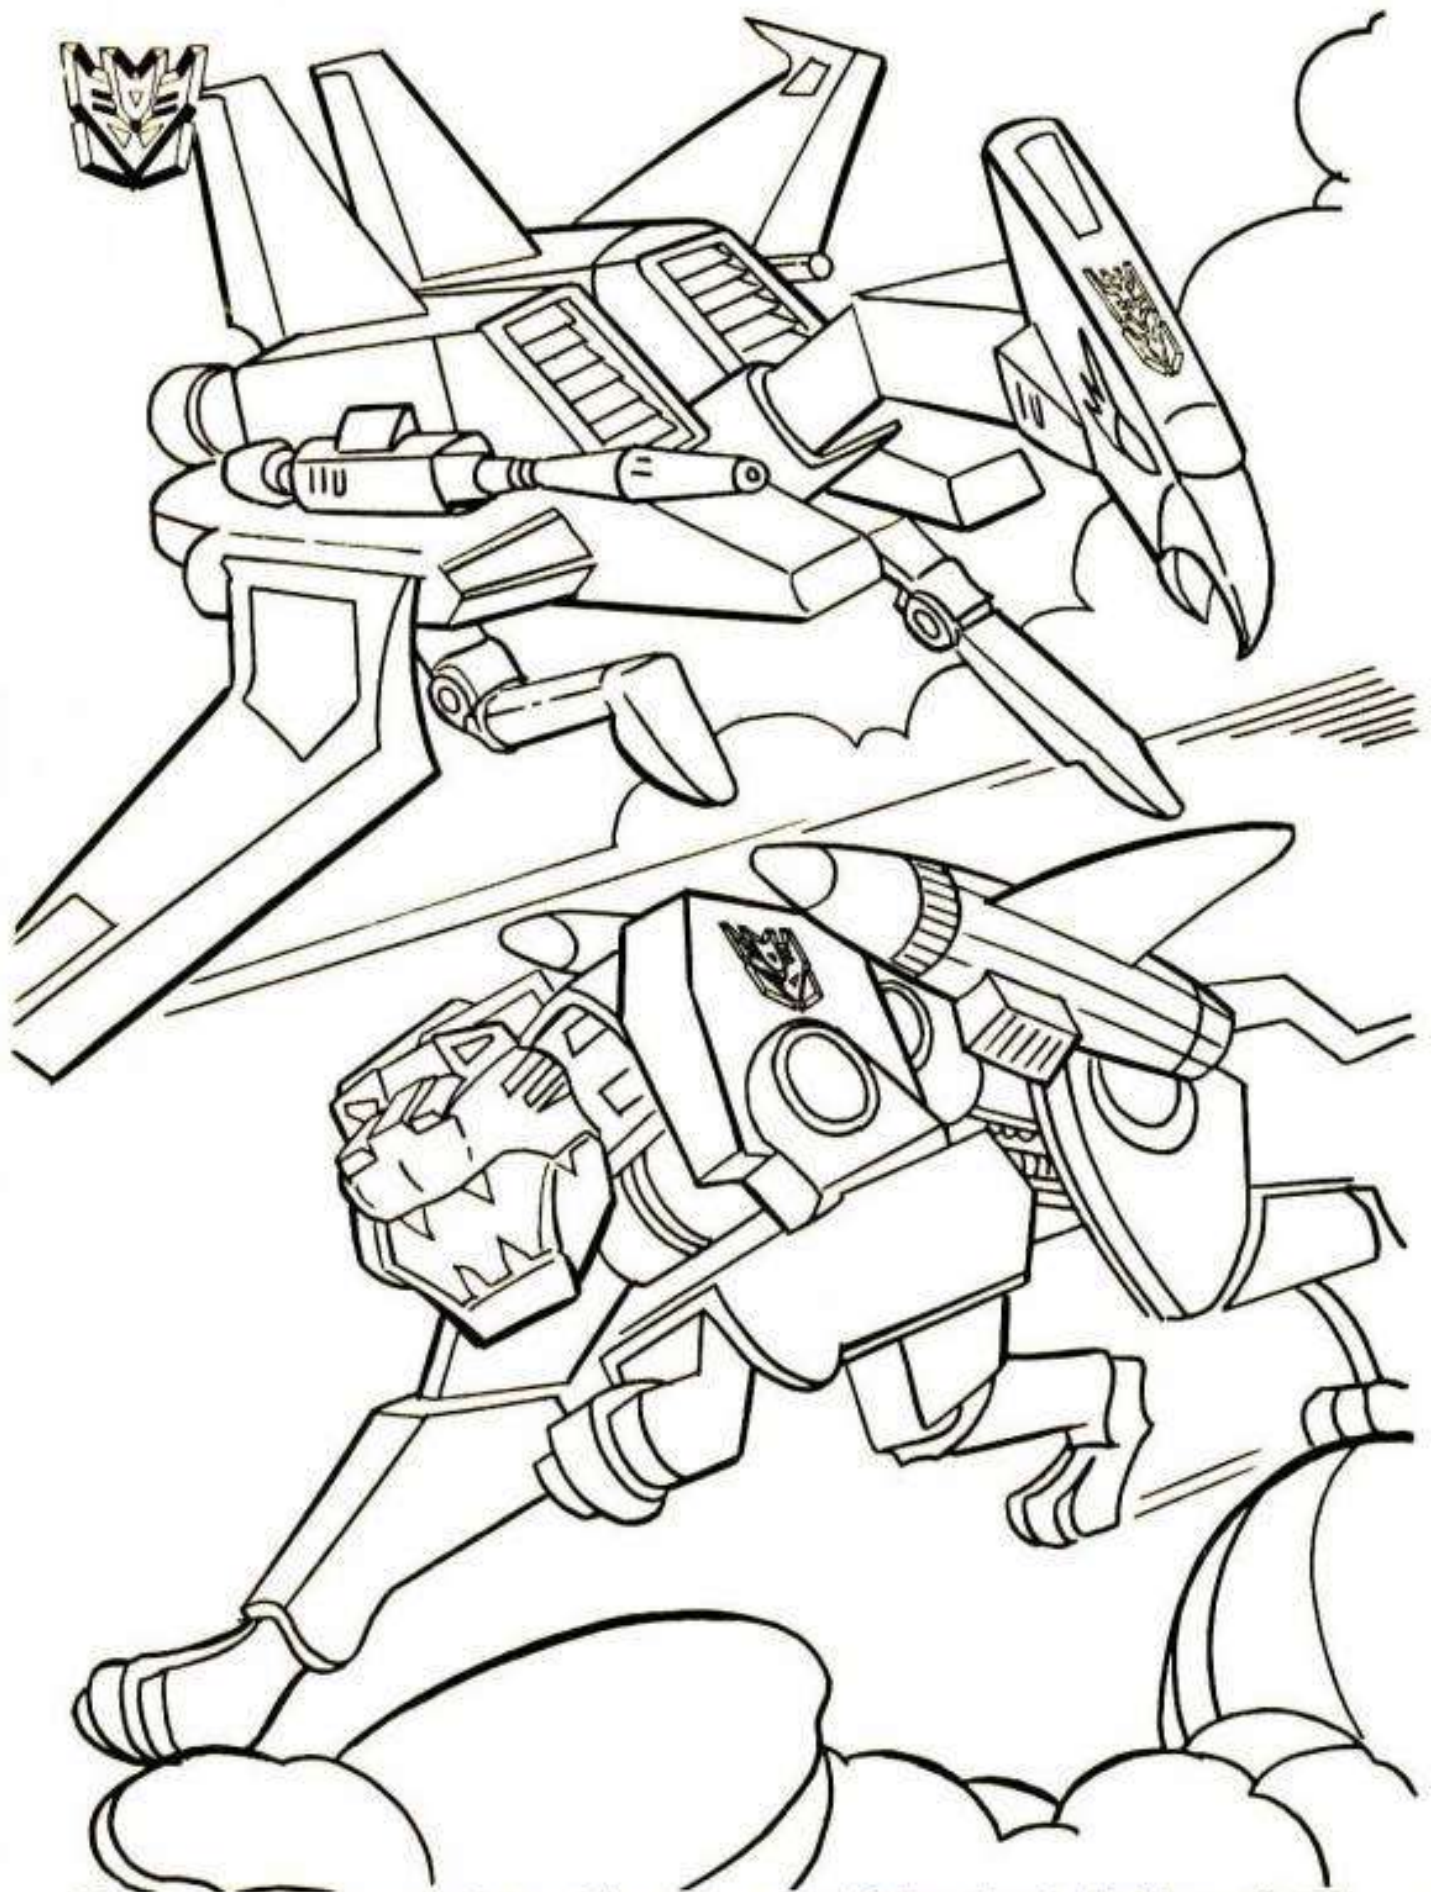

**Megatron** is the evil leader of the mean Decepticons. He would love to wreck earth and smash the Autobots.

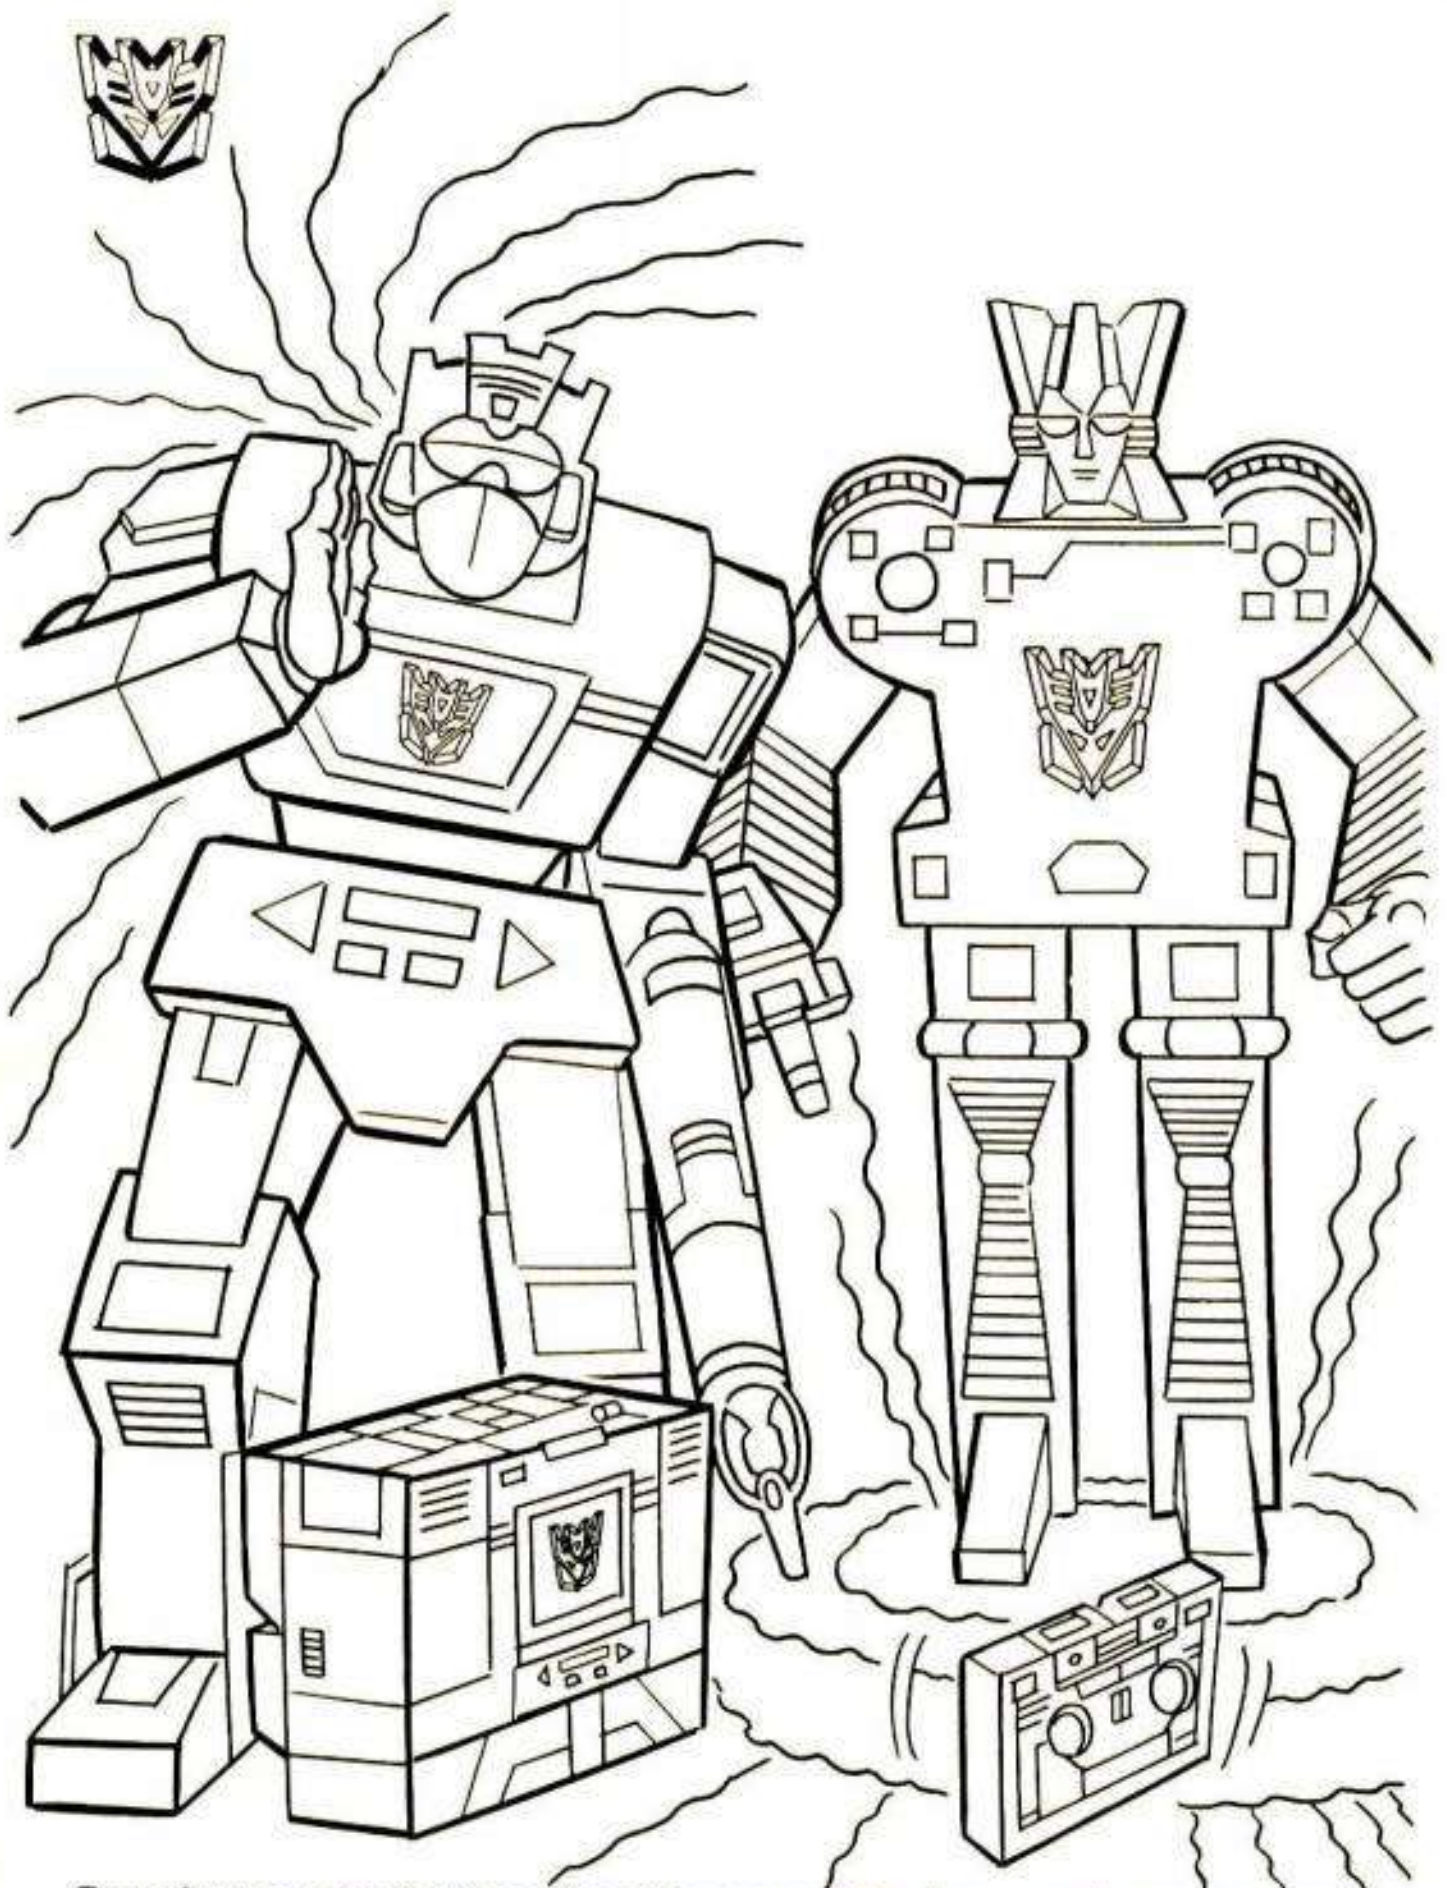

**Starscream** and **Thundercracker** are warrior Decepticons that disguise themselves as jet fighters. They love fighting Autobots.

**Ravage** is as strong, quiet and dangerous as a big jungle cat. And **Laserbeak** disguises himself as a condor. He likes to attack the weak because he's a coward.

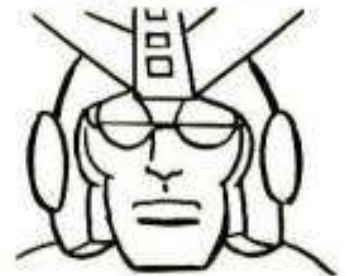

**Soundwave**, who disguises himself as a cassette player, can hear any sound, no matter how low. **Rumble**, who disguises himself as a cassette, loves to make earthquakes.

# THE TRANSFORMERS' CONNECT-THE-DOT PUZZLE

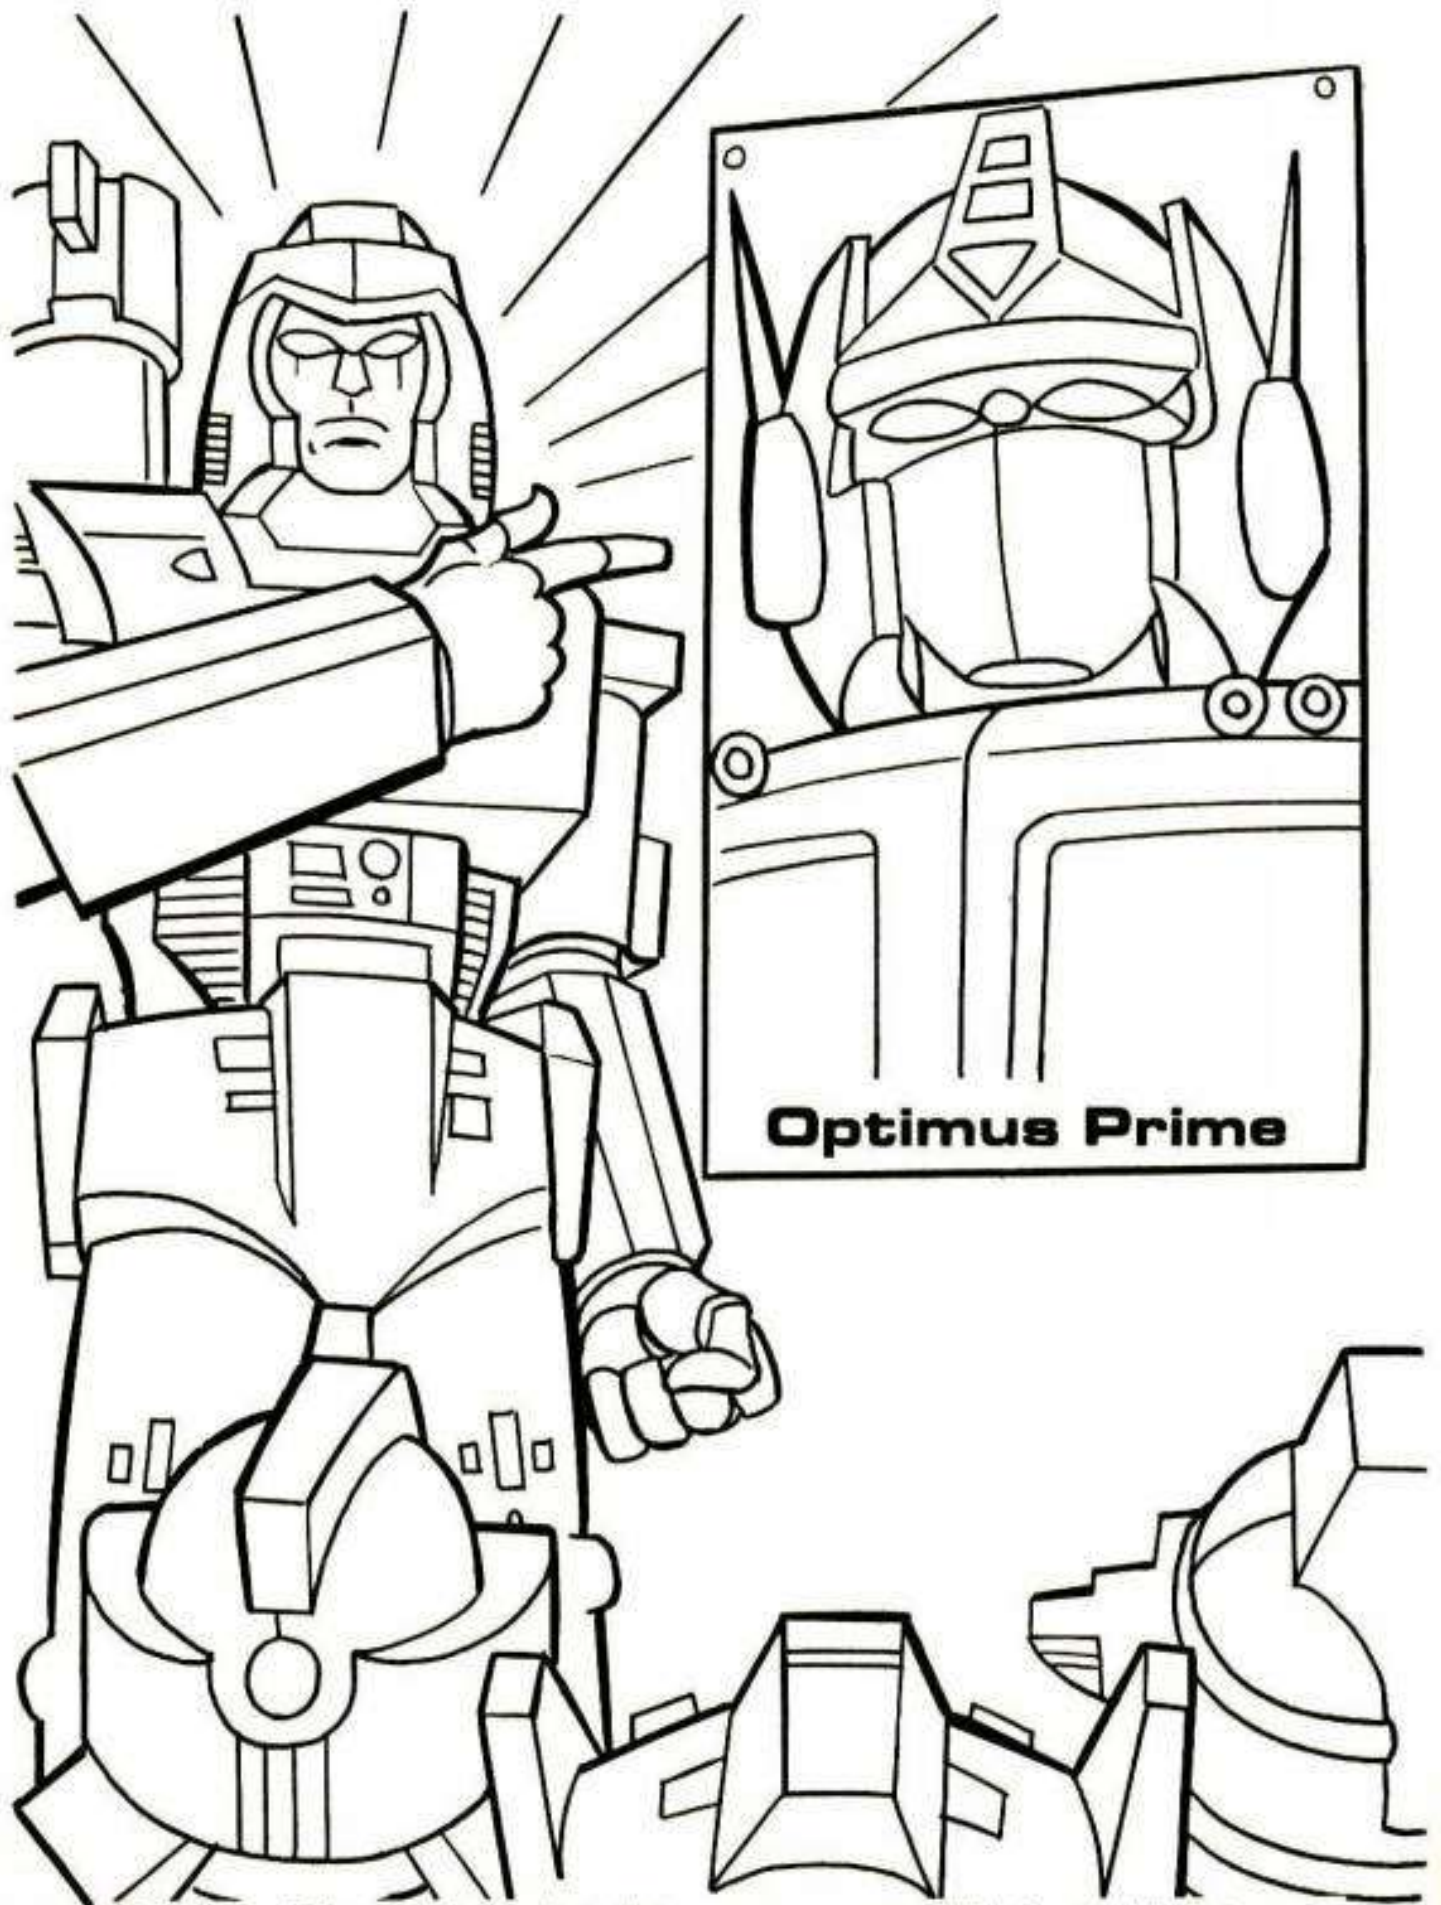

Connect the dots to find out what Optimus Prime and the Autobots must always defend from Megatron and the Decepticons. Then write the name of it in the space below.

\_\_\_\_\_

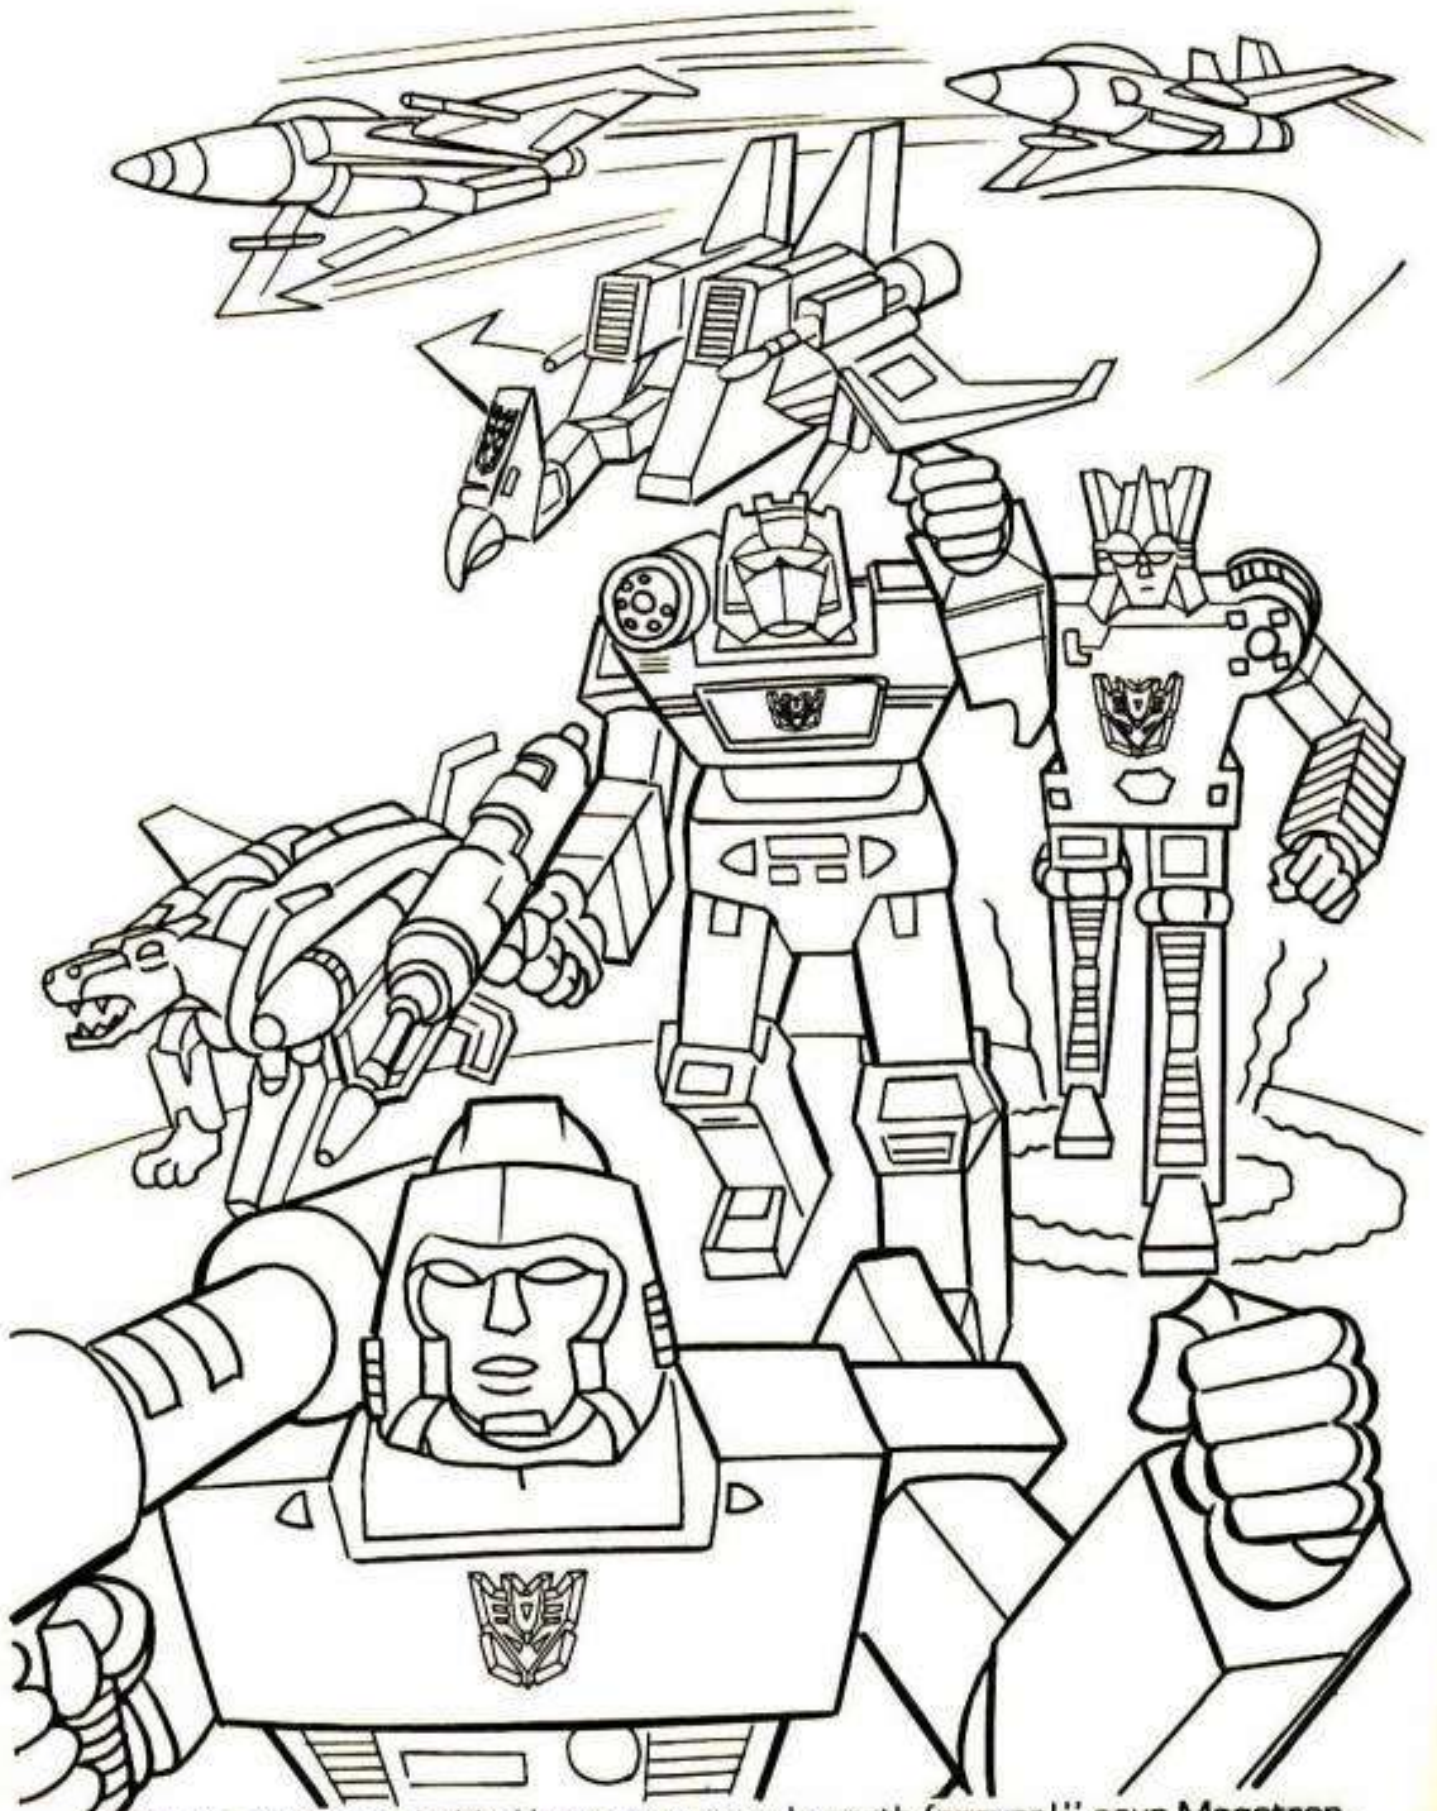

"Optimus Prime and the Autobots are our enemy!" shouts Megatron.

"We must trap the Autobots and throw them into my special Autobot prison!" says Megatron.

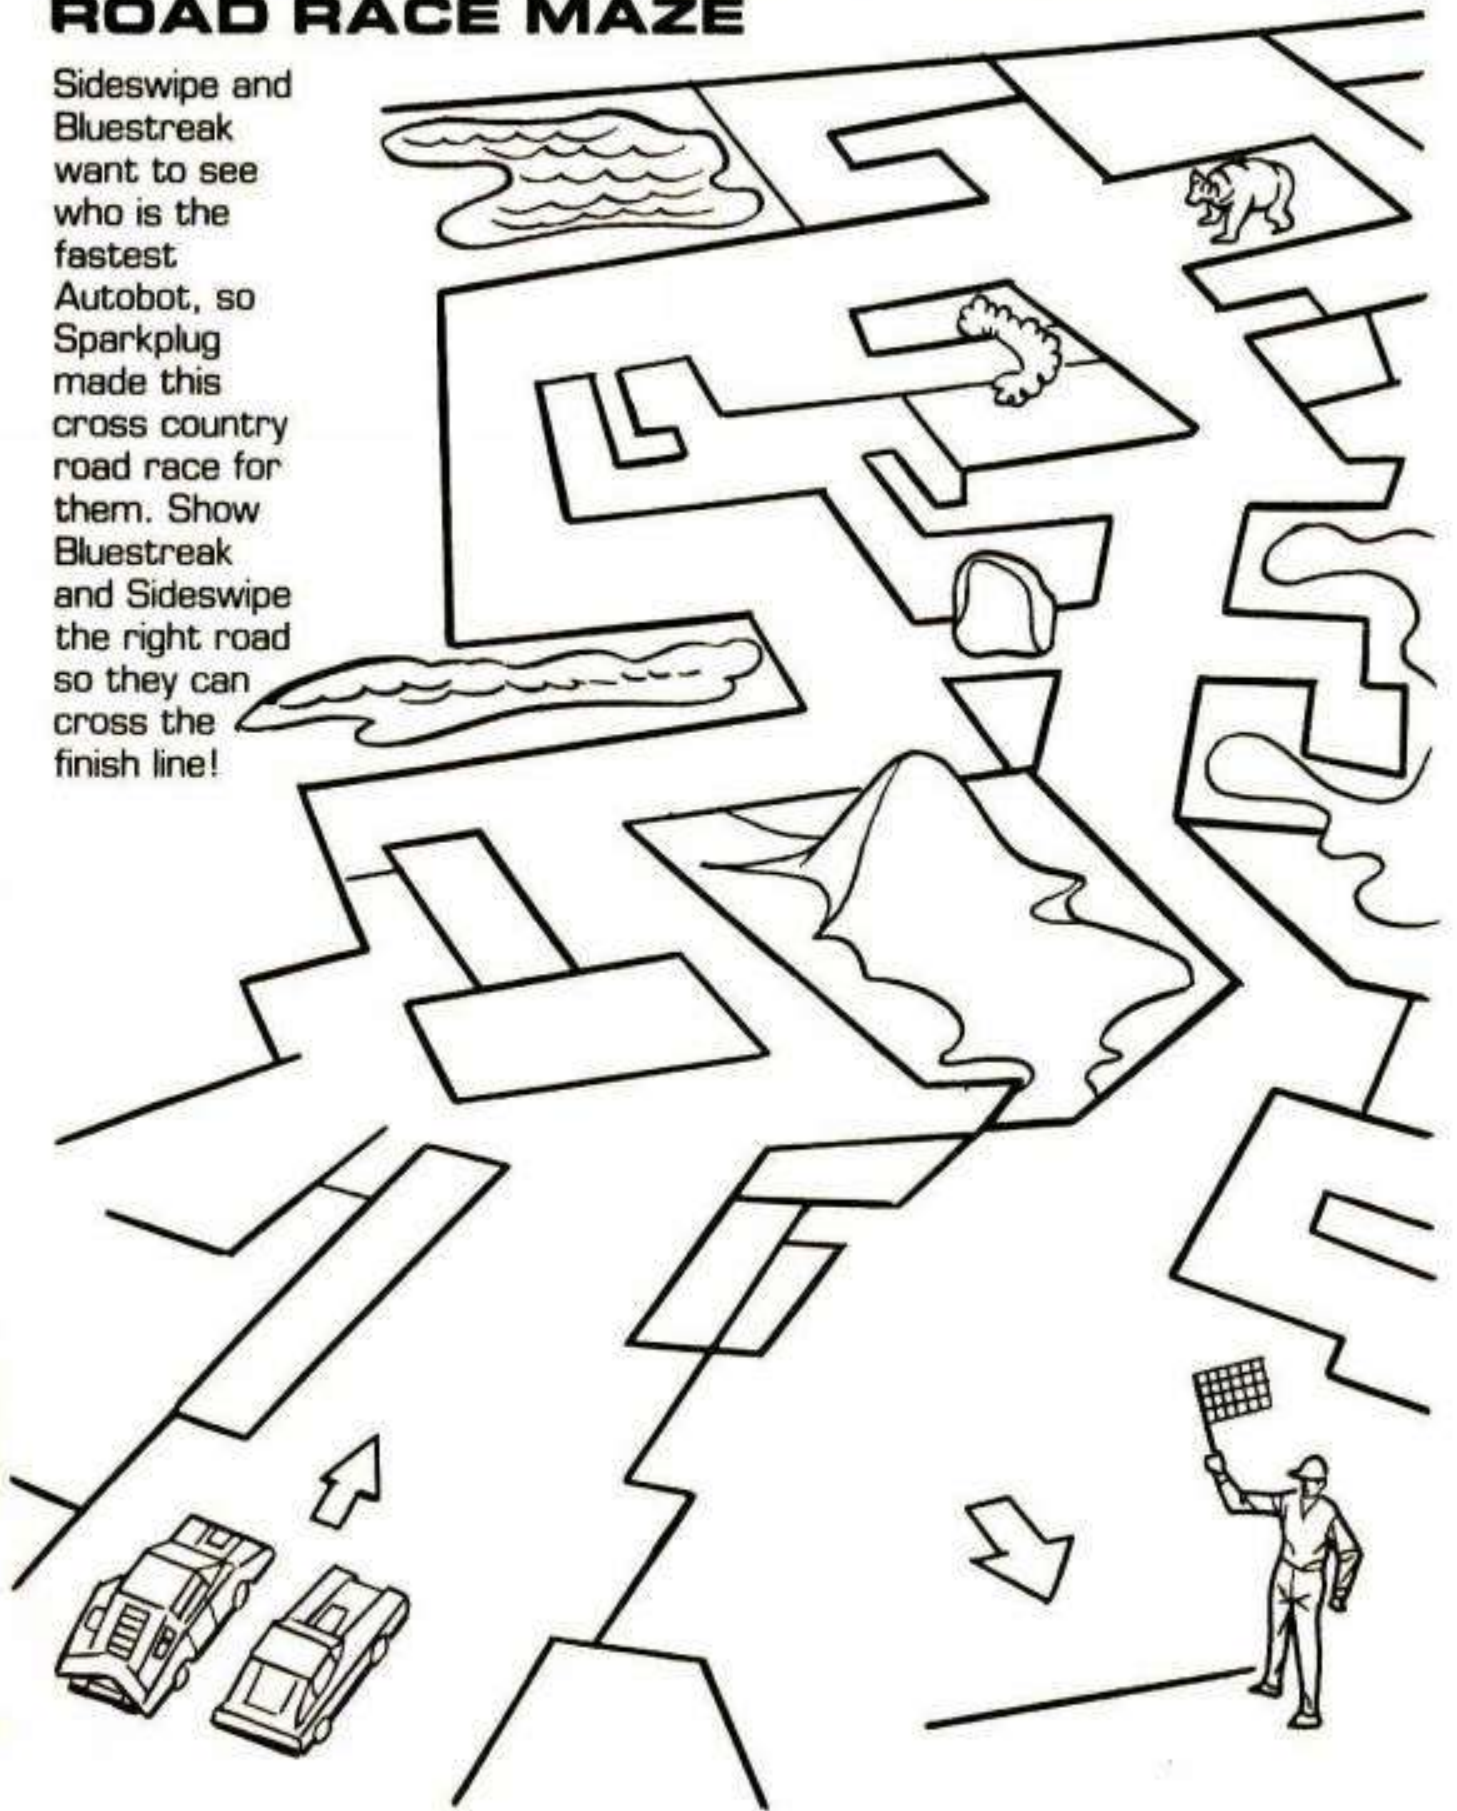

"With the Autobots behind bars, we can rule earth forever!" says Megatron.

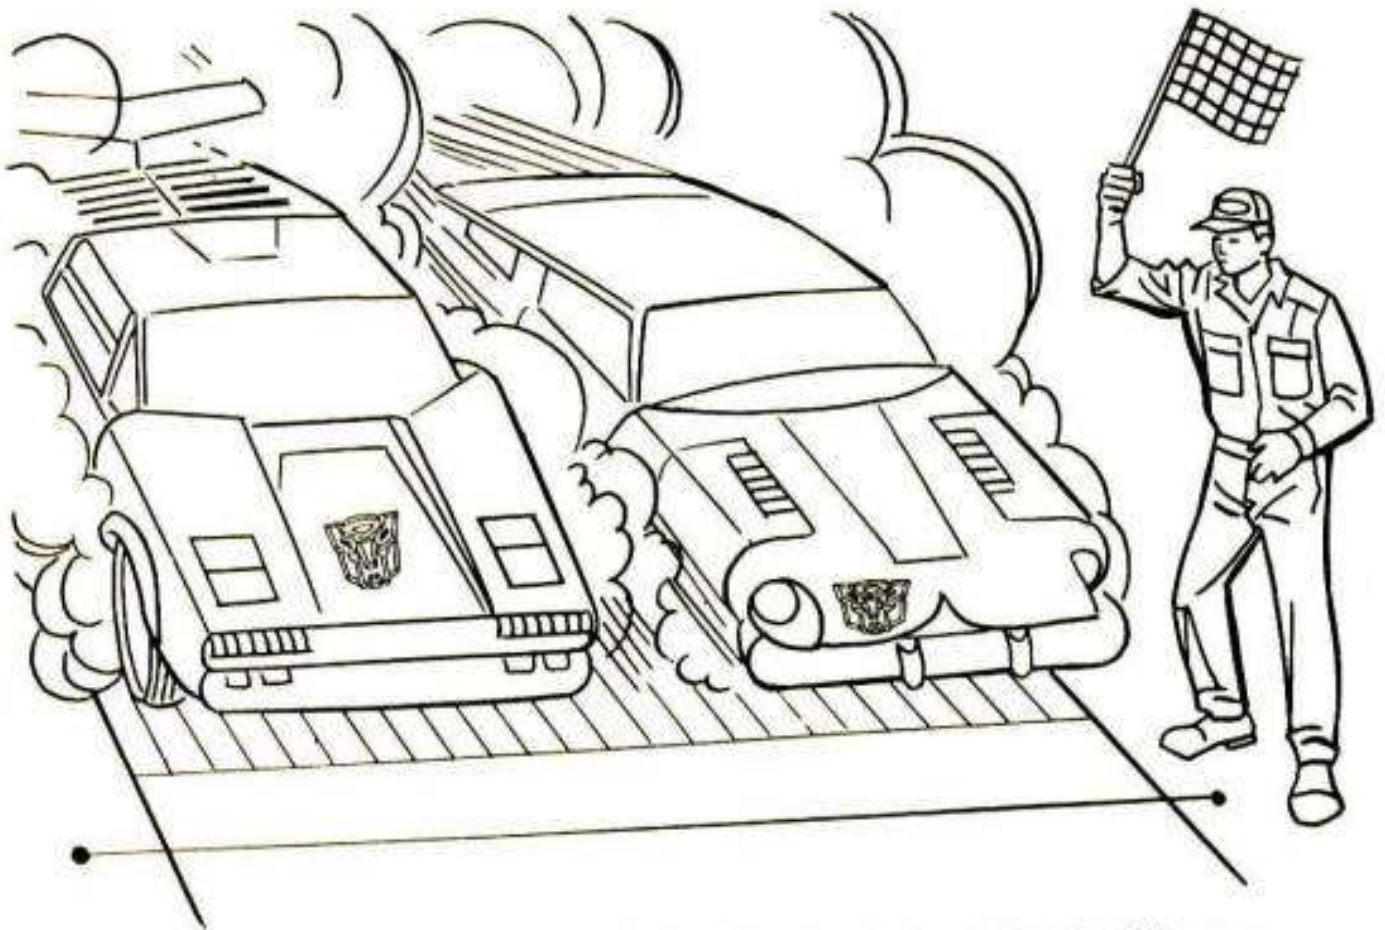

# SPARKPLUG'S CROSS COUNTRY ROAD RACE MAZE

Sideswipe and Bluestreak want to see who is the fastest Autobot, so Sparkplug made this cross country road race for them. Show Bluestreak and Sideswipe the right road so they can cross the finish line!

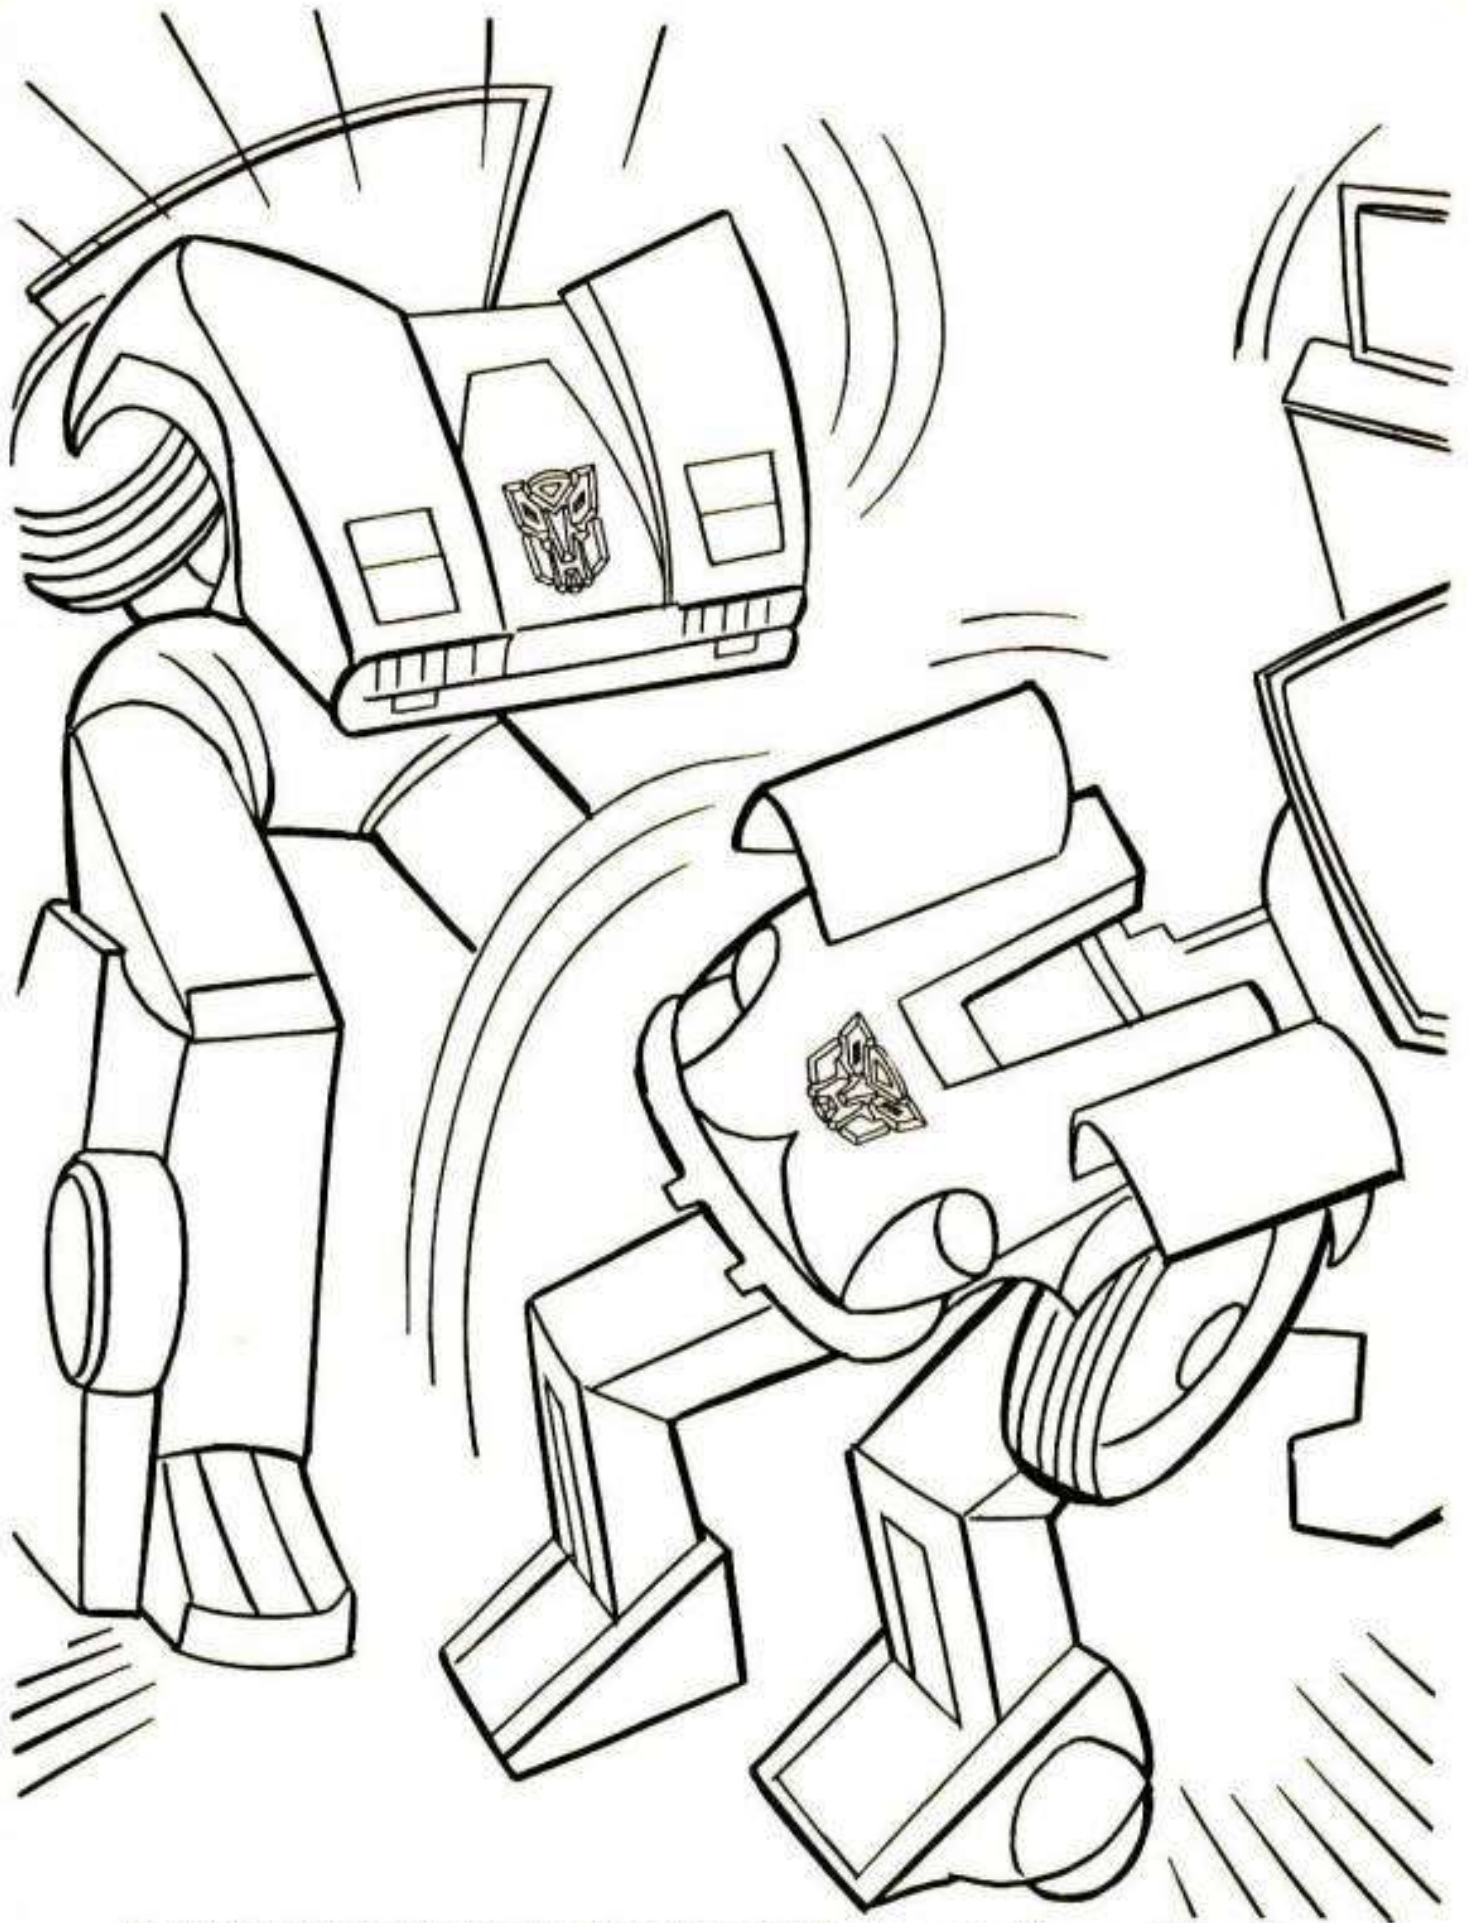

"This will prove once and for all that I'm the fastest Autobot!" says Sideswipe. "That's what you think!" says Bluestreak.

"It's a photo finish!" shouts Sparkplug.

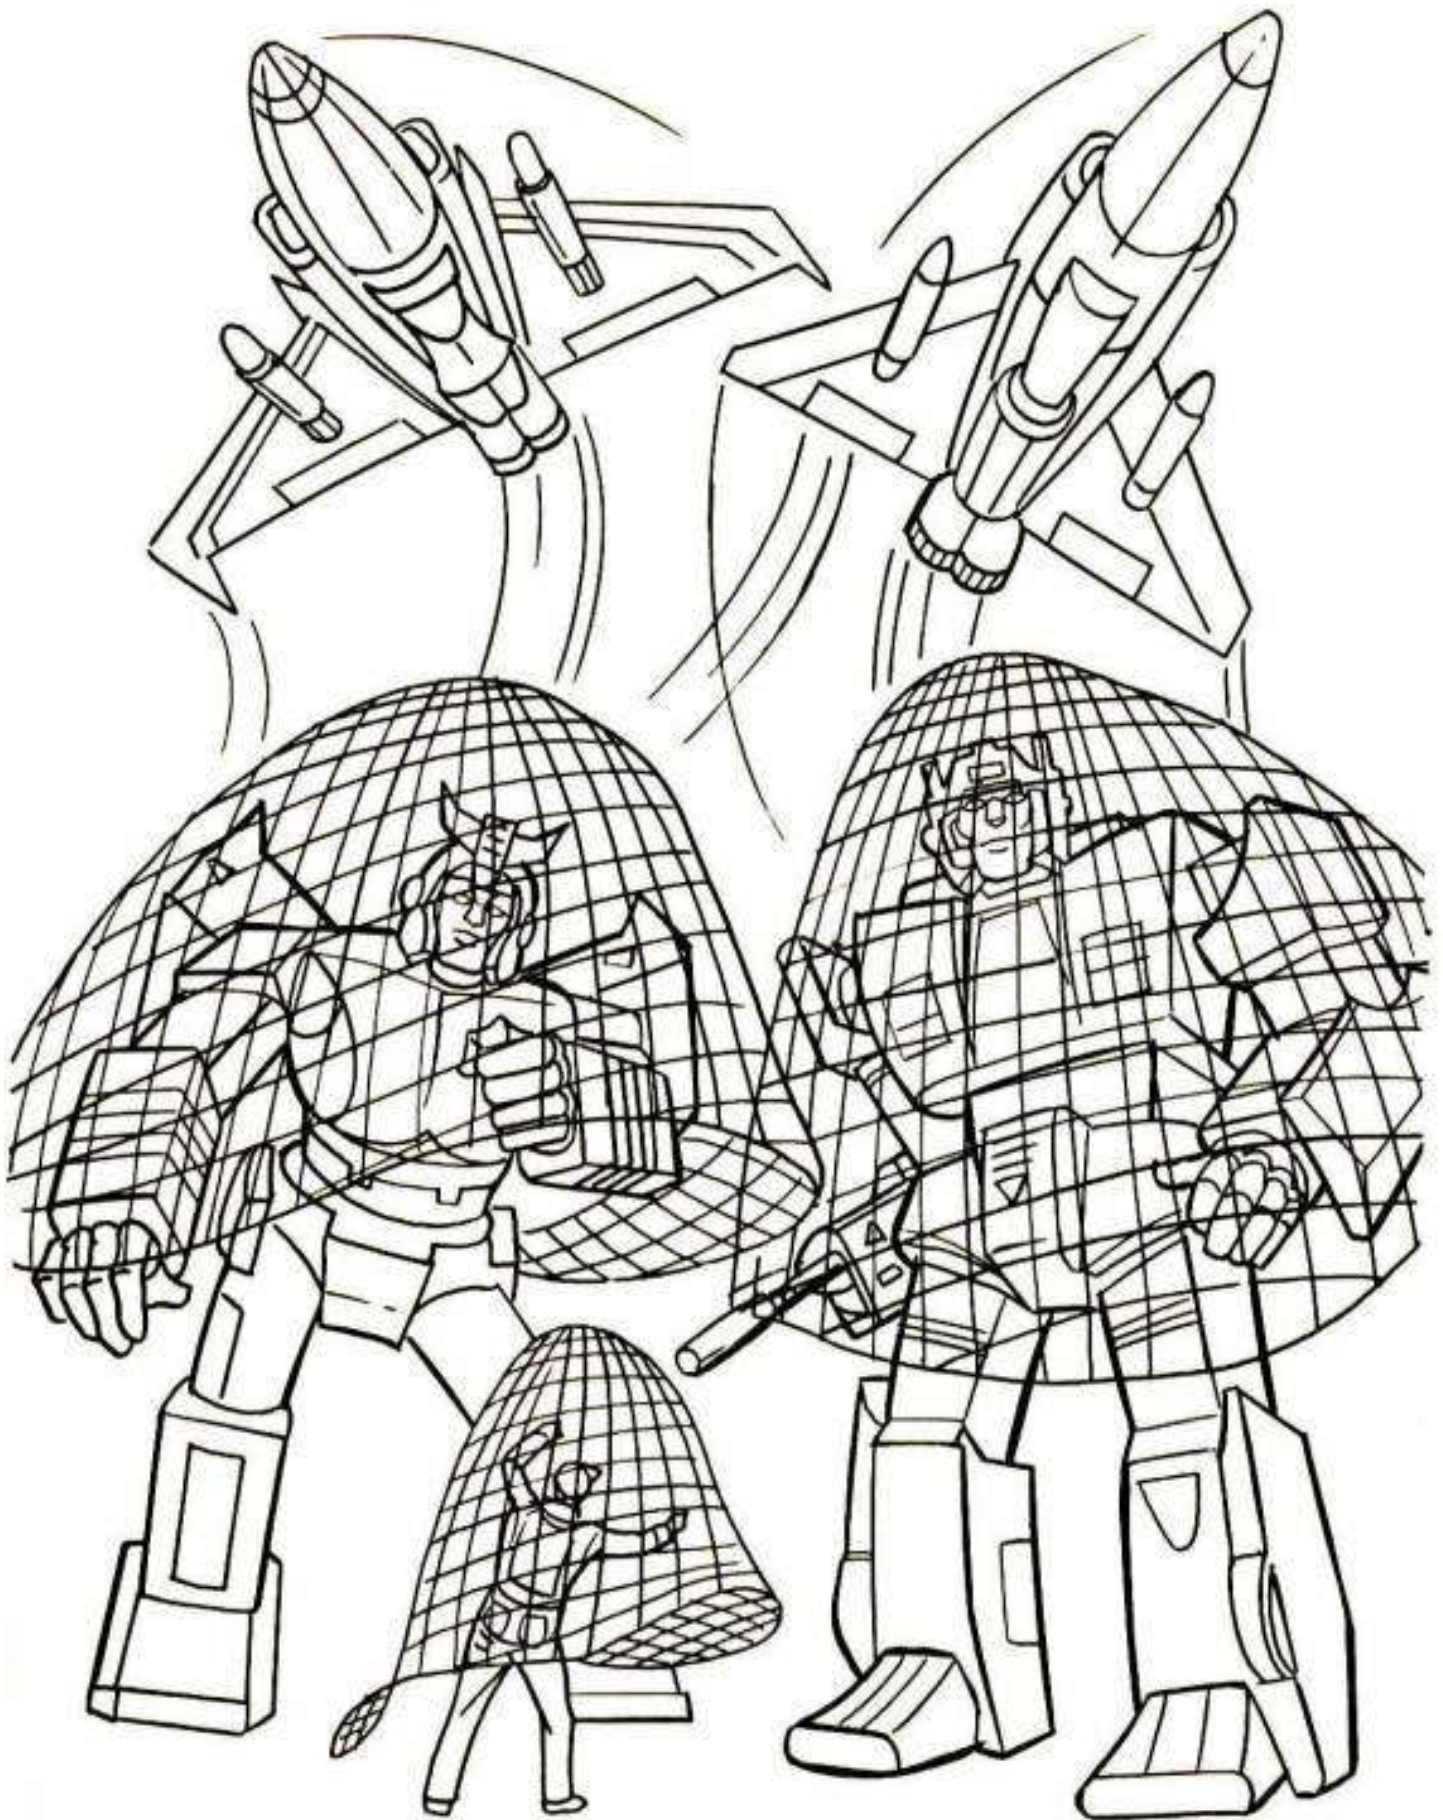

"I won!" says Bluestreak. "No, you didn't slowpoke!" says Sideswipe.  
"I won!"

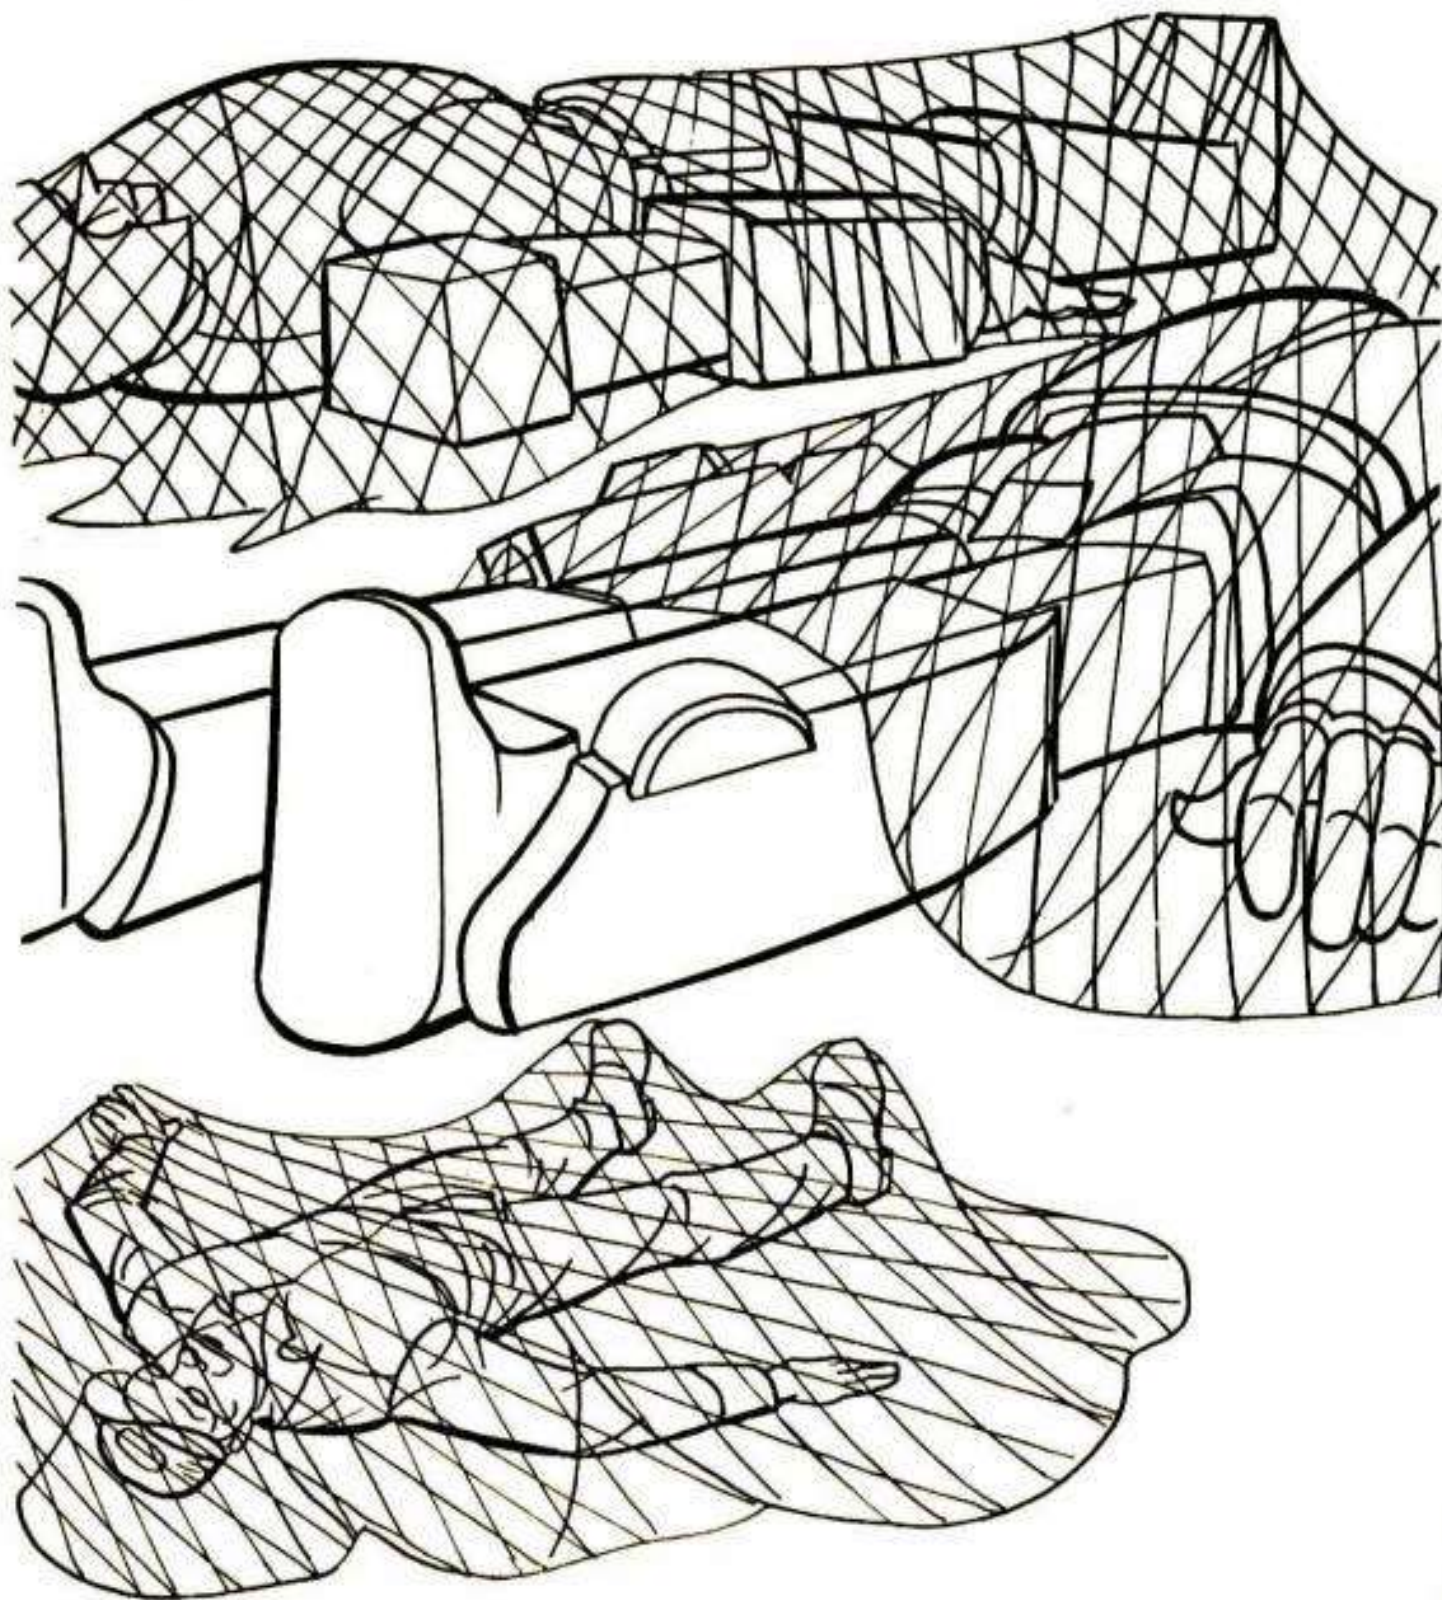

"Look at the photo of the finish! It's a tie!" says Sparkplug. "You both won!"

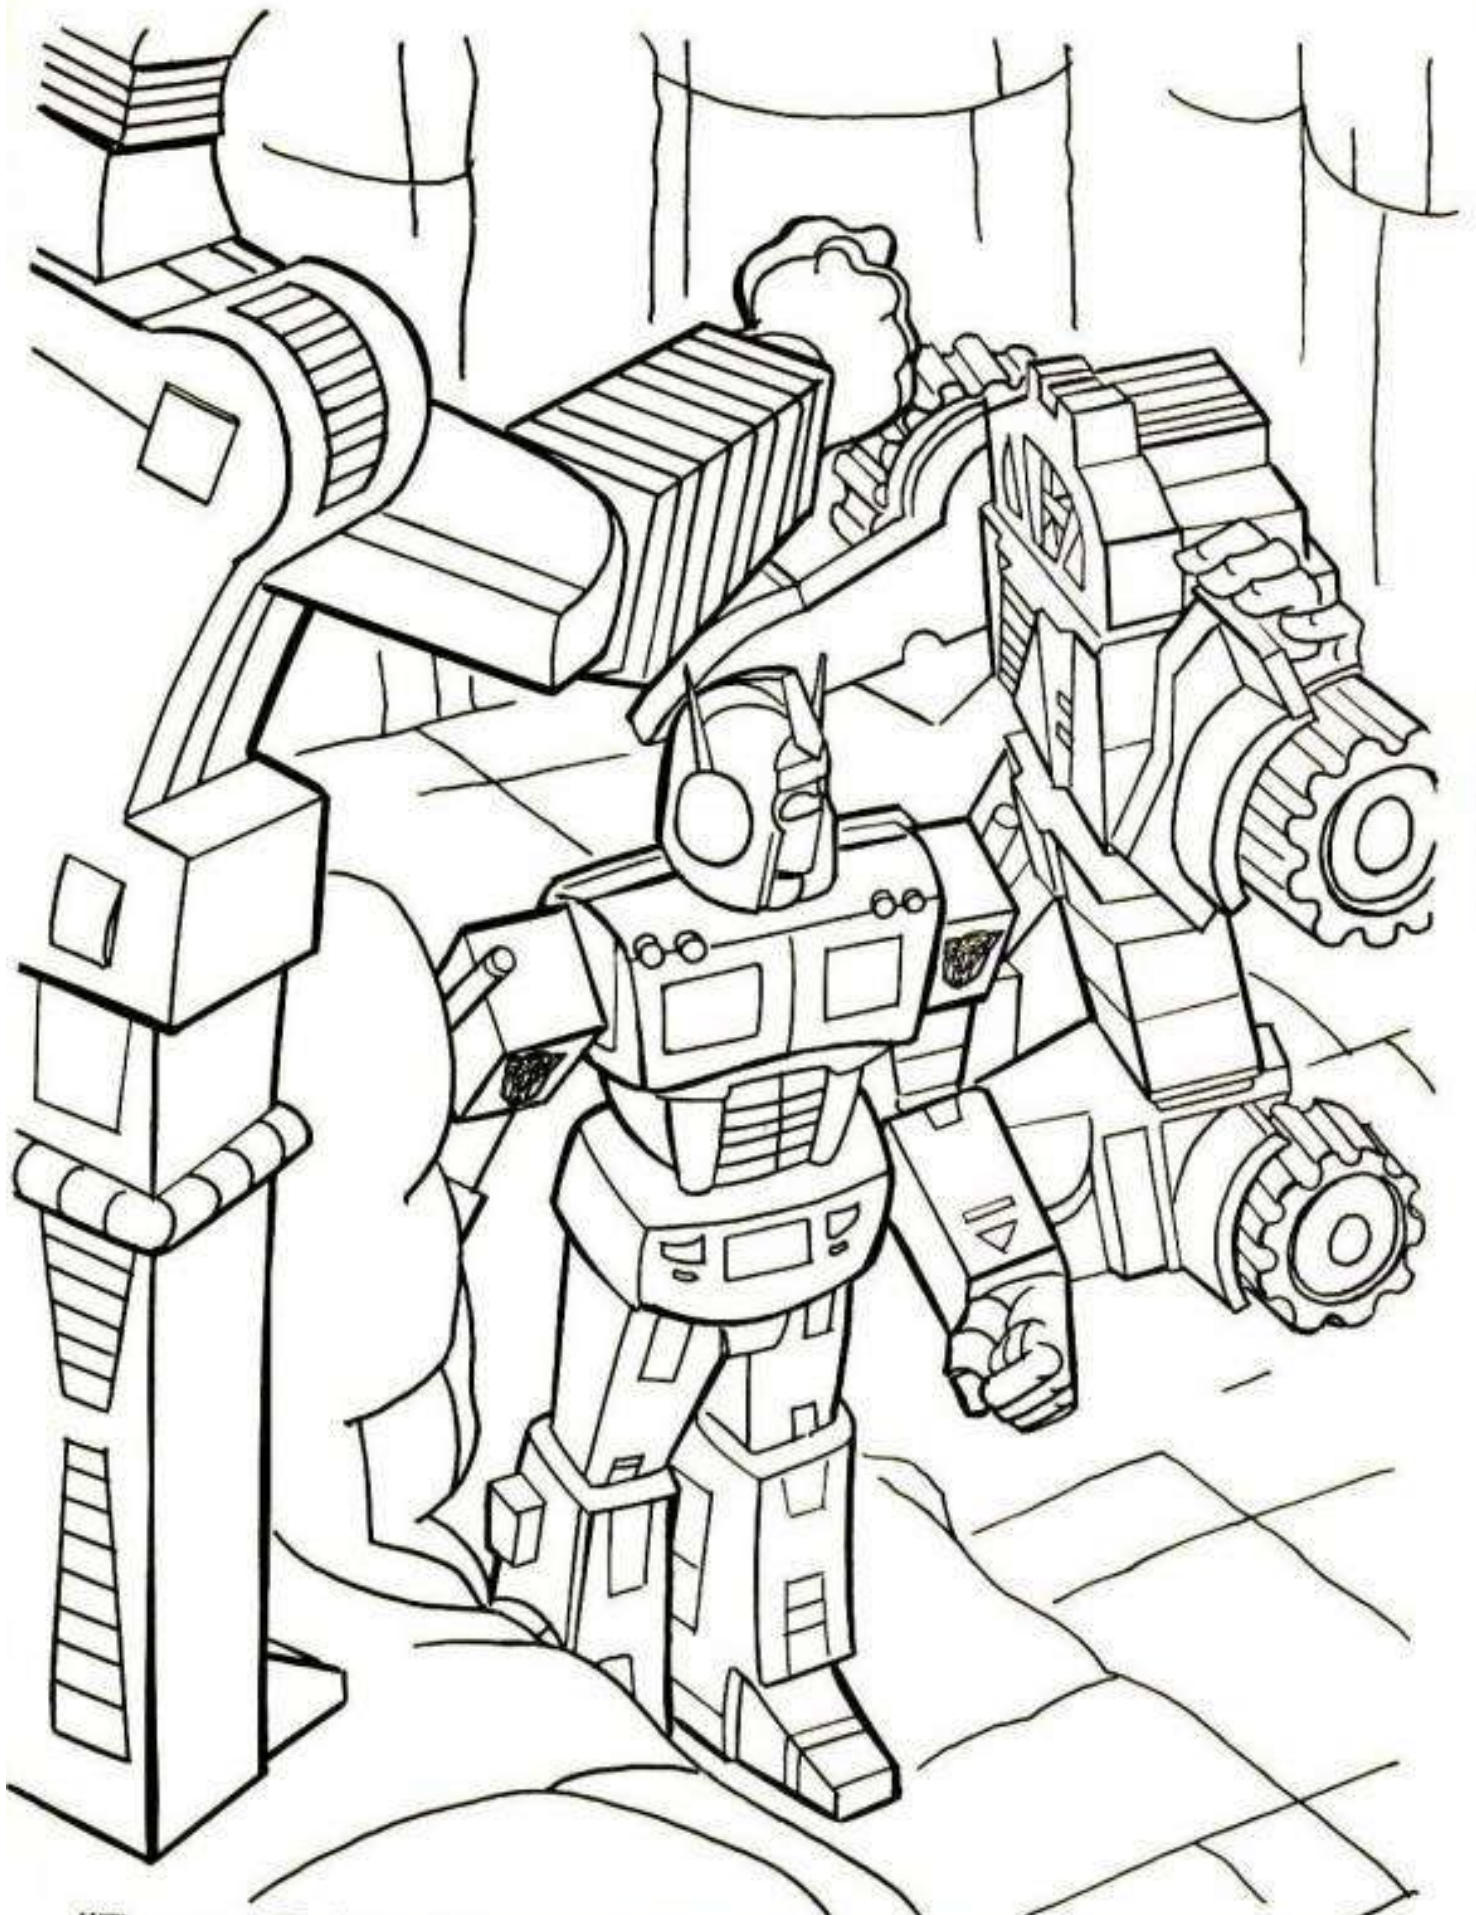

"No!" says Starscream. "You both lost! These Sleep Nets will knock you out!"

"The nets are shutting us down!" say the Autobots. "We can't stay awake!" "ZZZZZZZ!" snores Sparkplug.

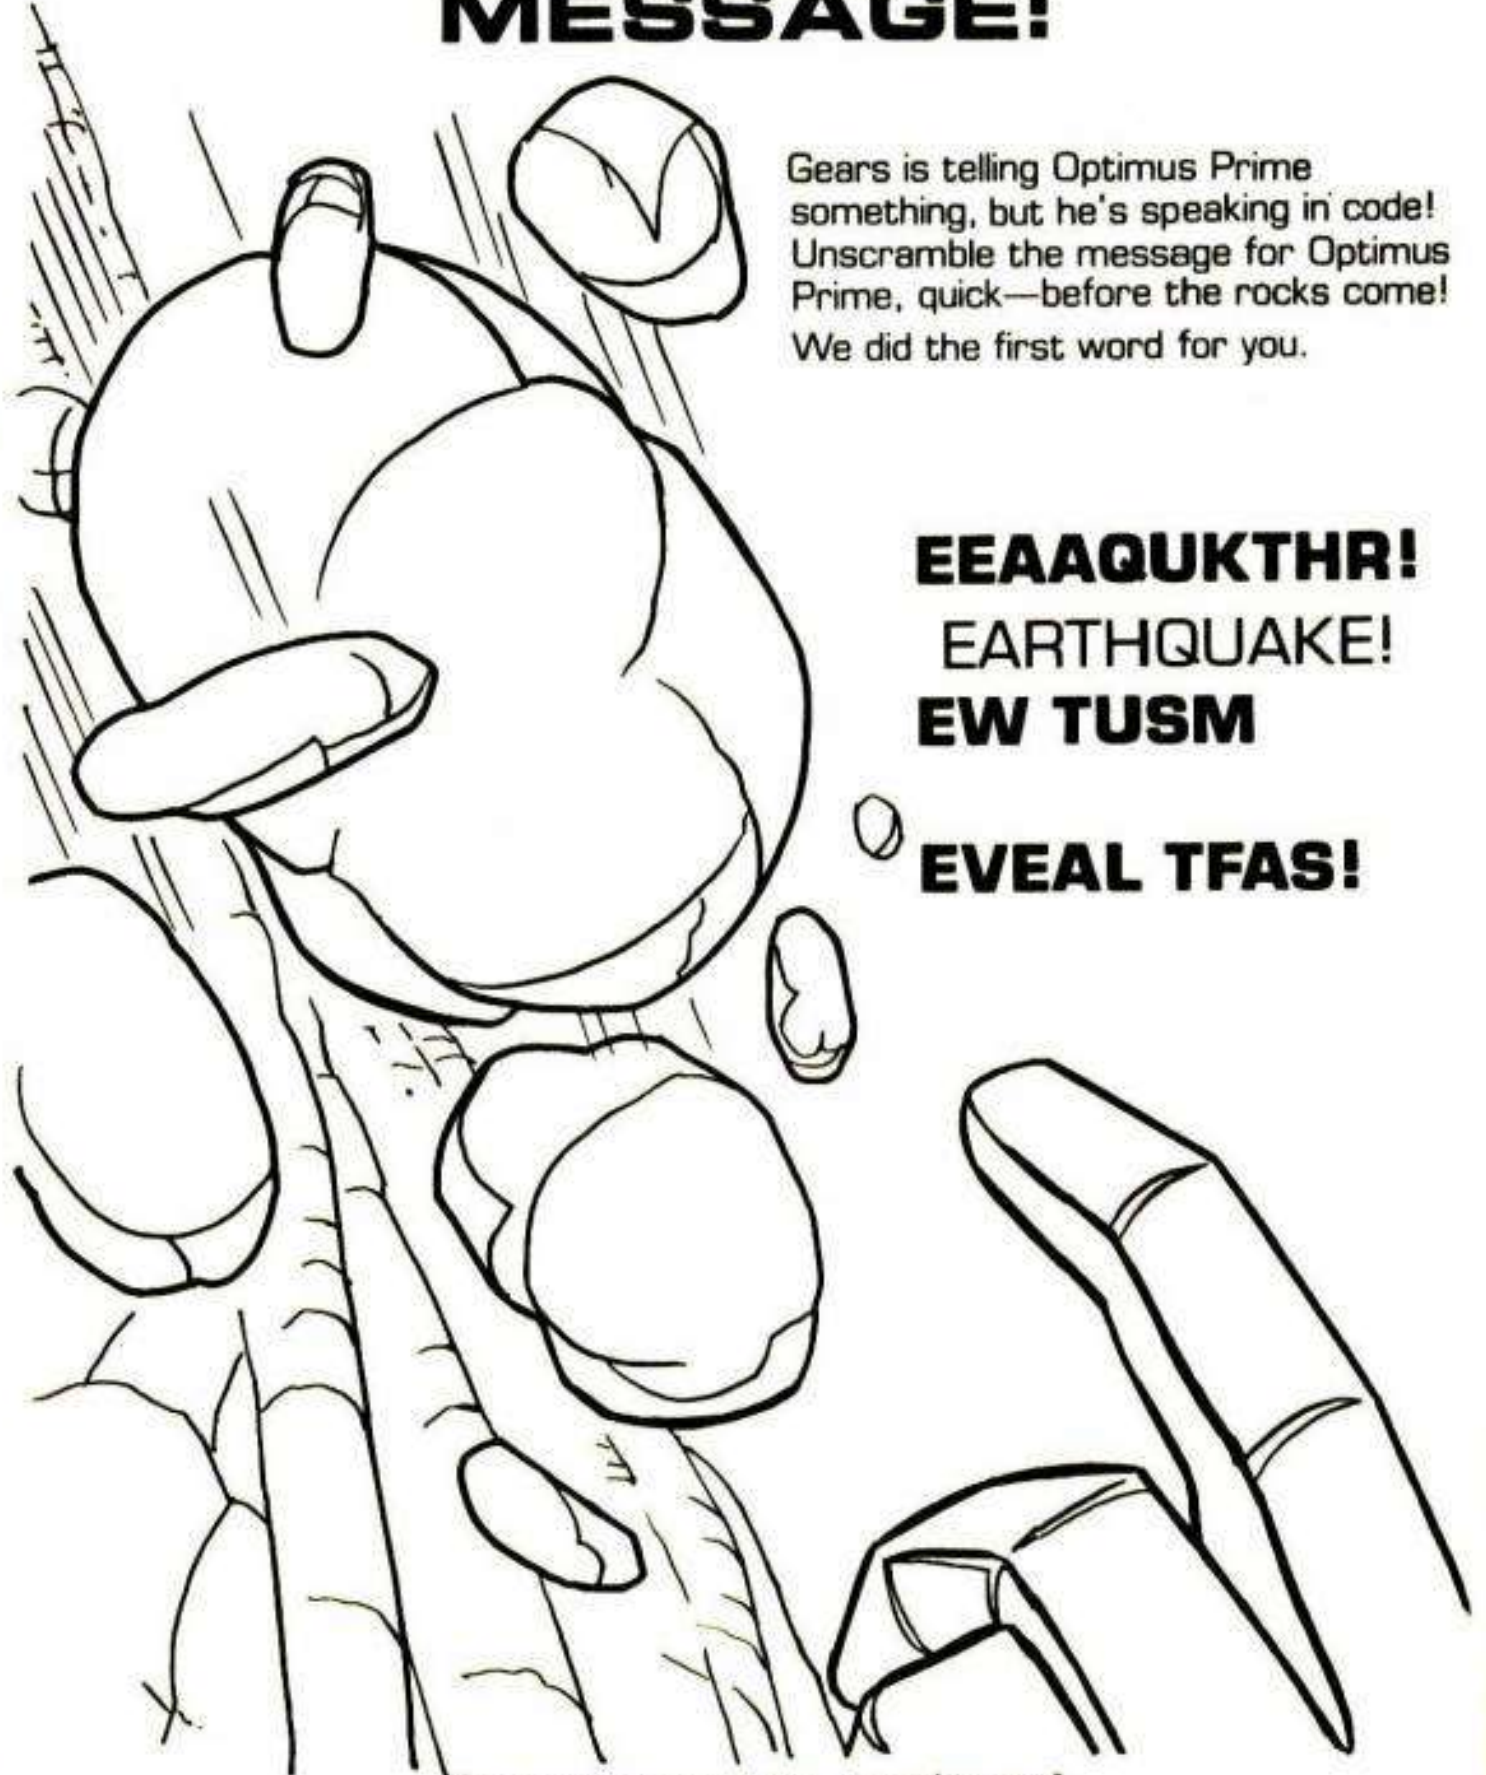

"There are Optimus Prime and Gears!" says Rumble. "I'll trap them with my earthquake power!"

# GEARS' SCRAMBLED MESSAGE!

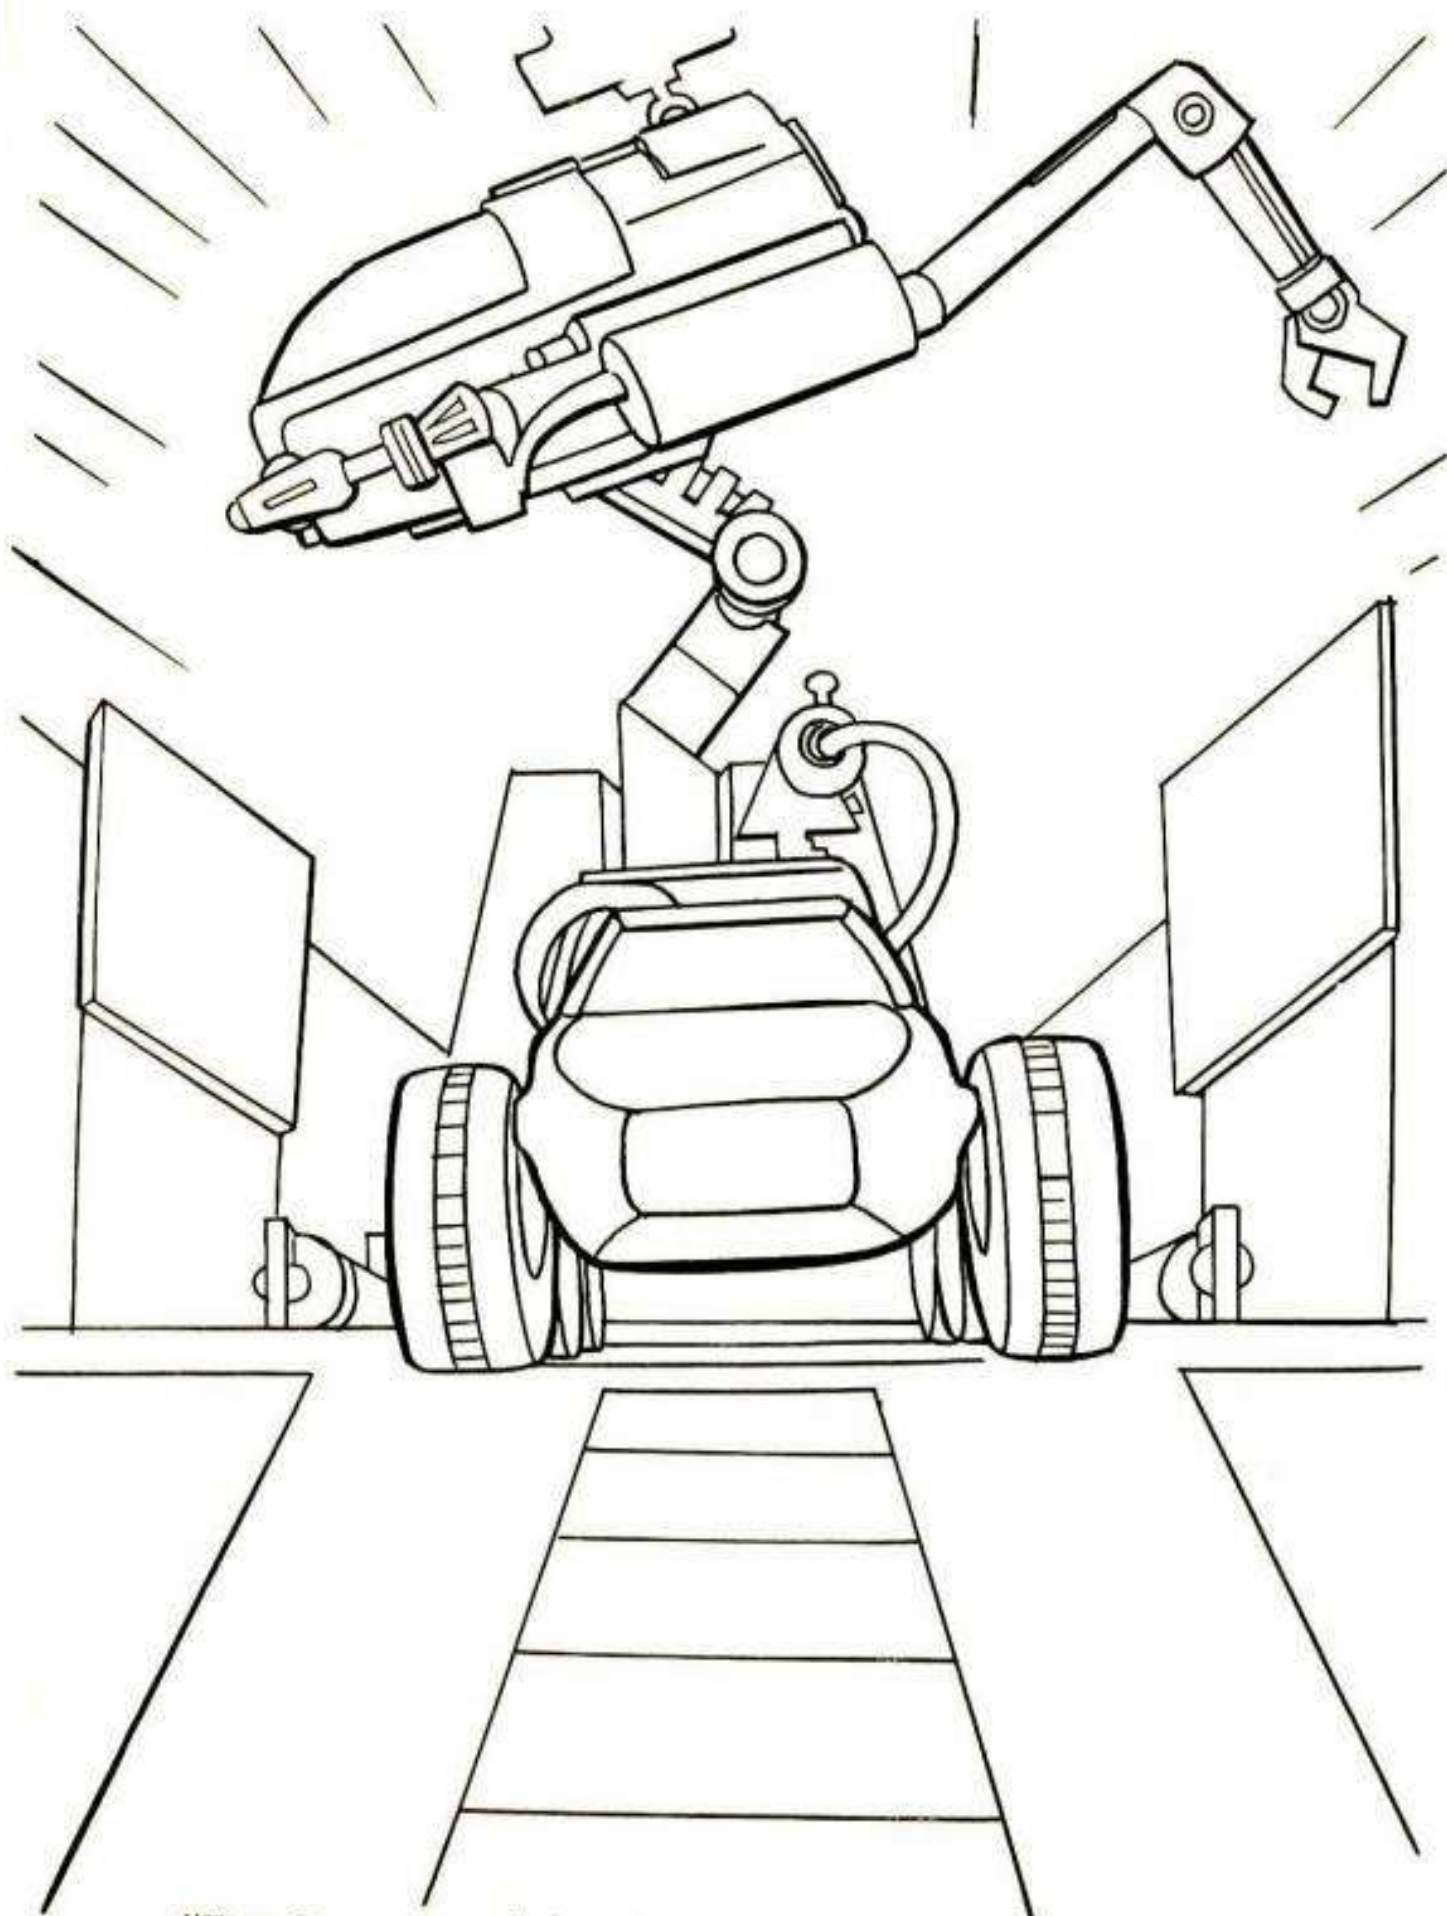

Gears is telling Optimus Prime something, but he's speaking in code! Unscramble the message for Optimus Prime, quick—before the rocks come! We did the first word for you.

**EAAQUKTHR!**  
**EARTHQUAKE!**  
**EW TUSM**  
**EVEAL TFAS!**

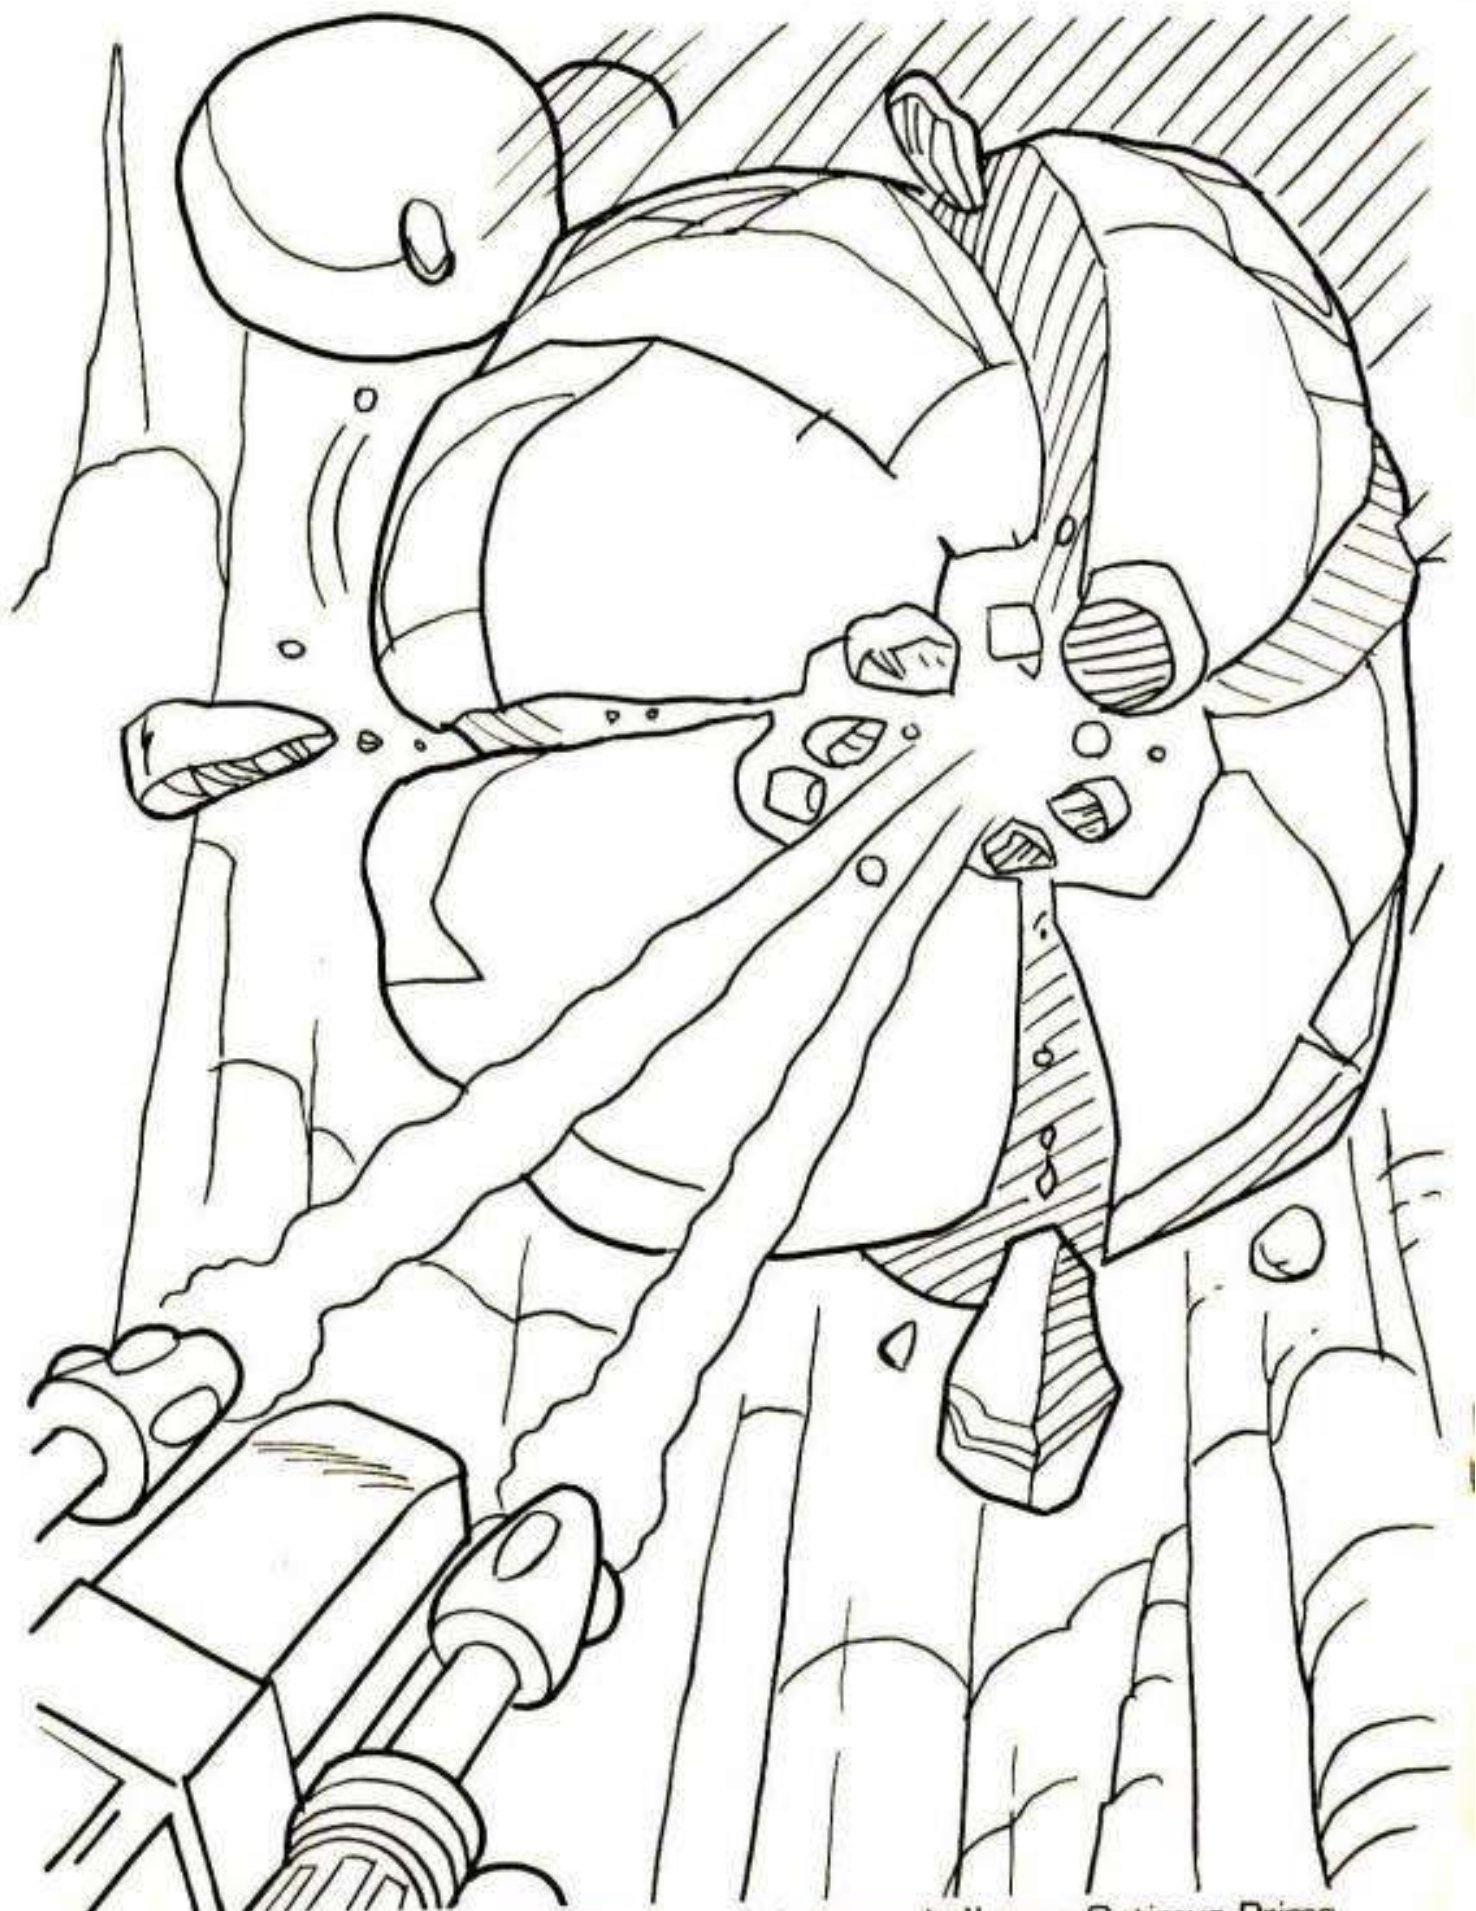

[Earthquake! We must leave fast!]

"Time for me to split into three parts!" says Optimus Prime.

"My Combat Deck will take care of these rocks" says Optimus Prime.

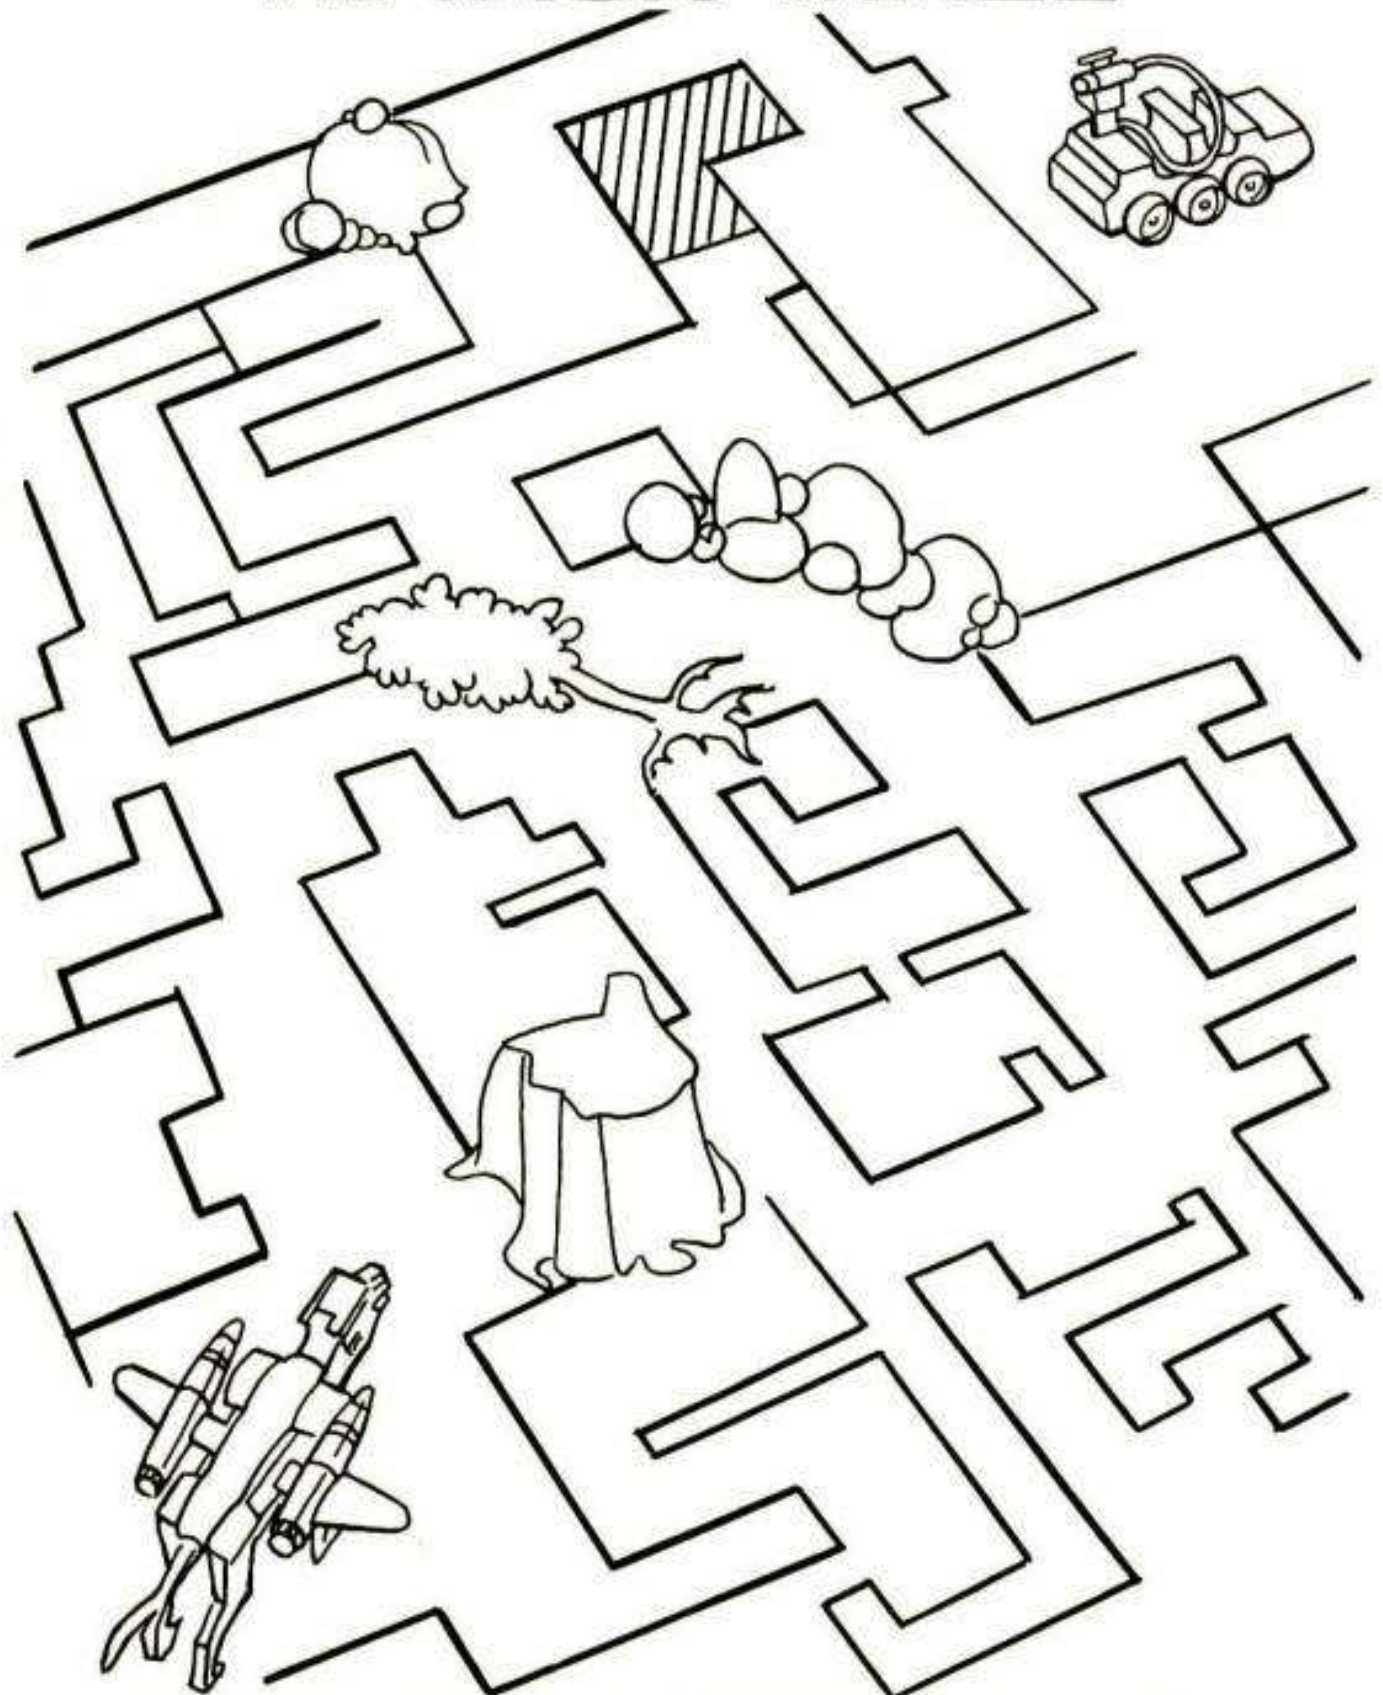

"This earthquake was no accident!" says Optimus Prime. "We must move these rocks and escape before the Decepticons attack!"

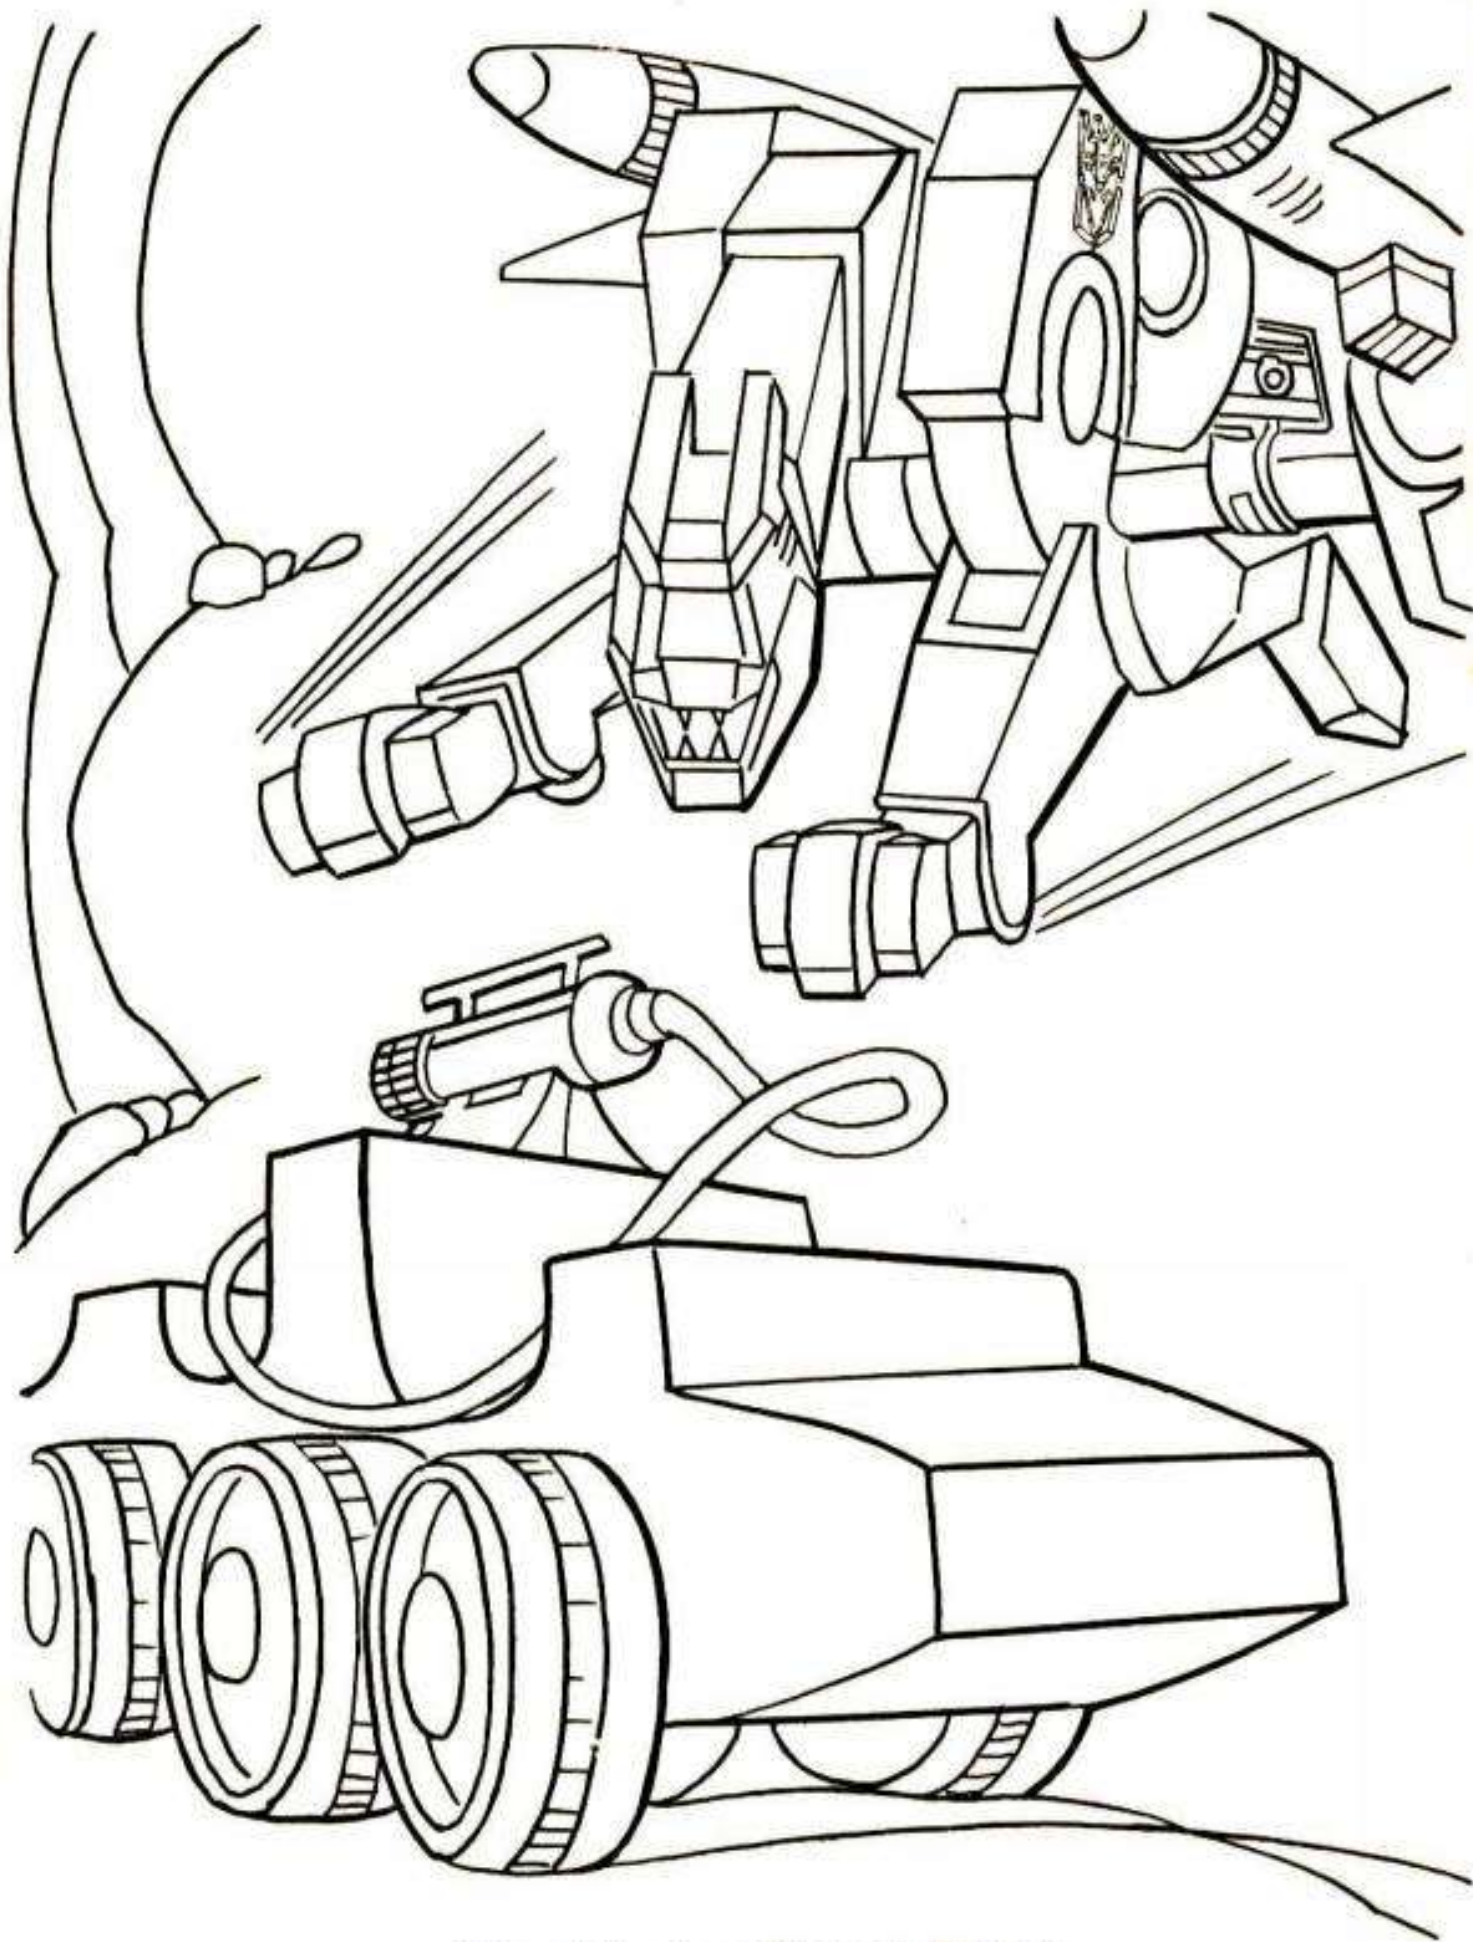

# RAVAGE'S SNEAK ATTACK MAZE

Ravage is sneaking up on Optimus Prime's Roller scout car! Find out which path he's going to take!

"Growl! I got you!" growls Ravage.

"This will stop you!" says Soundwave. "Oh no! I can't move!" says Gears.

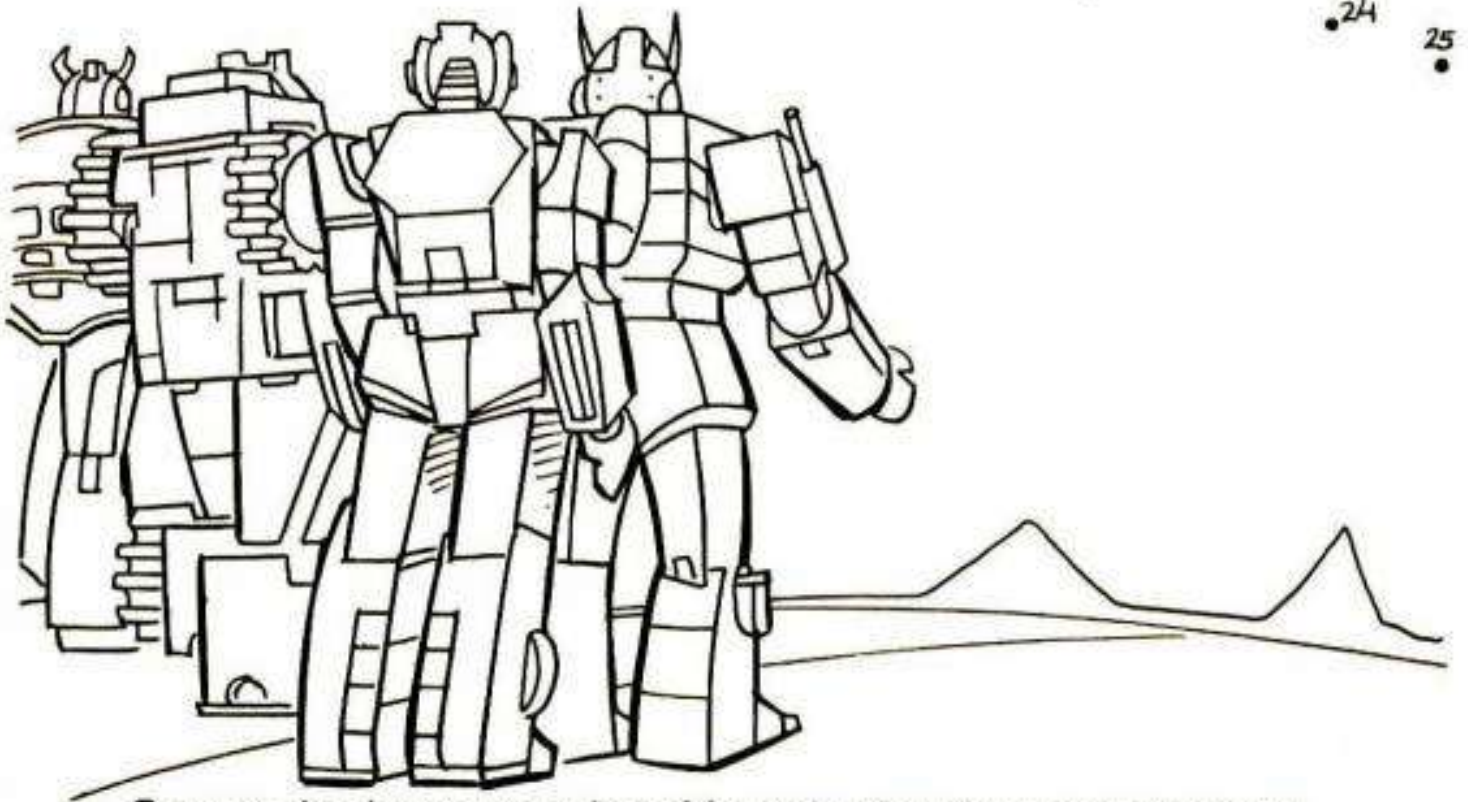

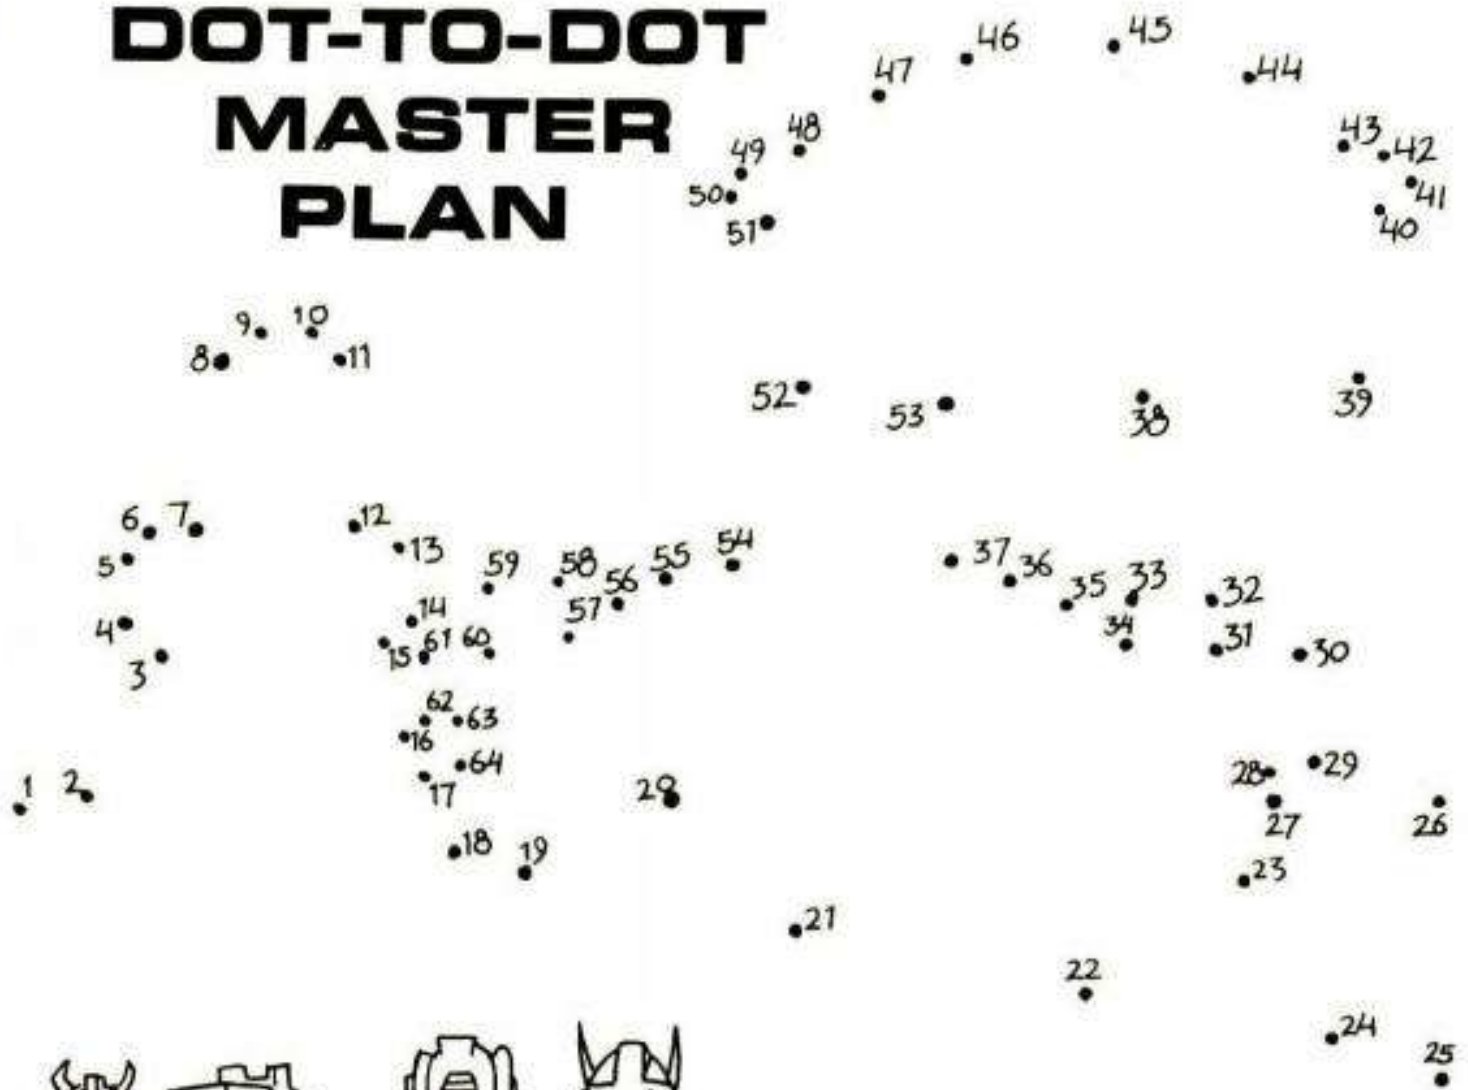

"Surrender, or I'll smash my Autobot prisoners!" says Megatron.  
"I must surrender to save my friends," says Optimus Prime.

# MEGATRON'S DOT-TO-DOT MASTER PLAN

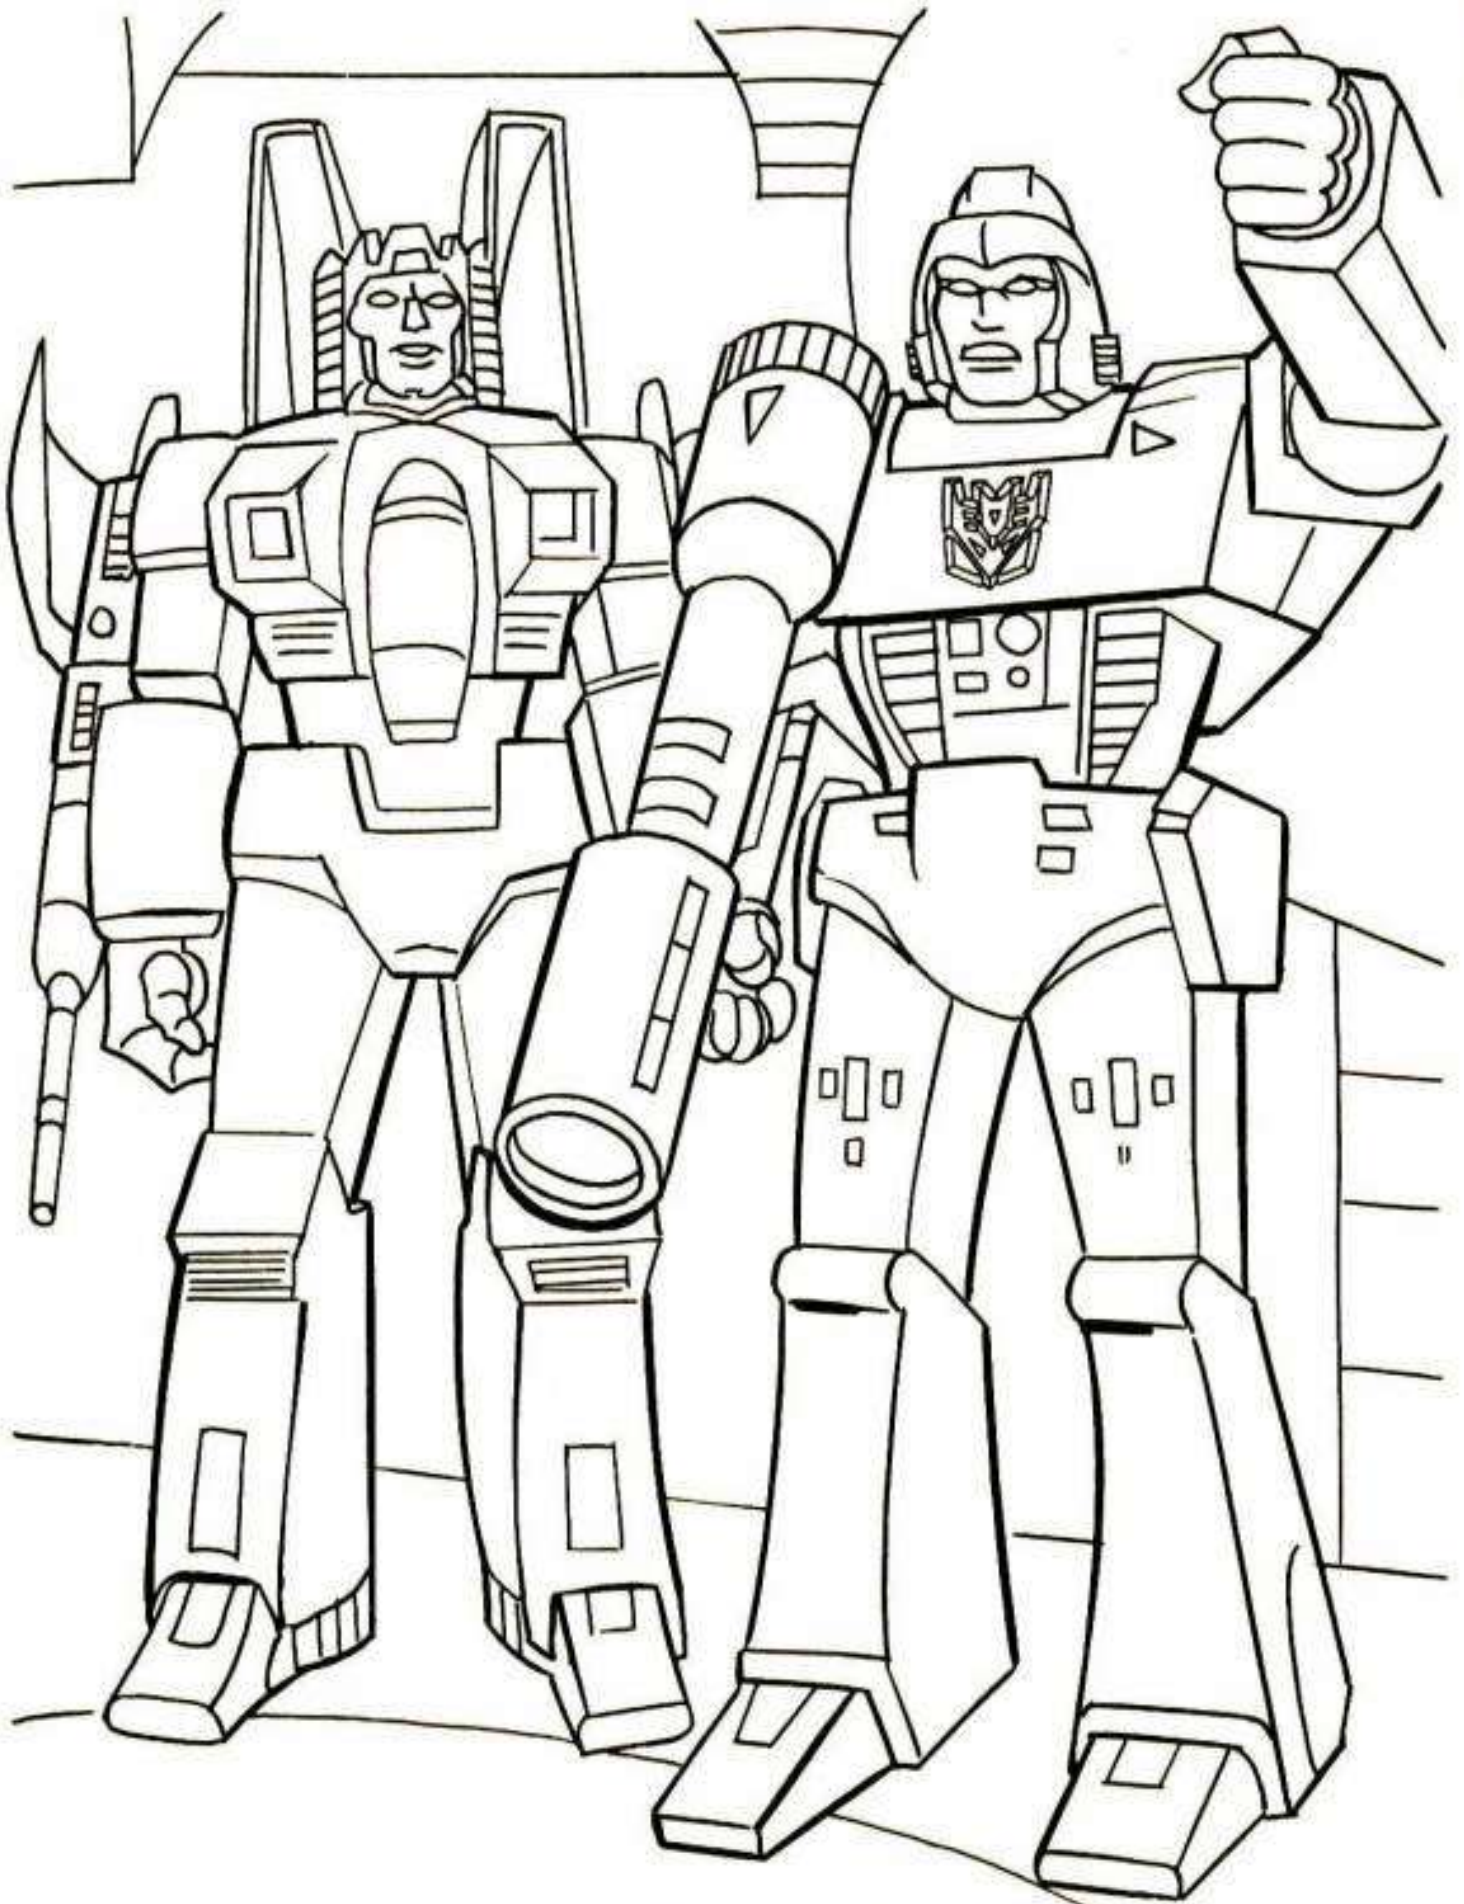

Connect the dots to see where Megatron plans to put the Autobots.  
It's really a bad place to be!

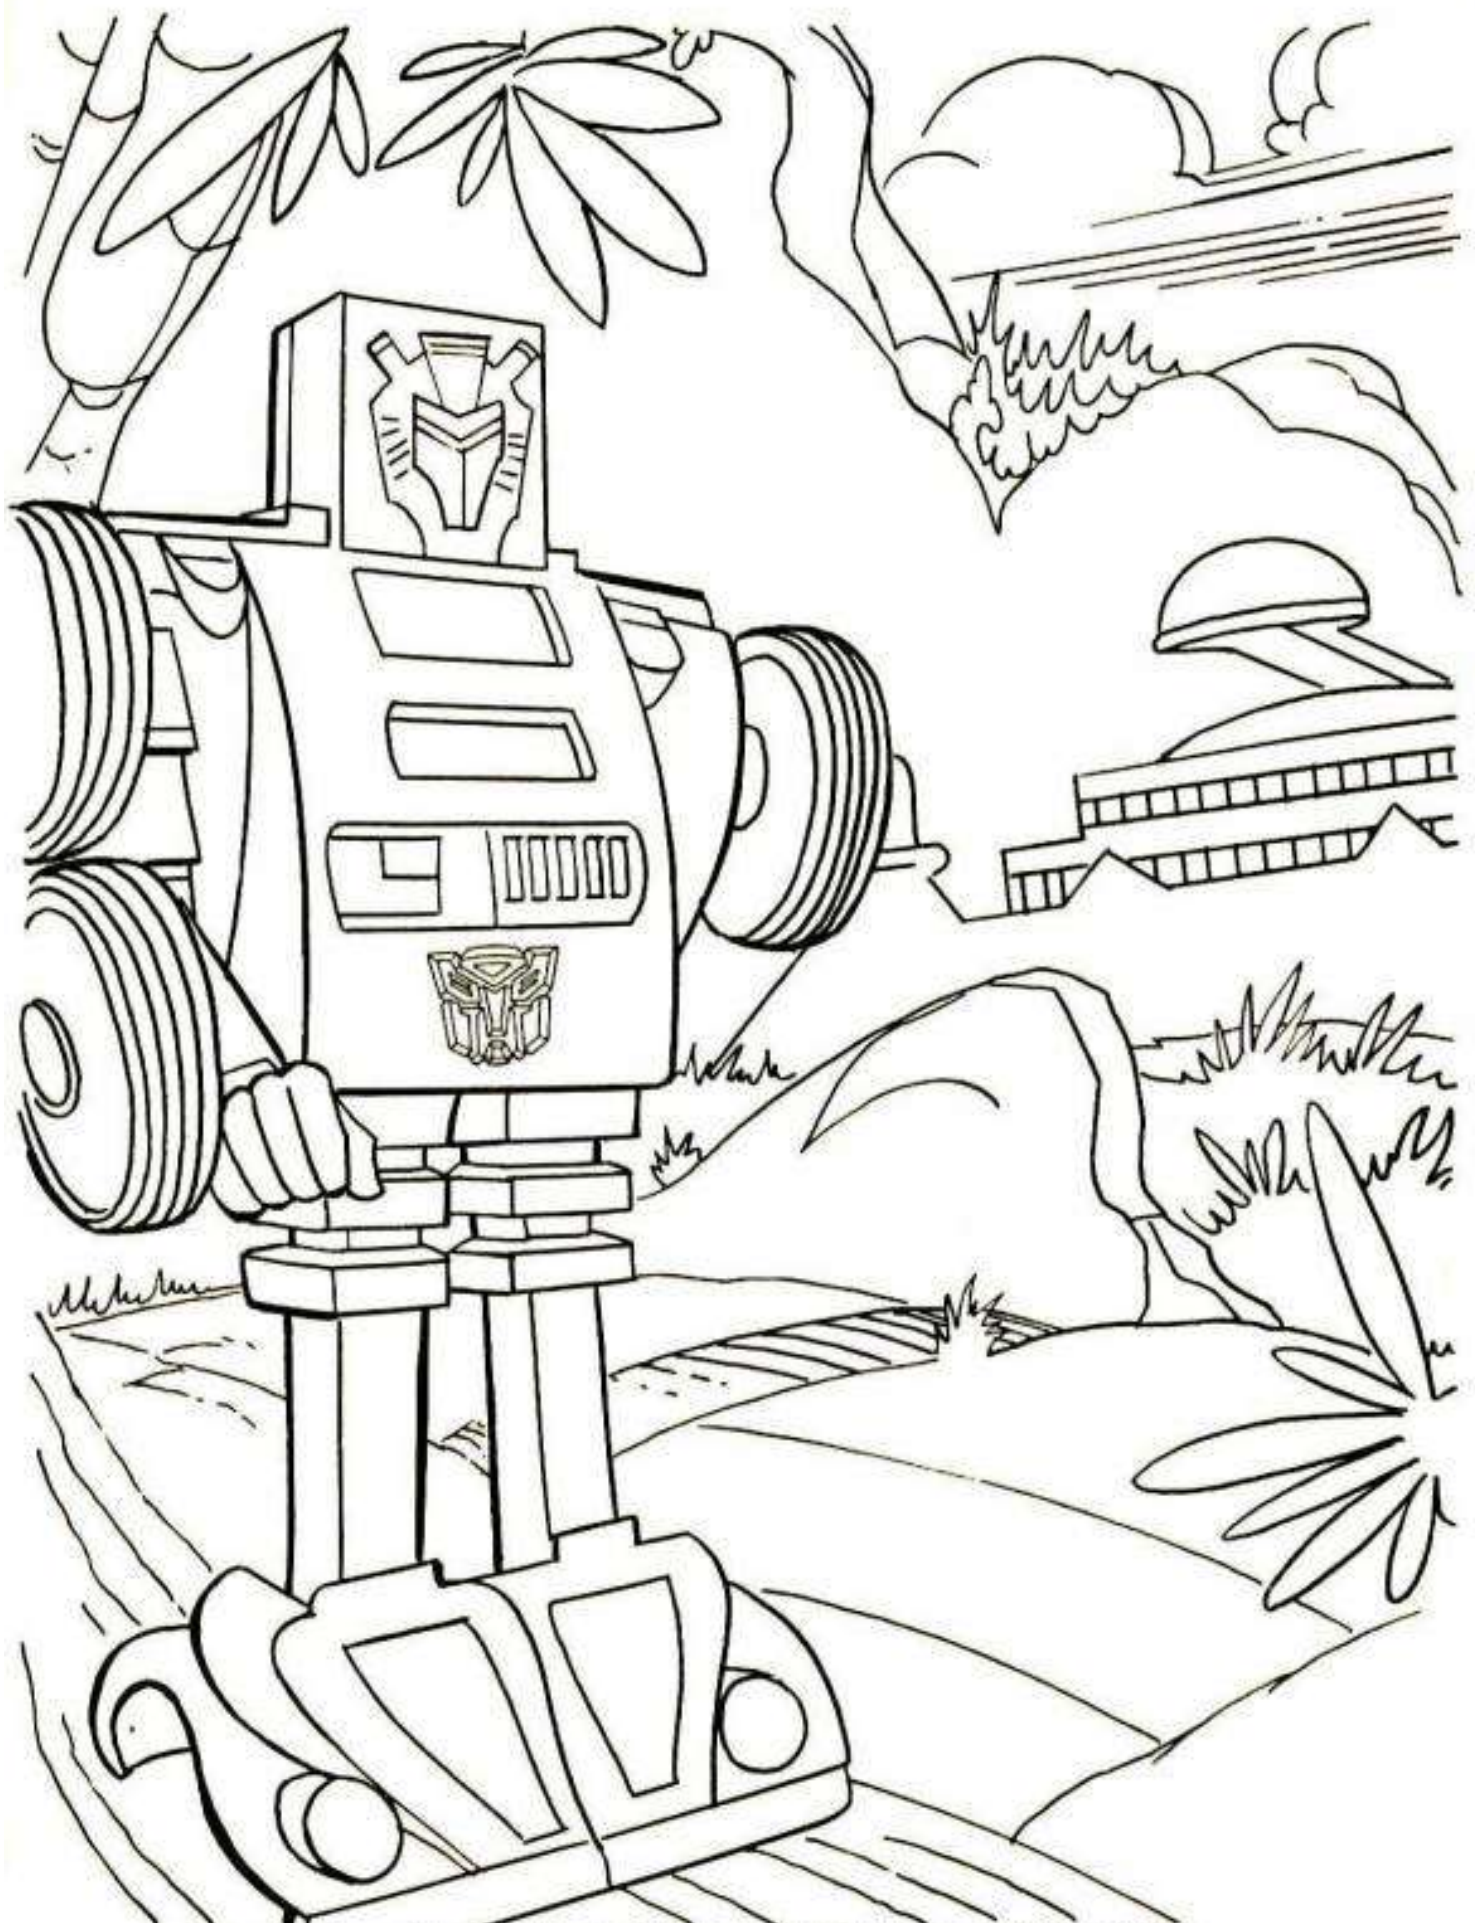

"Oh no! They got Trailbreaker, too!" says Sideswipe.

"The Autobot Bumblebee is still free!" says Starscream.  
"So what?" says Megatron. "He's too small to stop us!"

"I must free the Autobots!" says Bumblebee. "But how?"

# BUMBLEBEE'S CODED MESSAGE PLAN

Bumblebee has an idea on how to free his friends.  
But he wrote it in code so the Decepticons can't read it!  
Help Sparkplug and Spike read the message.  
by unscrambling the words. We did the first one  
to show you how.

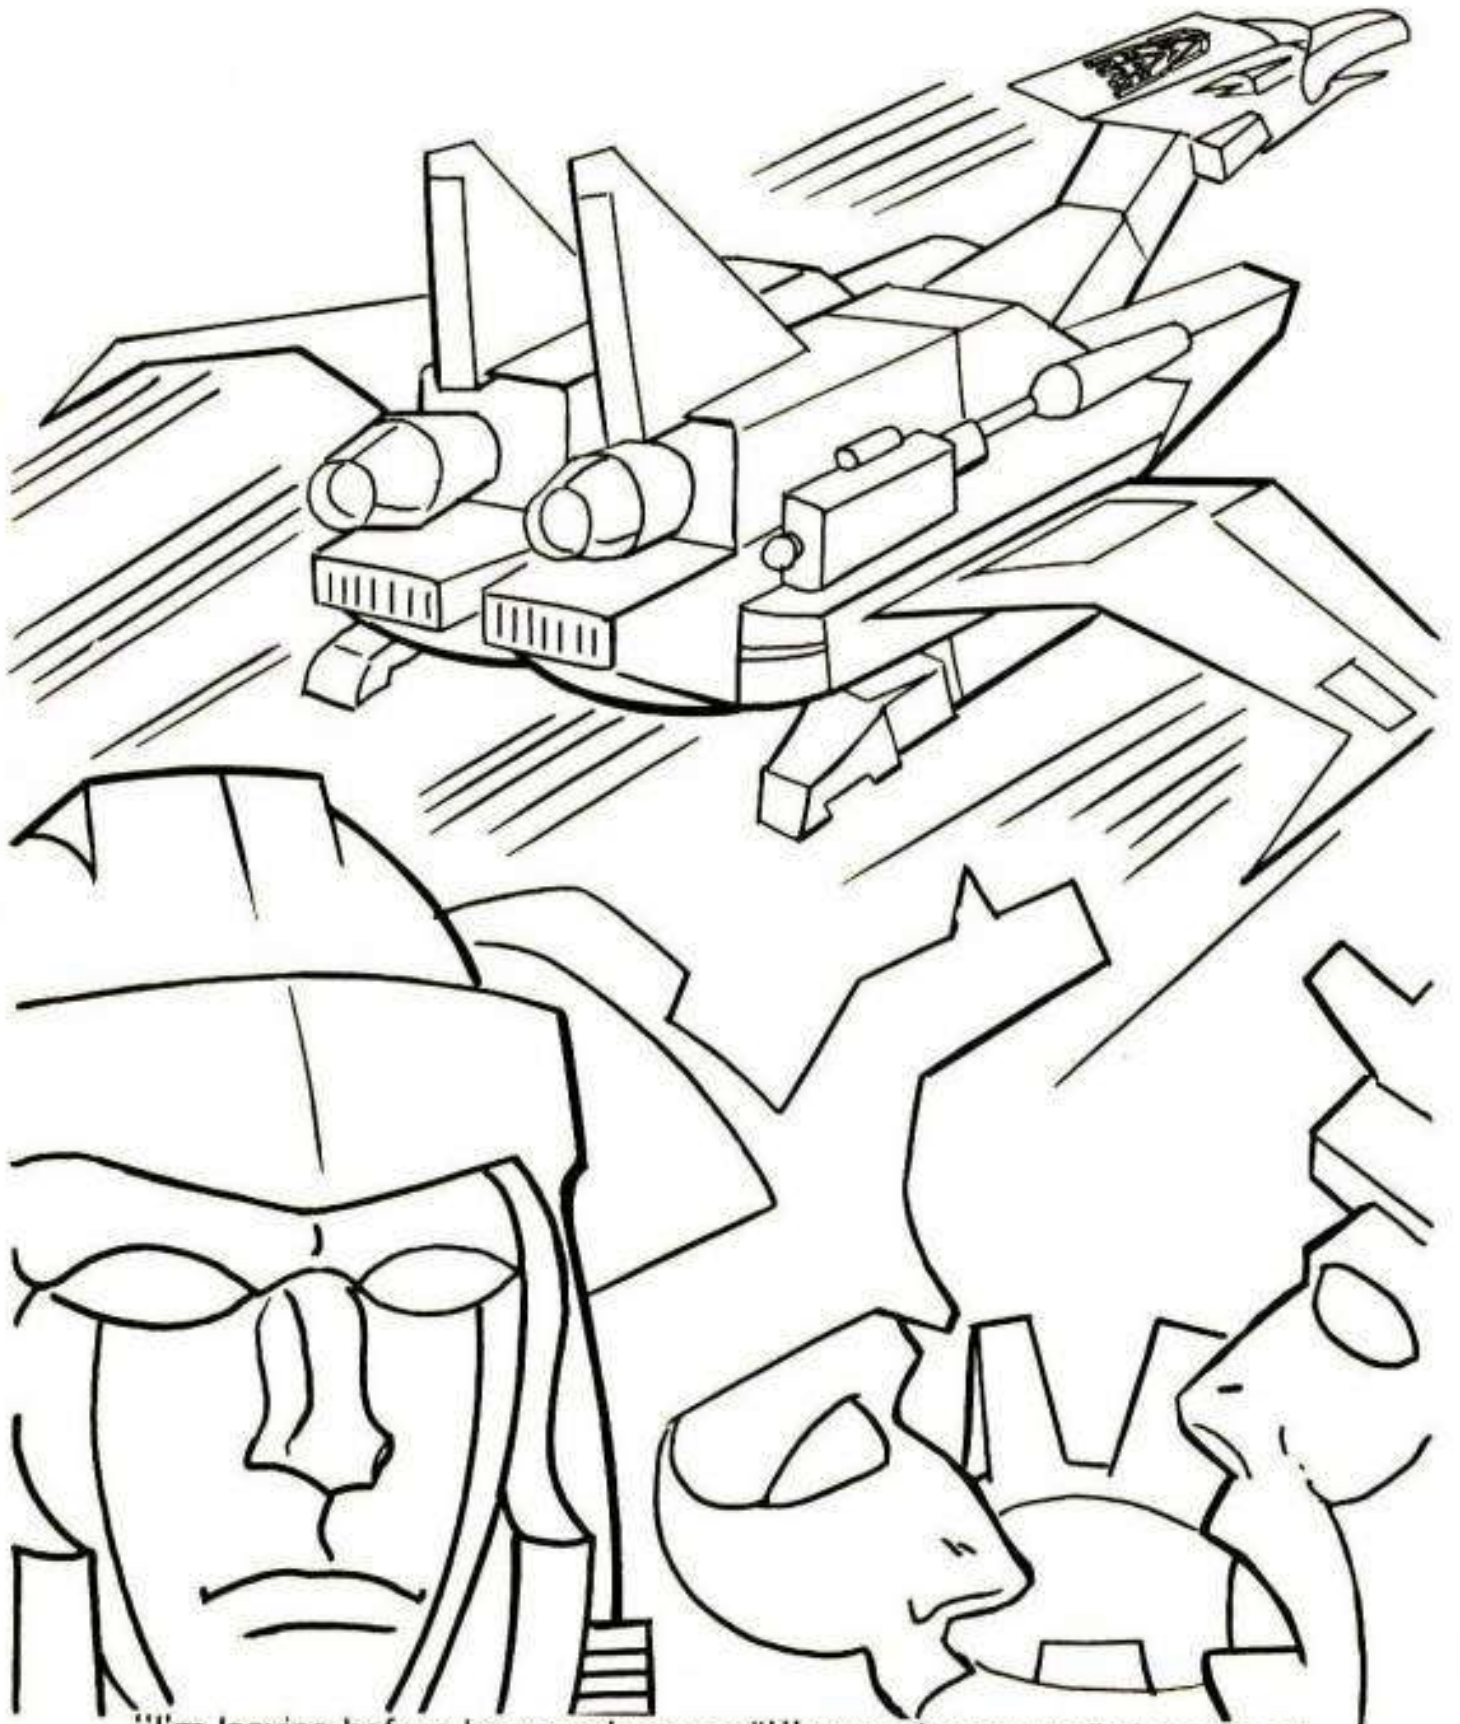

Let's Trick the Decepticons!

"Yipe! Look out, everyone! A giant Autobot!" shouts Laserbeak.

"I'm leaving before he smashes us all!" says the cowardly Laserbeak.

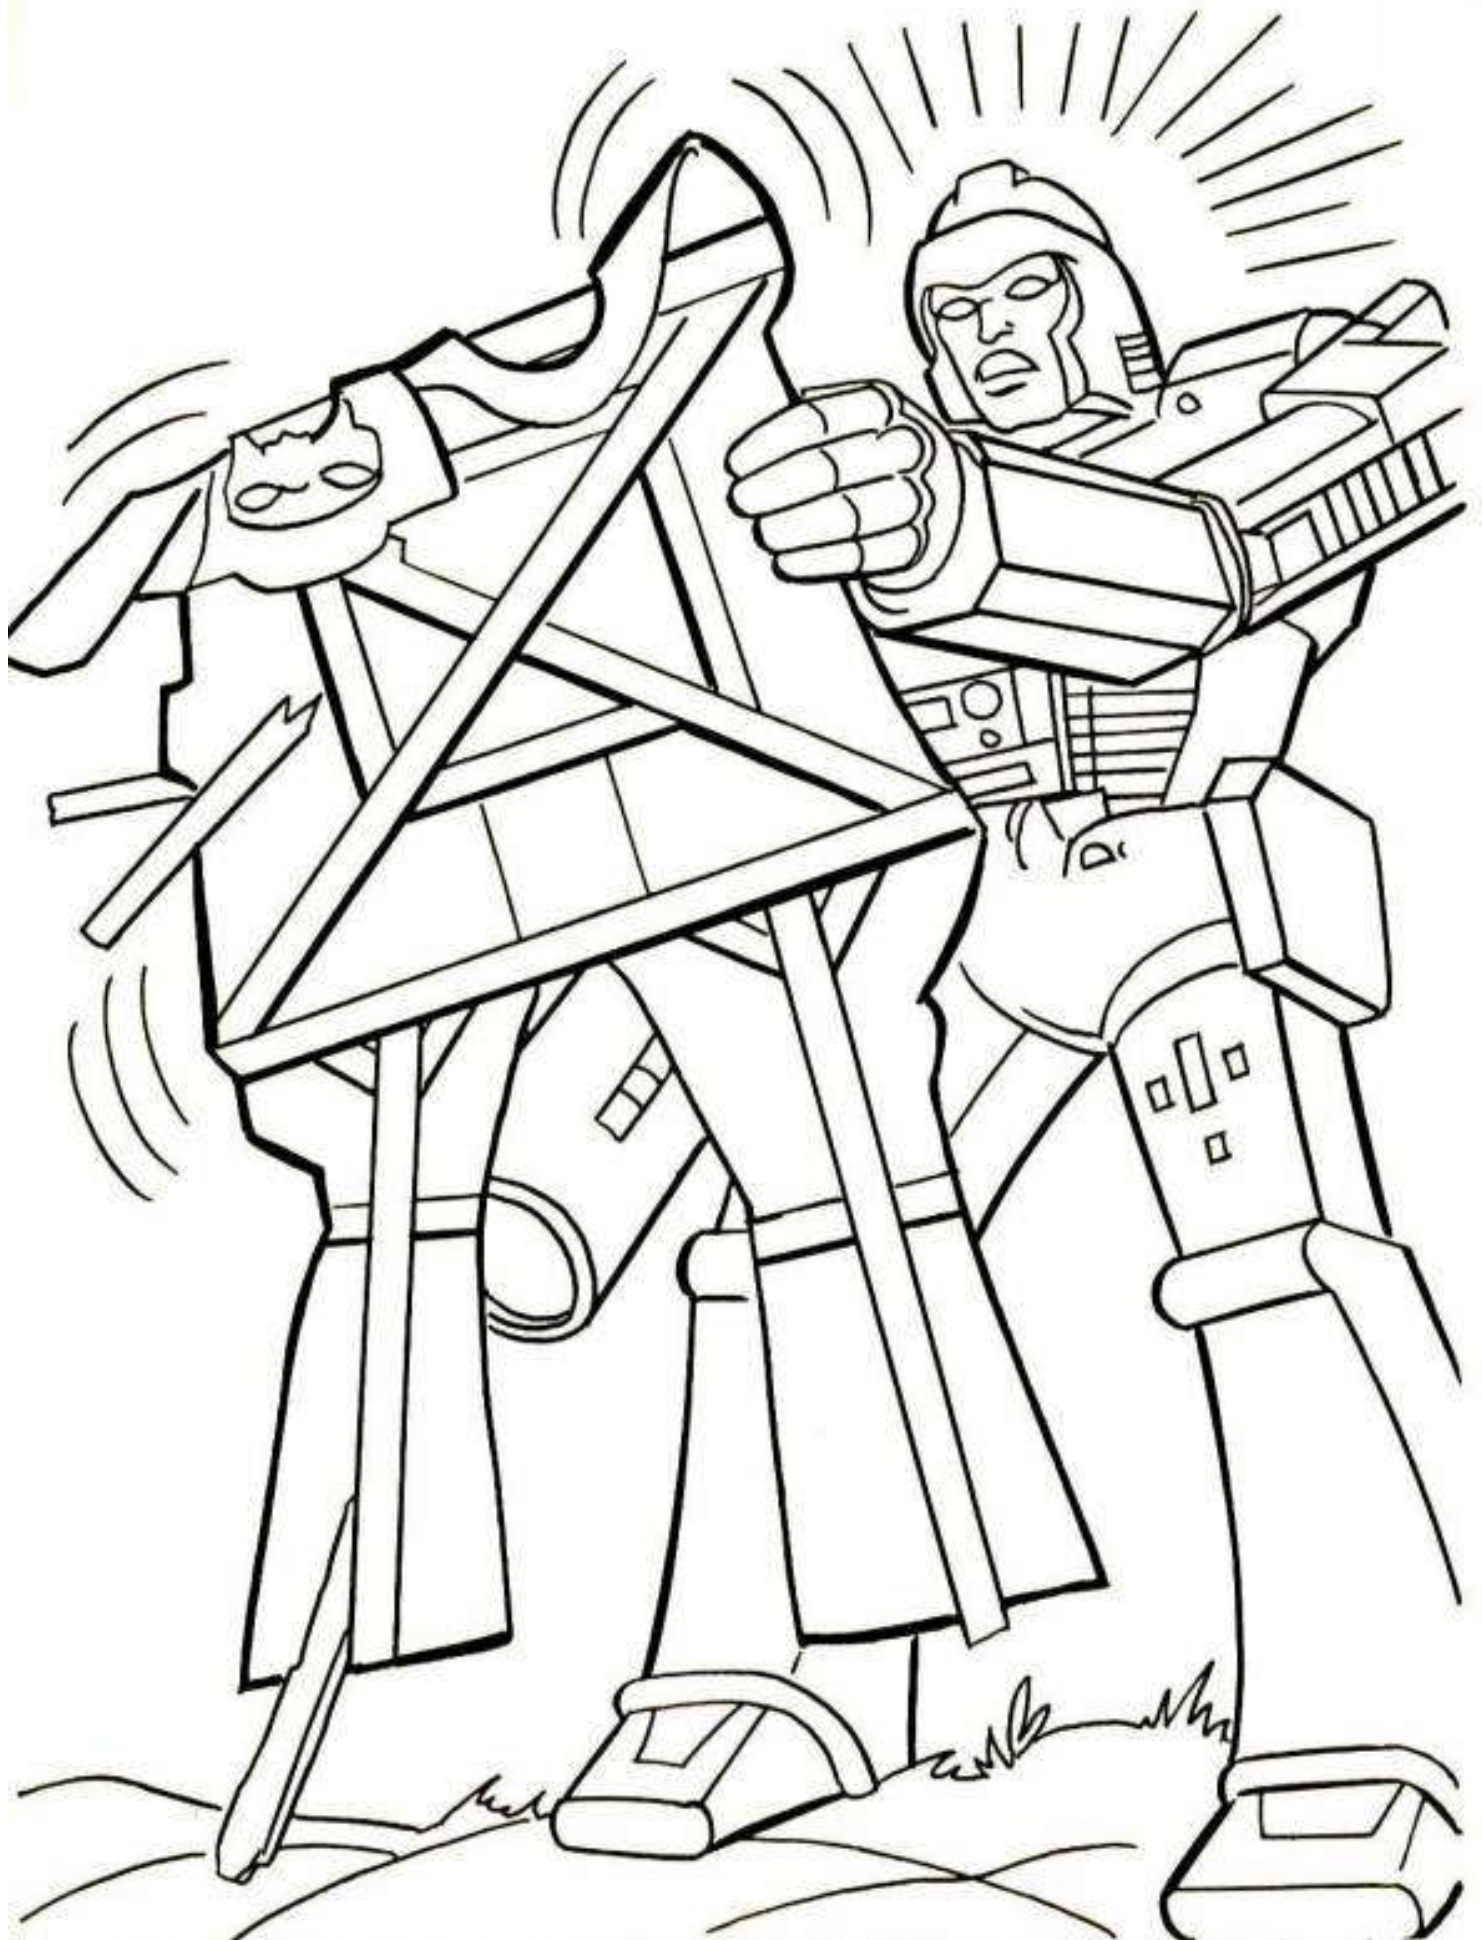

"Bah! We can beat any Autobot, no matter how big he is!" says Megatron.  
"Attack my Decepticons! Attack!"

"Bumblebee's trick worked! Let's go before the Decepticons get here!"  
says Sparkplug.

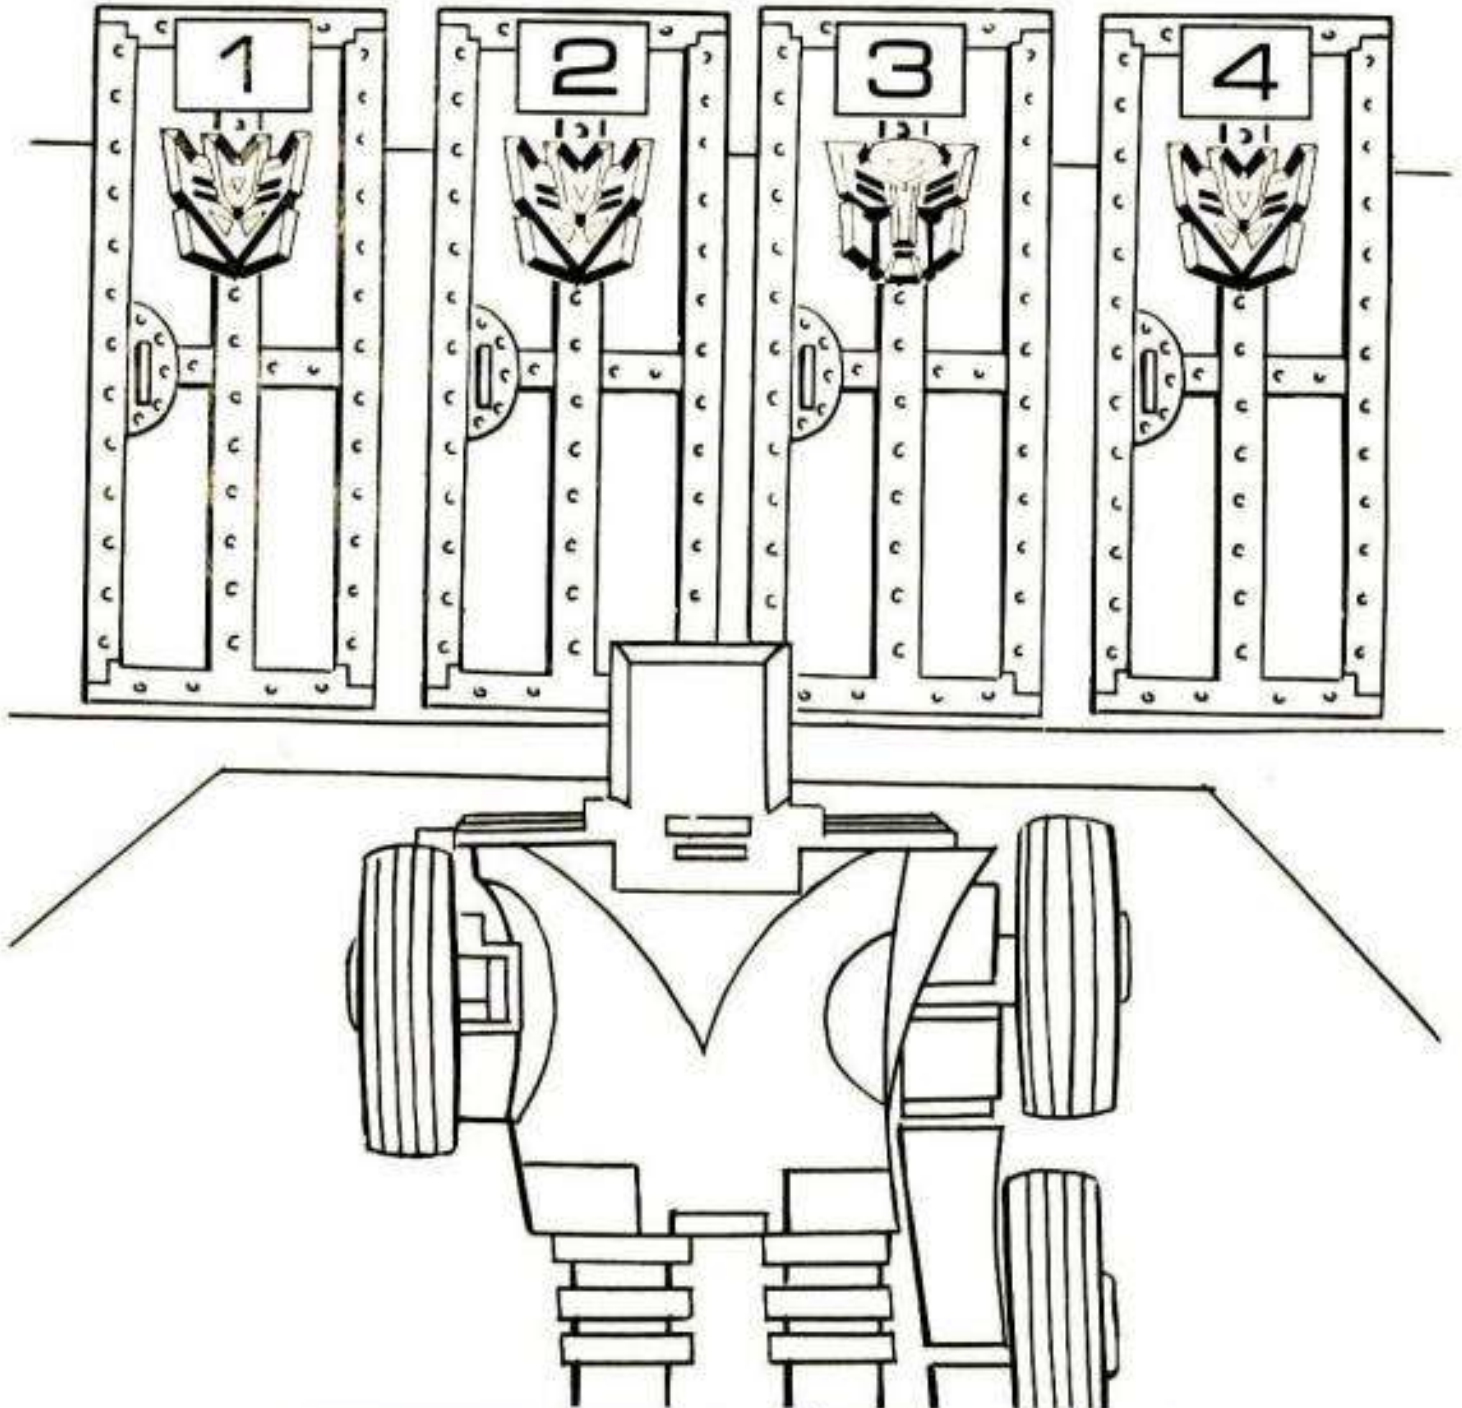

"A fake Autobot!" shouts Megatron. "Bumblebee must be freeing the other Autobots! Back to the prison—fast!"

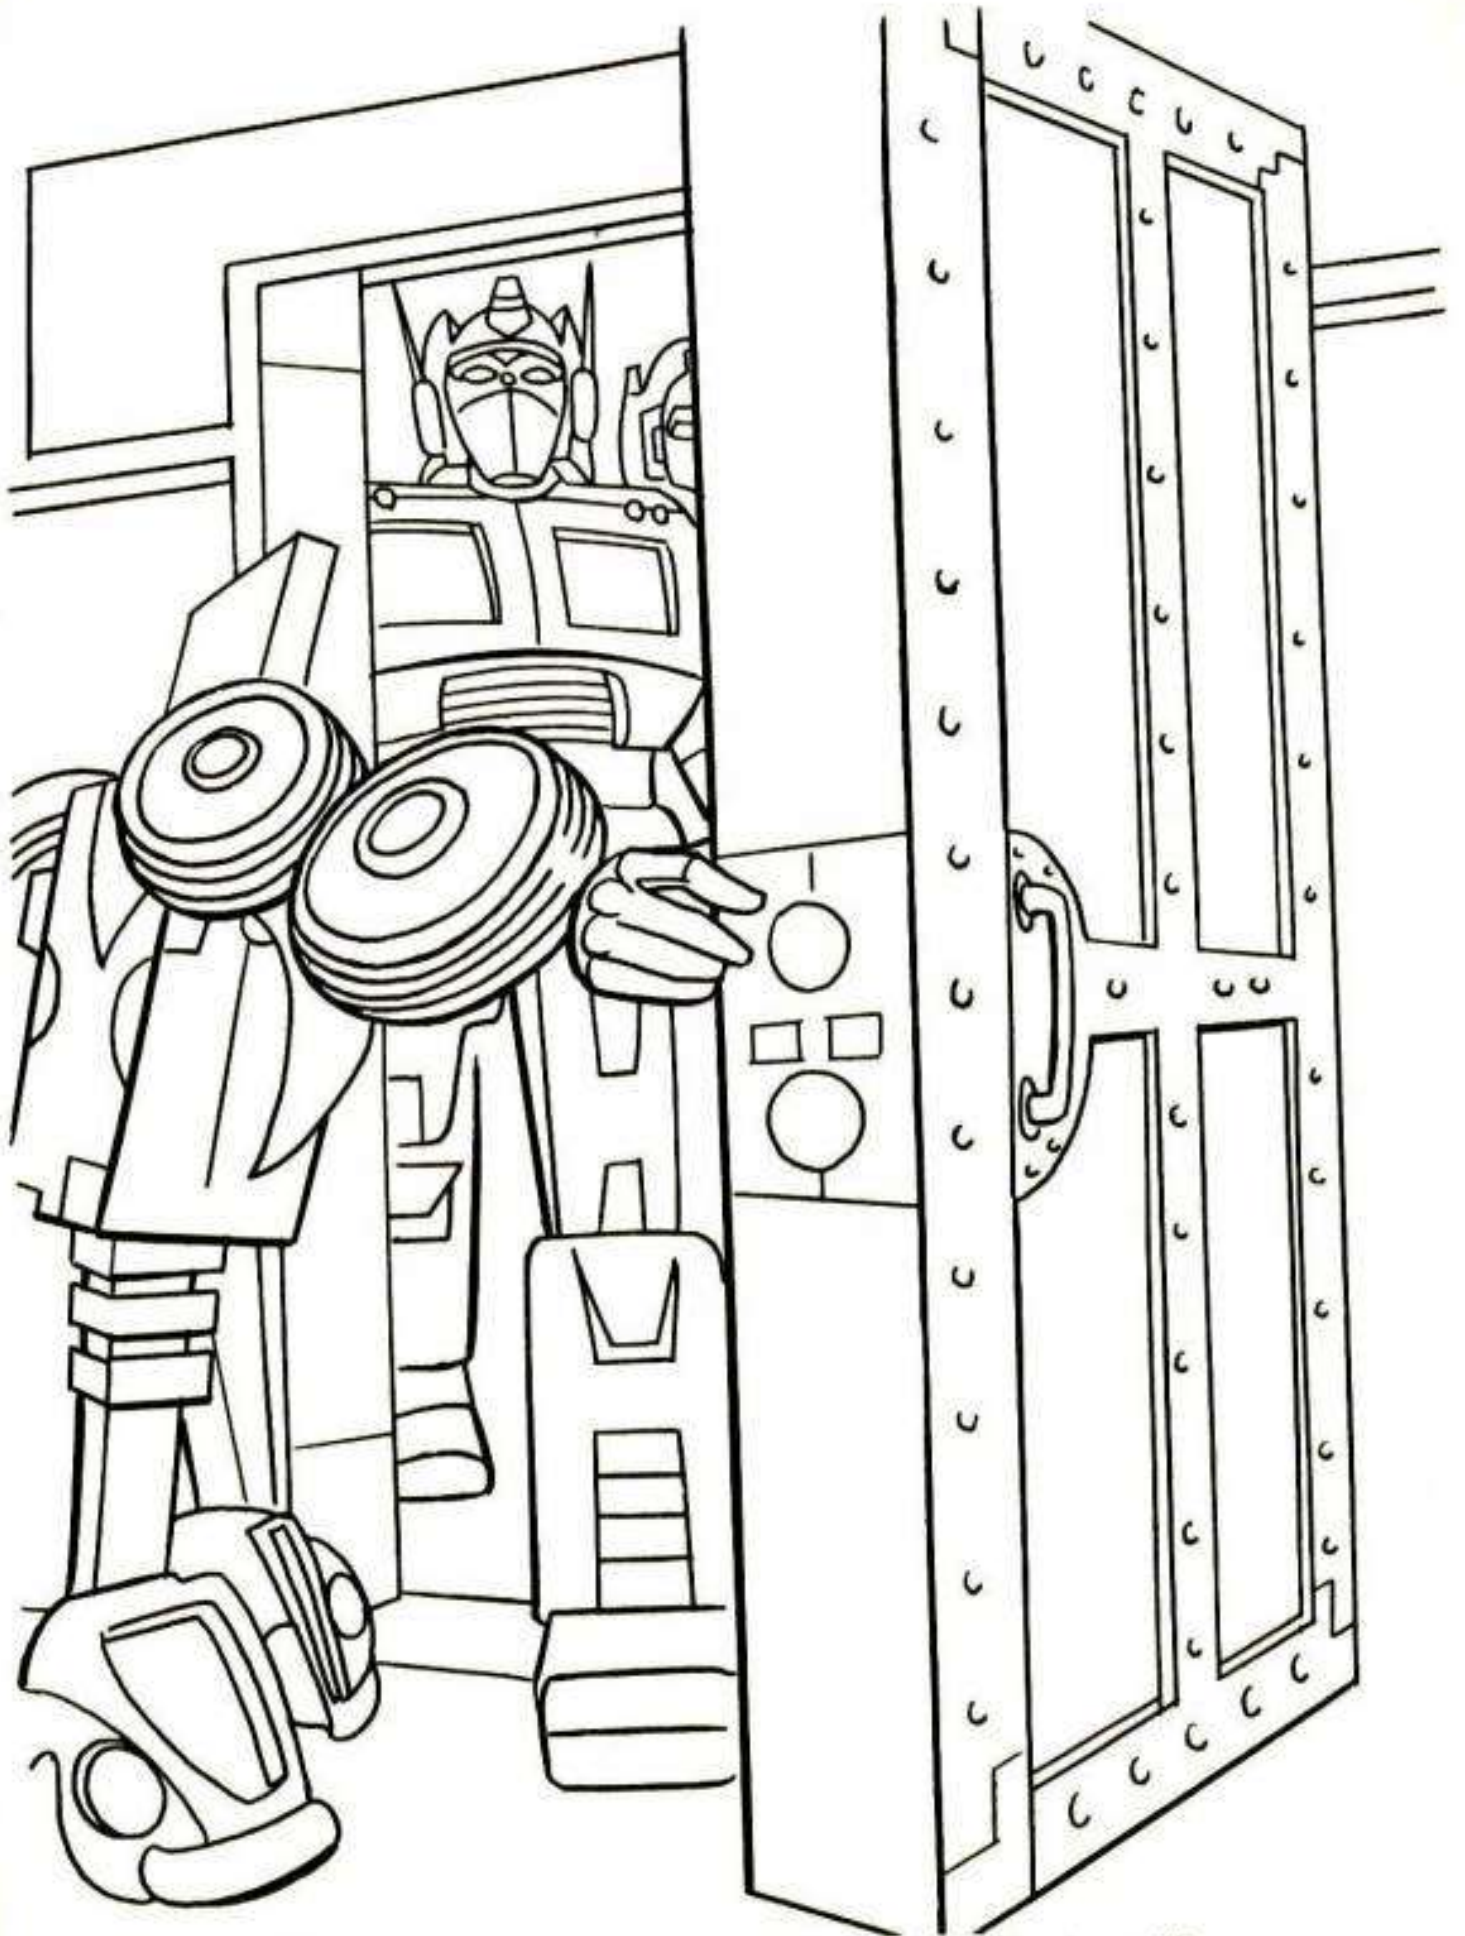

# BUMBLEBEE'S DOOR CHOICE

Bumblebee must get into the prison to free his friends. All the doors look alike! But one door is different! Find the different door and circle it for Bumblebee so he can enter and help the Autobots!

Door Number Three has an Autobot Doorknocker.

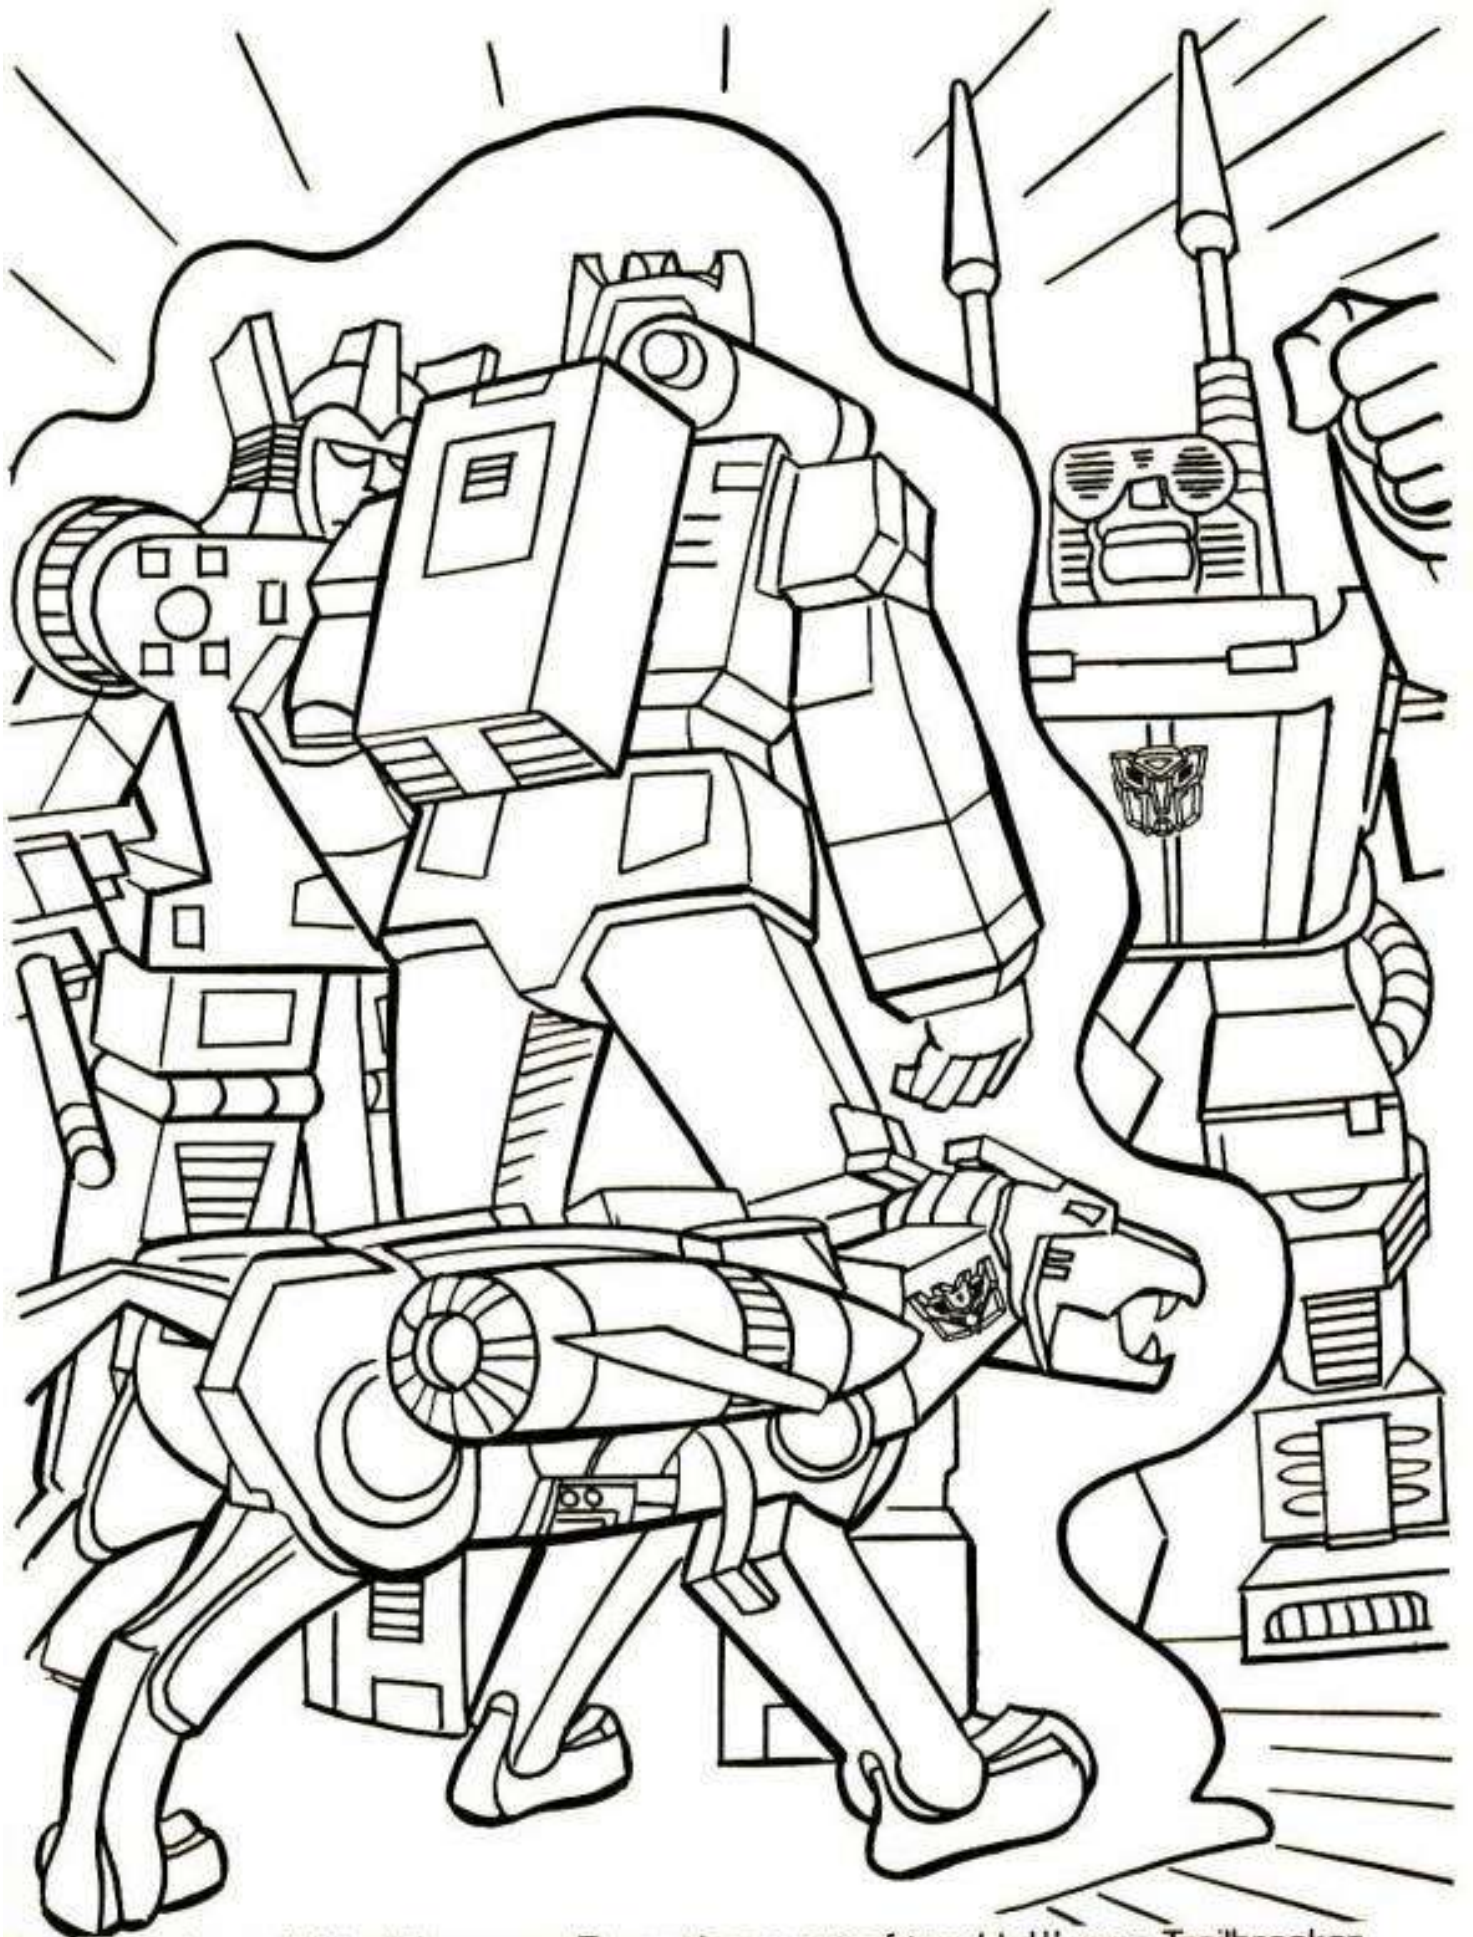

"The door is unlocked!" says Bumblebee. "Let's go!"  
"Hooray for Bumblebee!" shout the Autobots.

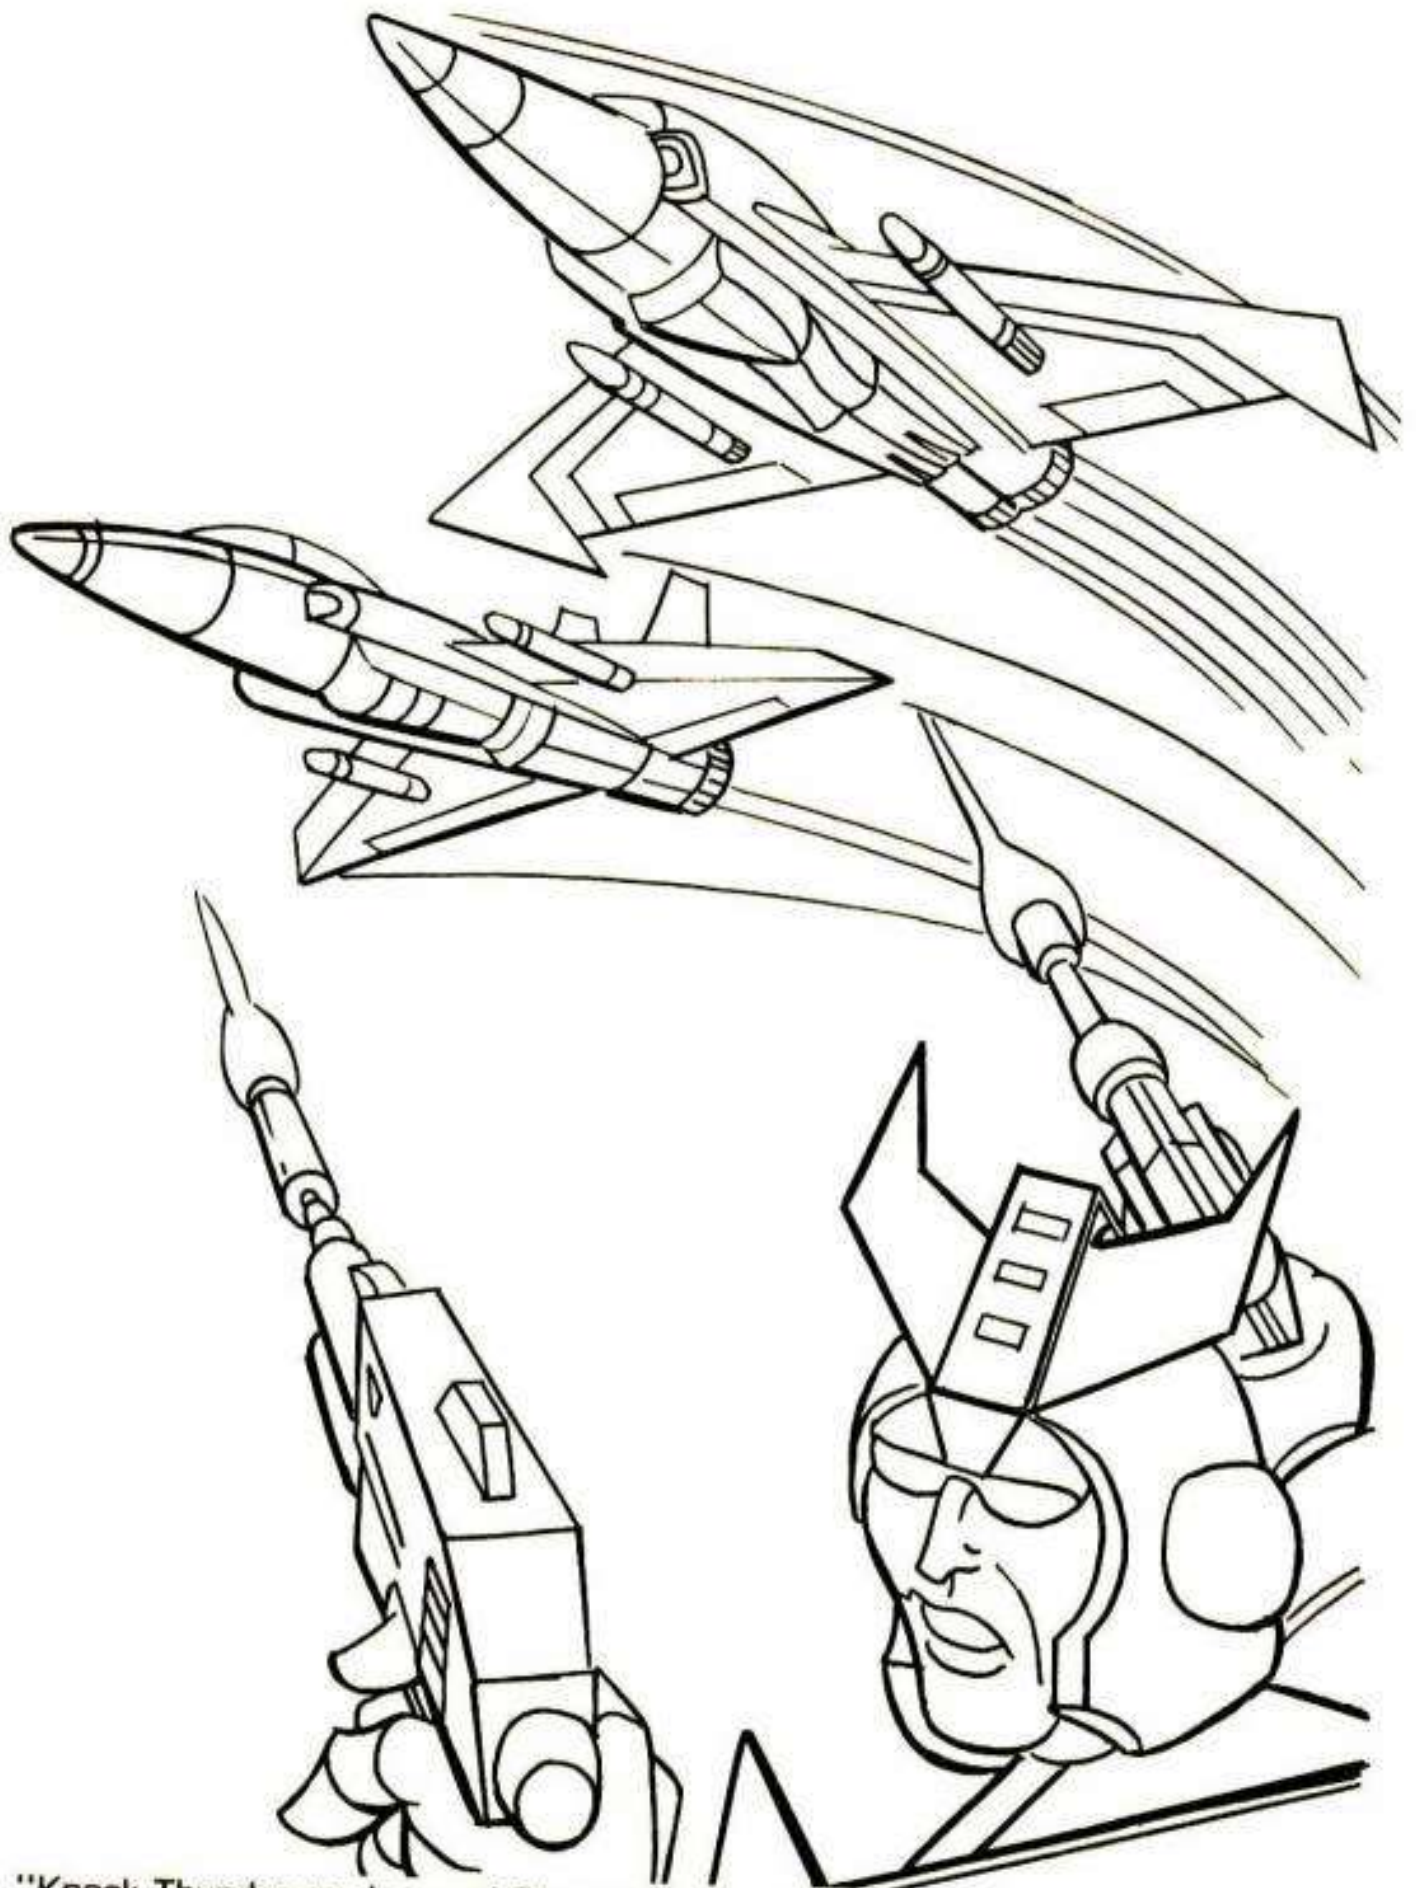

"Now let's teach those Decepticons a lesson they'll never forget!"  
says Optimus Prime.

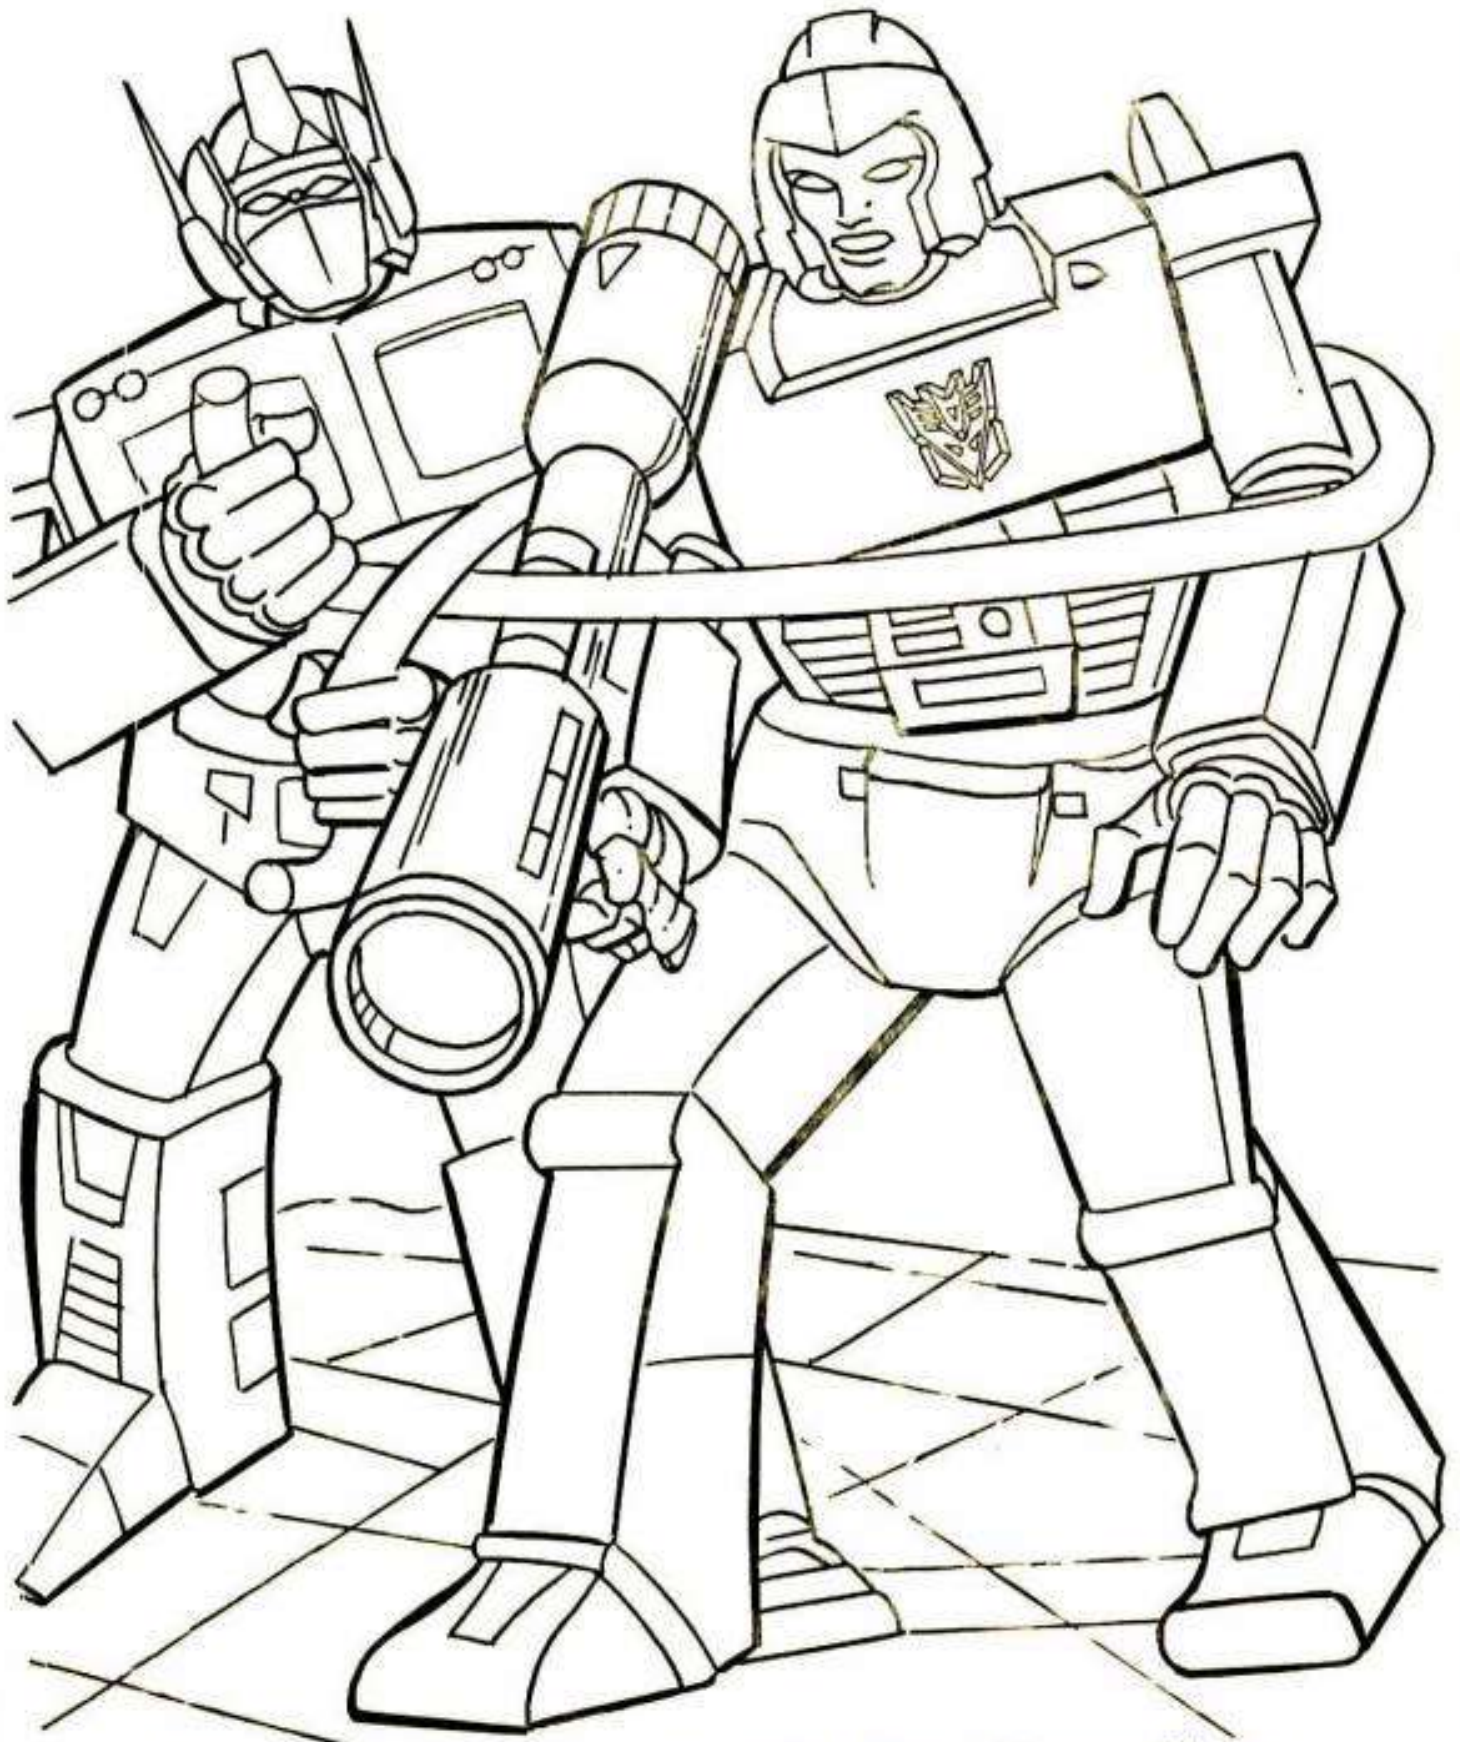

"My force field will keep you Decepticons out of trouble!" says Trailbreaker.

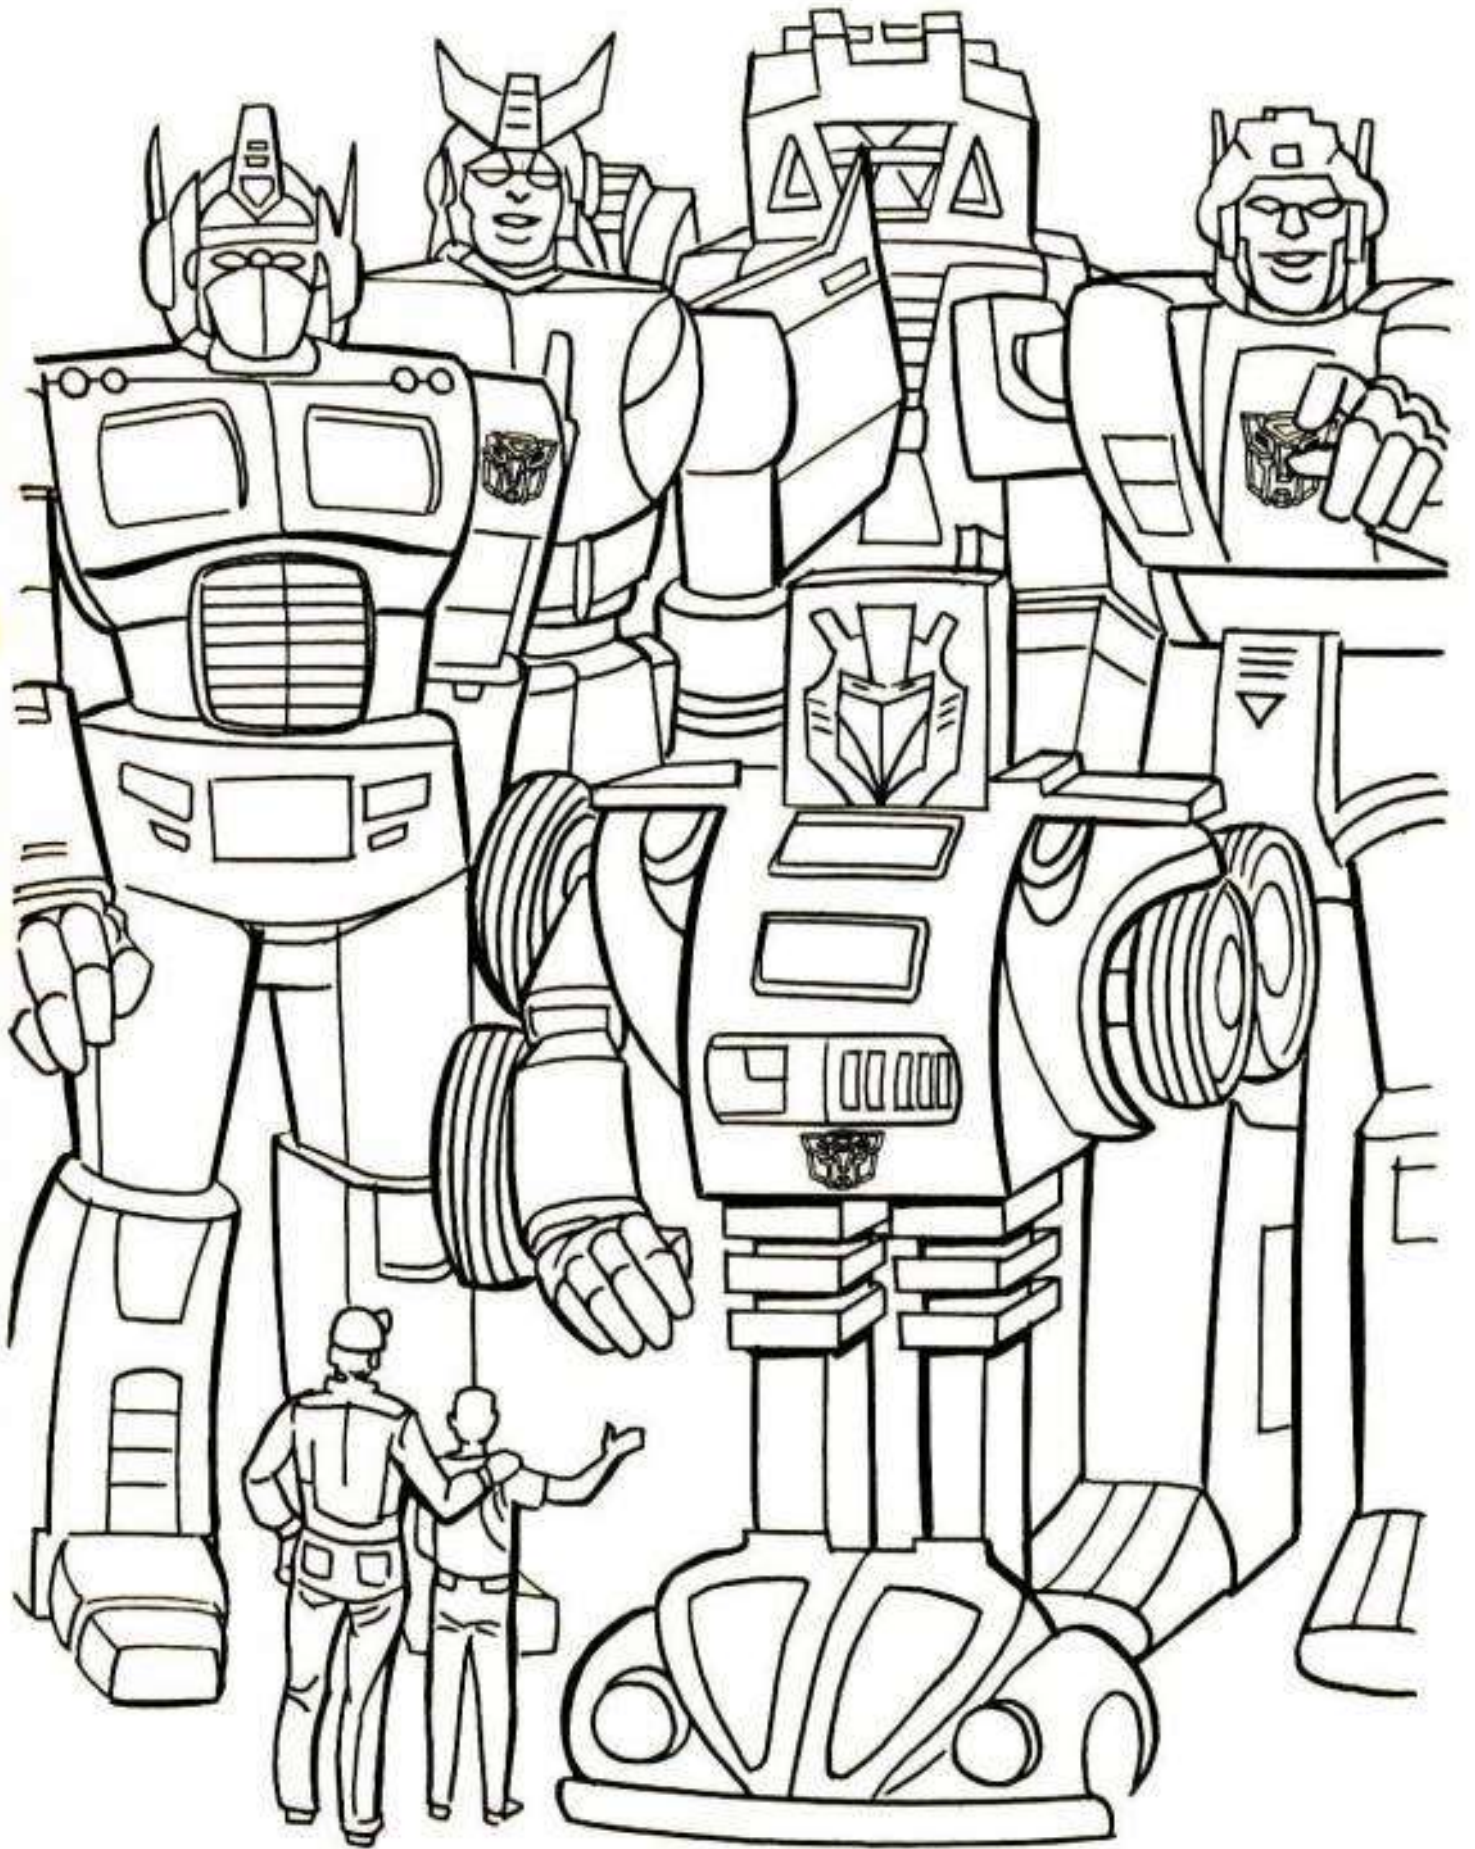

"Knock Thundercracker and Starscream out of the sky!" says Sideswipe.  
"Right!" says Bluestreak.

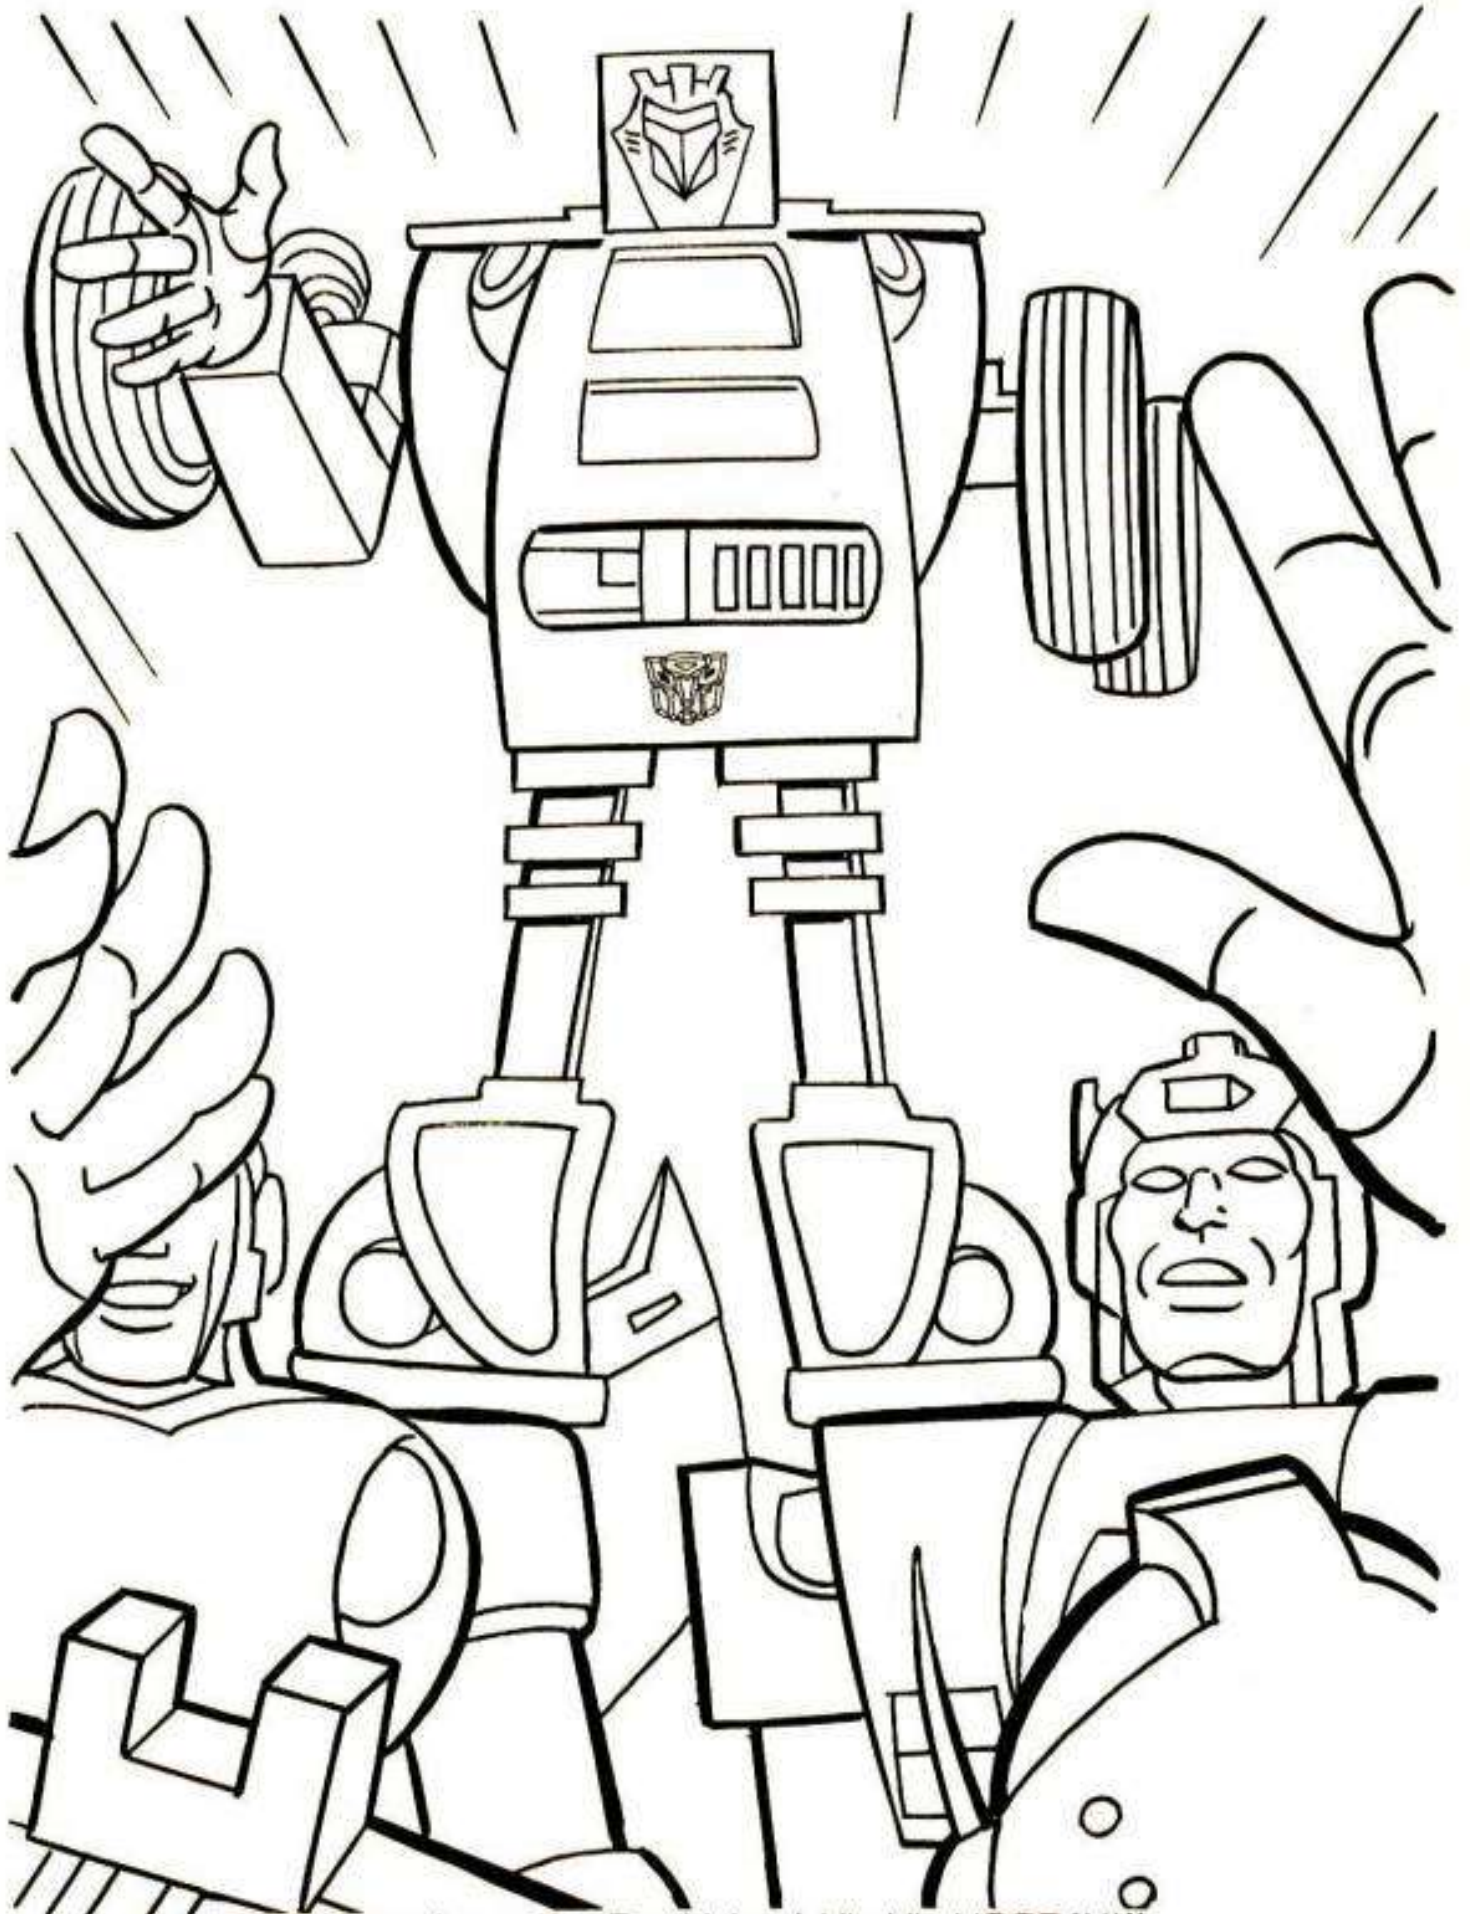

"This iron bar is going to be part of your prison, Megatron!" says Optimus Prime.

"We would never have won if Bumblebee hadn't rescued us!" says Optimus Prime.

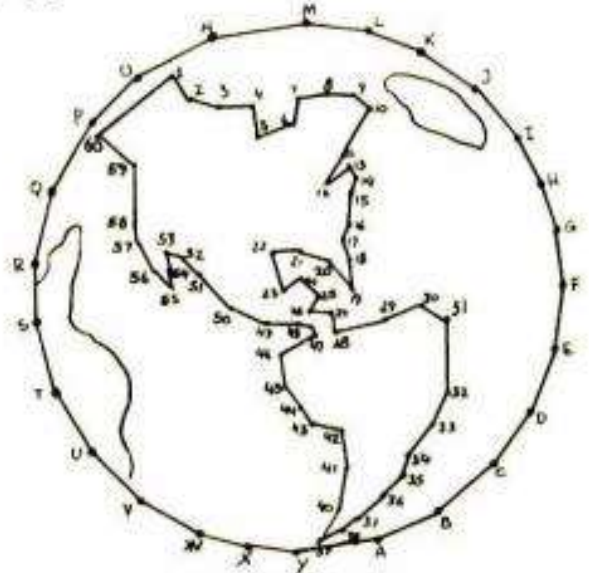

"Three cheers for Bumblebee! Hip Hip HOORAY!"
